CITY ITEMS.

GREAT IMPROVEMENTS in any art become useless in the presence of greater which follow. The appearance of the last closes the mission of usefulness for the former. A signal illustration of this is just now afforded in the sewing machine art. The era of tremors has have hitherto been helpless and blessed in the use of the shuttle or lock-stitch machines heretofore employed by them, will be equally surprised and delighted to find that a new machine of this same kind has just been produced, so simple and perfect that it must be adopted by all who would not be left behind. Not to adopt it would be like clinging to the old-fashioned stage coach after the advent of the railway. This latest triumph in sewing machines is the work of Wm. O. Grover, Esq., of the Grover & Baker S. M. Co., and may be seen at their store, 730 Chestnut street.

TEARS AND LAUGHTER.—God made both tears and laughter, and both for kind purposes; for as laughter enables mirth and surprise to breathe freely, so tears enable sorrow to vent itself patiently. Tears hinder sorrow from becoming despair and madness; and laughter is one of the very privileges of reason, being common to the human species, and more frequently enjoyed by those who buy their clothes of Granville Stokes, the fashionable clothier, No. 609 Chestnut street.

CERTIFICATE OF CURE.—READ! READ! READ!—This certifies that I was, for the space of eighteen years, afflicted with *bad pile*, was unable to sit down with comfort, and whenever I appeared in the streets I was noticed and laughed at by the ladies, and the affliction continued until *mortification* set in, when I was recommended by a friend to try Charles Stokes & Co.'s one-price, under the Continental, when one suit of black clothes completely cured me. (Signed.) DE JONES.

SPIRIT RAPPINGS AT THE WHITE HOUSE. A ridiculous story has got abroad concerning mysterious rappings at the Presidential mansion. According to rumor, the spirits of Washington, Jefferson, Adams, Jackson, and Clay have been about, and they have given the President considerable advice concerning the conduct of the war. One story is, that at a Cabinet meeting the other day, the spirits rapped out the following sentence: "Buy all your wearing apparel at the Brown Stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut street, above Sixth." We doubt the yarn; but if it is true, there are some sensible spirits around Washington.

IMPORTANT ANNOUNCEMENT.—Mr. Slocumb, the proprietor of the well-known Cheese stand in the Eastern Market, has now on hand a well-selected stock of Cheese, which cannot be excelled in this city. His Strawberries and Cream are delightful, and cannot fail to be appreciated by the most fastidious taste in this delicious compound.

A LARGE ASSORTMENT OF STRAW HATS, of new styles, will be found at Wood & Cary's, No. 725 Chestnut street. Their prices also are remarkably moderate.

PURE OLIVE OILS.—A large invoice of pure Olive Oils, of the celebrated "Latour" and "Lucca" brands—acknowledged to be the finest Salad Oils imported—has just been received by the proprietors of the old grocery store of C. H. Mattson, Arch and Tenth streets.

MISSES' TRIMMED HATS.—Messrs. Wood & Cary, No. 725 Chestnut street, have now in store a superb assortment of these beautiful goods, at greatly reduced prices.

TO THE UNION AND LOYAL LEAGUES AND ASSOCIATIONS, AND LOYAL CITIZENS OF THE UNITED STATES:
PHILADELPHIA, May 25, 1863.

FELLOW-CITIZENS: By direction of the UNION LEAGUE of Philadelphia, the undersigned are the honors to invite your attention to the following Resolutions, to wit: *Resolved*,

"1. That the League will celebrate the approaching Anniversary of American Independence, by appropriate ceremonies, at the Hall of Congress.

"2. That all the Union Leagues and Associations in the United States be invited to participate in the celebration, and that they be requested to send deputations from their respective bodies for that purpose.

"3. That it be recommended that the deputies be authorized to represent their respective constituents in any action that may be deemed necessary and expedient to perfect the organization of the friends of the American Union and Government throughout the United States.

"4. That the Committee of Correspondence be authorized to prepare a circular letter, communicating these Resolutions to the Union Leagues and Loyal Citizens of the respective States, and to adopt such measures as may be necessary to carry them into effect."

For the first time in the history of our Country, the masses of the American people are now invited to commemorate the birth of the UNION, at the place where it was born:

To re-assert the great principles of the Declaration, that "All men are created equal, and are endowed by their CREATOR, with the INALIENABLE RIGHTS of life, liberty, and the pursuit of happiness:"

To acknowledge our obligations to mankind, to maintain those principles as our fathers did, "with a firm reliance on the protection of DIVINE PROVIDENCE:"

To declare the INDIVISIBILITY of the AMERICAN UNION:

To declare the inflexible purpose of the American people, that GOD shall give them strength, to enable the enemies of the Union, and re-establish and perpetuate the NATIONAL AUTHORITY, wherever it has been overthrown by treason or rebellion:

To declare our unfaltering faith, that while we desire peace with them, we shall hold them responsible for any encouragement they may give to the rebellion against the Government of the United States:

To give to history an appropriate expression of our gratitude to the patriot-armies and navy of the Republic: and

To declare our determination to sustain the constituted authorities of the Government now as we have done, in all measures adopted and prosecuted by them for the suppression of the rebellion WITHOUT COMPROMISE WITH TRAITORS—the only means of securing an honorable and lasting peace.

The Committee are gratified to announce that the PRESIDENT OF THE UNITED STATES has accepted an invitation to participate in the proceedings.

Fellow-citizens of the United States, we call upon you to co-operate with us in this FIRST NATIONAL CELEBRATION, and to adopt such measures as you may deem proper, to make it worthy of a great people who have inherited, and now possess and appreciate, the blessings of liberty.
