ADVICE TO THE POETS.

BY THE BARD OF TOWER HALL.

Poets are an unhappy race;
And this has always been the case
Since men began to versify,
If there is truth in history.
Methinks I have the reason guessed
Why bards so often are distressed:
Imagination is their bane,
Whose speculations, wild and vain,
Conduct them to a land of flowers
Unlike this sober world of ours.
They live in that fantastic sphere,
And feel themselves but strangers here.
For nothing is congenial found
Upon this sublunary ground.
When all the conduct of the mind
Towering fancy is resigned,
But if erratic bards would learn
From dreary dreams to turn,
And deal with "stubborn facts," like those
My numbers twice a week disclose,
When I to Tower Hall apply
My most vexatious ministry,
They might secure their share of bliss,
Even in a glumy world like this.

BALDNESS AND LOSS OF HAIR IS CAUSED by a want of healthy action of the vessels which throw off the perspiration from the head. When these vessels are weak, or diseased, the perspiration is thick and clammy, and adheres to the mouths of the pores, and clogs them up, and dries and forms scurf or dandruff, which is then carried to the roots of the hair, and for want of which the hair has not sufficient nourishment, and consequently becomes dry and harsh, and begins insensibly to fall off, which, continuing for a time, eventually produces baldness. Restore the capillary vessels of the head to their former healthy circulation, and a fine silky new hair will make its appearance, which will increase in quantity and volume until the hair becomes thick and healthy.

Joyne's Hair Tonic is the only preparation that has ever been known to produce new hair on bald heads, which it has done in innumerable instances, and will seldom fail if properly and perseveringly used.

For sale only at 242 Chestnut street.

GERMAN HOSPITAL, U. S. A., BROAD STREET, PHILADELPHIA, March 25, 1863.

At a meeting of the Medical Officers and Cadets of this Hospital, Surgeon JOHN NEILL, U. S. V., was called to the chair, and Acting Assistant Surgeon T. J. YARROW appointed Secretary.

The Chairman having stated the object of the meeting, Mr. B. Tappan, Jr., offered the following preamble and resolutions, which were read and adopted:

Whereas, It has pleased Divine Providence to remove from our midst our esteemed friend and colleague, our late esteemed friend and fellow-officer, Rev. JAMES H. McFARLAND, late Chaplain U. S. A.: Therefore, be it

Resolved, That we, the Medical Officers and Cadets of this Hospital, do tender his bereaved family our sincere and heartfelt expressions of sorrow at his death, and our cordial sympathy with them in their affliction.

Resolved, That in his death we mourn the loss of a gentleman and a Christian, whose sterling attainments and social qualities, were only equalled by the meek and humble spirit with which he, in all the relations of life, exemplified the truth of those precepts which it was his calling and delight to impress upon his fellowmen.

Resolved, That while we bow with reverence to the dispensation of an all-wise Providence, we cannot but grieve at the decree which deprives us of a friend, whom it was our pride to honor, and whose greatest ambition was to exhibit in his own life those qualities which he adored in his Redeemer.

Resolved, That we evince our respect for him, by attending his funeral in a body, and by displaying the flag of this Hospital at half-mast.

Resolved, That a copy of the foregoing resolutions be tendered his family, and that they be published in the "*Inquirer*" and "*Press*," of this city.
