$23,000,000.

AN ACT

To Create a Loan

FOR THE REDEMPTION OF

The Over-Due Bonds of the Commonwealth.

WHEREAS, The bonds of the Commonwealth, and certain certificates of indebtedness, amounting to twenty-three millions of dollars, have been over due and unpaid for some time past; *And Whereas*, It is desirable that the same should be paid, and withdrawn from the market; therefore,

SECTION 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same*, That the Governor, Auditor General and State Treasurer be, and are hereby, authorized and empowered to borrow, on the faith of the Commonwealth, in such amounts and with such notice, (not less than forty days) as they may deem most expedient for the interests of the State, twenty-three millions of dollars, and issue certificates of loan or bonds of the Commonwealth for the same, bearing interest at a rate not exceeding six per centum per annum, payable semi-annually, on the first of February and first of August, in the City of Philadelphia, which certificates of loan or bonds shall not be subject to any taxation whatever, for State, municipal or local purposes, and shall be payable as follows, namely: Five millions of dollars payable at any time after five years and within ten years; eight millions of dollars, payable at any time after ten years and within fifteen years, and ten millions of dollars at any time after fifteen years and within twenty-five years; and shall be signed by the Governor and State Treasurer, and countersigned by the Auditor General and registered in the books of the Auditor General, and to be transferable on the books of the Commonwealth, at the Farmers' and Mechanics' National Bank of Philadelphia: the proceeds of the whole of which loan, including premiums, if others, received on the same, shall be applied to the payment of the bonds and certificates of indebtedness of the Commonwealth.

SEC. 2. The bids for the said loan shall be opened in the presence of the Governor, Auditor General and State Treasurer, and awarded to the highest bidder; *Provided*, That no certificate hereby authorized to be issued, shall be negotiated for less than its par value.

SEC. 3. The bonds of the State and certificates of indebtedness, now over due, shall be receivable in payment of the said loan, under such regulations as the Governor, Auditor General and State Treasurer may prescribe; and every bidder for the loan, now authorized to be issued, shall state in his bid whether the same is payable in cash or in the bonds or certificates of indebtedness of the Commonwealth.

SEC. 4. That all trustees, executors, administrators, guardians, agents, treasurers, committees, or other persons, holding in a fiduciary capacity, bonds or certificates of indebtedness of the State or moneys, are hereby authorized to bid for the loan hereby authorized to be issued, and to surrender the bonds or certificates of loan held by them at the time of making such bid, and to receive the bonds authorized to be issued by this act.

SEC. 5. Any person or persons standing in the fiduciary capacity stated in the fourth section of this act, who may desire to invest money in their hands for the benefit of the trust, may, without any order of court, invest the same in the bonds authorized to be issued by this act, at a rate of premium not exceeding twenty per centum.

SEC. 6. That from and after the passage of this act, all the bonds of this Commonwealth shall be paid off in the order of their maturity.

SEC. 7. That all loans of this Commonwealth, not yet due, shall be exempt from State, municipal or local taxation, after the interest due February first, one thousand eight hundred and sixty-seven, shall have been paid.

SEC. 8. That all existing laws, or portions thereof, inconsistent herewith, are hereby repealed.

CITY AND NEIGHBORHOOD.

Allegheny Commons.

We published on Wednesday a communication signed "More Anon," and one appears to-day signed "O. P.," both opposed to the contract entered into to improve the Allegheny Commons by levying a tax of two hundred thousand dollars for that object, and have been induced to give place to these well written articles by the high respectability of the respective authors. Our columns are of course open to reply to the extent of any space we can spare; but we deprecate controversy on this subject, and owe it to ourselves to say that we are more the views of our worthy correspondents; on the contrary, we rather incline to wish they would not essay to clog or retard the car of progress, but put their shoulders to its wheels and press it onwards. We doubt whether any other municipal government in the country would suffer so large an area of public ground to remain ungraded and unplanted, and use it merely as a depository of offal and garbage for so many years, nor are we quite sure that it is altogether right to plead the liberality of a few private gentlemen, in expending money on a portion of the Common, as a reason why the city should wait for or depend upon other such benefactions. The Commons can be converted into a magnificent Park, and we opine every resident on in-lot and out-lot has a much greater interest in such improvement than its value for commonage or pasture is worth to them.

We are not prepared to judge whether the mode of accomplishing the change proposed by the Committee is the best or not. All we mean to say is that in our humble judgment the effect of a judicious and tastefully furnished one hundred acre Park in Allegheny will be to enhance the market value of it really, more than a million of dollars, besides making the city one of the most desirable and attractive places of residence in the State.

