WRITING AND LEDGER PAPERS.—We have now on hand, and are manufacturing to order, at the Mount Holly Paper Mills, the following description of WRITING AND LEDGER PAPERS, which, for color and quality, are not excelled by any other Mills in the United States.

We would call attention to a new article of Paper manufactured by us, and now for sale, the Commercial Letter, which has been gotten up to meet the wants of business men and others, who object to Commercial Note as being too commonly used, and for a longer part of usual letter sheet.

The peculiar requirements for such the above objections; is a perfect sheet, pure wove; plate finish; ruled on one side; stamped in corners so as to be top opening; of a texture fitted for rough handling, and put up in neat boxes, convenient for use.

This is also true in a paper called Bank Letter, similar to the above, except it has but half the number of lines on; so as to allow a more ample margin for use.
