**Manhood: How Lost, How Restored**  
Just published, a new edition of  
Dr. Culverwell's celebrated Essay  
on the radical cure (without  
medicines) of Spermatorrhoea, or Seminal  
Weakness, Involuntary Losses, Impotency,  
Mental and physical Incapacity, Impedi-  
ments to marriage, etc.; also, Consump-  
tion, Epilepsy and Fits, induced by self in-  
dulgence or sexual extravagance.  
Price, in a Sewed Envelope, six cents.  
The celebrated author in this admirable  
essay clearly demonstrates from a thirty  
years successful practice, that the alarm-  
ing consequences of self abuse may be rad-  
ically cured without the dangerous use of  
internal medicines or the application of the  
knife; pointing out a mode of cure at once  
simple, certain and effectual, by means of  
which every sufferer, no matter what his  
condition may be, may cure himself cheap-  
ly, privately and radically.

This Lecture should be in the hands of  
every young and every man in the land.  
Sent under seal, in a plain envelope, to  
any address, postpaid, on receipt of six  
cents, or two post stamps. Price, Dr. Cul-  
verwell's "Marriage Guide," also 25 cents.

**"THE MORNING GLORY,"**  
Littlefield's Patent Improved Base Burning  
COAL STOVE.

In this pattern of THE MORNING GLORY,  
several new and important features have  
been embodied, which can only be seen to  
be admitted. This new stove is made en-  
tirely of cast iron, so fitted as to be airtight,  
but can be made with sheet-iron upper  
section when preferred by the purchaser.  
Its ornamental finish is drapery, making it  
a handsome piece of furniture, far more so  
than any stove heretofore made. Its in-  
ternal construction, though resembling  
some of the former patterns of the Morning  
Glory is quite different, making it more  
durable, and far less difficult to be repaired.  
The castings are of the highest order, fully  
equalling the finest castings made in this  
country.

**Ayer's Cherry Pectoral,**  
For Diseases of the Throat and Lungs,  
such as Coughs, Colds, Whooping  
Cough, Bronchitis, Asthma,  
and Consumption.

Probably never before in the whole history  
of medicine, has anything so widely and so deeply  
upon the confidence of mankind, as this excellent  
remedy for pulmonary complaints. Through a long  
series of years, and among most of the races of  
men it has risen higher and higher in their estima-  
tion, as it has become better known. Its uniform  
character and power to cure the various affections  
of the lungs and throat, have made it known as a re-  
liable protector against them. While adapted to  
milder forms of disease and to young children, it is  
at the same time the most effectual remedy that can  
be given for indolent consumption, and the dan-  
gerous affections of the throat and lungs. As a pre-  
vention against sudden attacks of Croup, it should  
be kept on hand in every family, and indeed as all  
are sometimes subject to coughs and colds, all  
should be provided with this antidote for them.  
Although settled Consumption is thought in-  
curable, still great numbers of cases where the dis-  
ease seemed settled, have been completely cured,  
and the patient restored to sound health by the  
Cherry Pectoral. So complete is its mastery  
over the disorders of the Lungs and Throat, that  
the most obstinate of them yield to it. When nothing  
else could reach them, under the Cherry Pec-  
toral they subside and disappear.  
Angers and Public Speakers find great pro-  
tection from it.  
Asthma is always relieved and often wholly  
cured by it.  
Bronchitis is generally cured by taking the  
Cherry Pectoral in small and frequent doses.  
So generally are its virtues known that we need  
not put in the ordinary of them here, or do more  
than assure the public that its qualities are fully  
maintained.