MESSRS. EDITORS:—Does the correspondent of the *Commercial* entertain a hope that the Legislature will authorize a debt of $200,000 upon the city of Allegheny, at the instigation of a committee of five members of Councils, whose united contributions to the Treasury amount to $207 only, some two of whom are not assessed for a cent? Was there ever, in municipal affairs, such an *assumption* without a petition numerously signed by citizens and tax payers, for the purposes of pleasure and recreation for the wealthy, who have leisure and inclination for the enjoyment of the object, attainable by the application of so small a fraction of way of revenue to the city?

The county of Allegheny, and those cities have had some dire experience in the way of taxes for objects of *utility*, and promotion of facility of intercourse and trade with the West and East. A large amount of these Bonds are yet outstanding, from whence not a dollar has ever reached the treasury. We hope not, and believe will require something stronger than a "Pleasure Park" to induce Frame to vote the recovery of taxes for the purposes indicated by the Committee of five, who propose this unparalleled aggression upon the rights of a large number, who protest against the means of Councils to precipitate the city of Allegheny into financial difficulty if not disgrace, in the opprobrium of her already *outstanding* securities.

O. P.

NEIGHBORHOOD GLEANINGS.

An Episcopal Convention of some of the eastern counties of Pennsylvania is in session in Reading on the 19th and 20th. The Convention favors a new diocese, composed of the district outside of the counties of Philadelphia, Montgomery, Bucks, Chester and Delaware.

The act relating to the Agricultural Colleges of Pennsylvania, and the establishment of Experimental Farms in connection therewith, has passed the House of our Legislature, and will, no doubt, pass the Senate. The object contemplated is the improvement of farms, one in the east, and one in the west, which farms are to be used for the art of farming, in connection with the Agricultural College of the State.

A bill has been presented to the Legislature relieving the auctioneers of Philadelphia and Pittsburgh from the tax of one-fourth of one per cent, charged upon all sales made and sold by said auctioneers. This should be passed, as the law, in its present shape, operates very unequally as between the brokers and the auctioneers, and to the injury of citizens having stocks or loans sold at auction.

Judge Johnston, lately charged the Grand Jury of Meadville Crawford county, to make a presentment in favor of building a new Court House at Meadville. The address was pronounced exclusive in its arguments, and just after its delivery, a portion of the ceiling upon the ceiling of the present Court House suddenly fell down, and barely missing striking one of the County Commissioners.

In all the cases of the Commonwealth against C. V. Culver, L. H. Coffin and John Walker, in the Court of Dauphin county, for embezzlement of bonds of the Venango and Tobyhanna Banks, there being no evidence to sustain the charge, the jury has recently acquitted defendants without leaving the box.

The Pittsburgh *Commercial* makes considerable abolitionist bluster about a correspondent at Harrisburg who *uncorked* the bill which is asked to be passed by the Pennsylvania railroad company for, published at the time the same day they were published by the *Commercial*, but did not dwell it necessary to consider it a feat of great magnitude.—*Erie Dispatch.*

The following gentlemen have been nominated, by the President, for Postmasters in Venango county: Price J. Booth, at Plumer; Ransom Crair, at Pennsville; Arthur L. Holt, at Farr Farm; and Nathaniel W. Read, at Rouseville.

At a mass meeting held at Oil City it was resolved to petition the Legislature to grant the right of the citizens of Venango county to vote on the question of the removal of the county seat from Franklin to Oil City.

We are happy to be able to state, upon the authority of an eminent fruit grower, that peaches and other fruits are so yet safe, the winter having been a most favorable one.

The Uniontown *Standard* recommends in terms of high and just compliment, Hon. James Veech, of Pittsburgh, for Supreme Judge.

Youngstown, Ohio, has been infested by burglars. "Bones," alias Bollmer, their leader, has been arrested.

An Alleged Counterfeit Shover Jailed.

Yesterday morning, Mr. J. J. Cooke, Constable of New Castle, Lawrence county, brought to the city and lodged in our jail a prisoner named George Wimer, charged with passing counterfeit money. It is stated that on the 4th of February, he accused was in Centerville, Butler county, and there purchased two pieces of cassimere from a clothing dealer, the name unknown William McCurry, giving in payment therefor, a bill purporting to be on the National Bank of Central New York, the denomination of the bill being one hundred dollars, and receiving the proper change. The one hundred dollar bill was soon ascertained to be a counterfeit, and information against Wimer was made by Mr. Curry, before Justice William J. Carns, of Centreville. A warrant was issued and placed in the hands of Officer Cooke, at New Castle, it having been ascertained that the accused had gone thither. On Wednesday morning last the officer succeeded in arresting the prisoner at New Castle, and took him to Centreville, where he was identified as the man who passed the bill. The man who had received the bill from him was not absolutely certain as to the identity, but samples of the cloth purchased were found to agree precisely with a suit of new clothes in which Wimer's son had just made his appearance. Other circumstances seemed to make it totally certain that the prisoner was the guilty man. A hearing in the case was had on Thursday morning, before Justice Carns, and the prisoner sent here yesterday morning, as stated, to await a final disposition of his case in the United States Court. Wimer is a man of about forty-years of age, and has a family resident at Centreville. He has the reputation of being an accomplished scamp. The taint of dishonesty seems to prevail in the family, as a brother and some other members have been in "difficulties."

Highway Robbery on Birmingham Bridge.

On Monday evening last, at a late hour, as Mr. James Leech, of Birmingham, was crossing the covered bridge across the Monongahela, he was attacked by some person who knocked him down and "went through" him. Mr. Leech had under his arm a wet rolled up, and this the thief took from him. Fortunately he had no money with him, and so the thief found the profits of the enterprise limited to the vest he secured. Information of the affair was conveyed to the Mayor's office, and from the description given of the robber, officer Moon was led, yesterday morning, to arrest, on suspicion one William H. Hoover, a well known "bird" horsebouts. Hoover was locked up, and last evening Mr. Leech called to see whether he could identify him. He is very positive that the prisoner is the one who robbed him. Hoover will probably have a hearing to-day. He is a person of tolerably large criminal experience, having already served three terms in the Penitentiary.

Mortuary Report.

Dr. A. G. McCandless, Physician to the Board of Health, reports twenty as the total number of deaths for the week from February 10th to February 17th, 1867. The diseases producing death were as follows:

Typhoid Fever, 2; Pulmonary Consumption, 1; Uterine Enteritis, 1; Pardonitis, 1; Still Born, 3; Hydrocephalus, 2; Convulsions, 2; Typhus Cerebro Spinalis, 1; Inflamation of Lungs, 2; Whooping Cough, 1.

Of the above there were: Under one year, 7; from one to two, 3; from two to five, 1; from twenty to twenty, 1; from fifteen to twenty, 1; from twenty to thirty, 1; from thirty to forty, 2; from forty to fifty, 2; from fifty to sixty, 1; from sixty to seventy, 1; Males, 10; Females, 9; White, 19; Colored, 1; Total 20.

Pittsburgh Vindicated

Yesterday morning a stranger whose name we did not learn, but who announced himself as a Baltimorean, was in the Rush House, and being tolerably well filled with whisky, was blowing considerably concerning his ability to whip any man of any size at last that he was put out of the house. As he was put out of the house, he followed the vaunting Baltimorean outside, and when on the pavement, without much ado, drew off and knocked the gentleman down. The latter picked himself up meekly and without saying a word, or offering to make good the claims to championship which he had so loudly proclaimed, went directly into the house, made hasty preparations and left, since when he has not made his appearance.

[Man Drowned at New Castle.

On the night of December 3d, a man named Edwin Fisher, engineer at the Little Mill Iron Works, in New Castle, Lawrence county, mysteriously disappeared and not the slightest clue to his fate could be discovered. The mystery remained unsolved until Tuesday afternoon, when, as we learn from Mr. J. J. Cooke, Constable of New Castle, the body of the missing man was found under the ice in the canal at that place. He was floating face downwards, and his back was frozen to a sakes of the ice. The body was fully identified. At the inquest it was testified that the deceased had been seen on the night of his disappearance. A verdict of accidental drowning was returned. The deceased had a family living in Ohio.

Tore it Down.

An information was made yesterday morning before Alderman Strain, by officer Brown of the Independent Police, charging Hugh Fitzpatrick with tearing down an official notice of a sale. It appears that officers Brown and Wilmot had seized, upon due authority, the goods and chattels of the accused, and had posted up a notice on the premises that the same would be disposed of at constable's sale on a certain day. Yesterday morning, while officer Brown was passing the premises, he observed the accused tearing and destroying the notice. He was arrested and held to bail for a hearing.
