CITY ITEMS.

OUR ARMIES IN THE SOUTHWEST are now daily becoming more and more the central object of interest to the lovers of freedom throughout the world. Should Gen. Grant succeed in the capture of Vicksburg, as he doubtless will, the fabled backbone of the rebellion will be more than broken, it will be severed in twain. Until we have this glorious news to communicate to our readers, we know of no more interesting or congenial theme to expatiate upon than the fact that Mr. W. W. Alter, the popular coal dealer, Ninth street, above Poplar, sells the best quality coal at the most reasonable prices. The consequence is, that he is doing an immense business.

ELEGANT STOCK OF SUMMER CLOTHING.—Messrs. C. Somers & Son, No. 625 Chestnut street, under Jayne's Hall, have now in store the most splendid stock of ready-made Clothing for Summer in this city. They have displayed superb taste in the selection of their materials—mainly of their own direct importation—and the styles in which their garments are made up are unsurpassed by the most fashionable and expensive merchant tailoring establishments in the country. To all who wish to buy choice Clothing at moderate prices, we would say go to Somers & Son's by all means.

FINE CLARETS AND HOCK WINES.—Our readers will find a fine stock of claret and Hock wines, for table purposes, at the old stand of C. H. Mattson, Arch and Tenth streets, together with the choicest stock of fine family groceries in the city.

FASHIONABLE SUMMER HATS FOR GENTLEMEN AND BOYS.—Messrs. Wood & Cary, No. 725 Chestnut street, have the largest, most recherché, and in all respects the most desirable stock Straw Hats for gentlemen and youth in this city.

GENTLEMEN WHO HAVE NEVER LEARNED experimentally the comfort of wearing a perfectly-fitting shirt can do so by patronizing the popular Gentlemen's Furnishing Establishment of Mr. Geo. Grant, 610 Chestnut street.

FINE MILITARY TRAPPINGS.—Messrs. C. Oakford & Sons, under the Continental Hotel, have constantly on hand an elegant assortment of fine Military Goods, suitable for army and navy officers.

MESSRS. WOOD & CARY, No. 725 Chestnut street, have not only the most elegant assortment of Straw Hats for men and Boys, but they are prepared to make any style of Summer Hat to order at the shortest notice.

OAKFORD & SONS' SUMMER STYLE OF GENTS' HATS, and all kinds of Head-gear for Children, are universally admired, and daily attract crowds to their splendid establishment, under the Continental.

WE UNDERSTAND that Mrs. Gage, who has spent eight months at Port Royal, will lecture on Monday evening next on the "Condition of the Freedmen."

THE HIGHEST degree of perfection in rival inventions in the same art is rarely attained by the same mind. It must, however, be admitted that Mr. Wm. O. Grover, of the Grover & Baker Sewing Machine Company, is an exception to this rule. He has now matched perfection in the shuttle or lock-stitch machines against perfection in the Grover & Baker stitch machines. So that a choice of stitches is all that is left to the seeker after a perfect sewing machine.

GOOD ADVICE.—Always sit next to the carver, if you can, at dinner. Ask no woman her age. Be civil to all rich uncles and aunts. Never joke with a policeman. Your oldest hat, of course, for an evening party. Don't play at chess with a widow. Never contradict a man that stutters. Pull down the blind before you put on your wig. Above all, buy all your wearing apparel at the Brown Stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut street, above Sixth, and live and die a happy, contented, and respected man.]

FAIRMOUNT PARK.—Stately trees, the rich foliage of which oscillates in the soft summer breeze; undulating fields, the luxuriant grass of which gracefully waves to and fro through the same agency; the romantic Schuylkill, dotted with pleasure barges, and its waves dancing in the golden sunlight; chirping birds, winging their way from tree to tree, and making the air musical with their melodious song; bright flowers, embowered walks, spacious drives, and shady retreats, sites for signboards similar to Chas. Stokes & Co.'s, under the Continental, that are erected in other places on the beautiful Schuylkill, all combine to make Fairmount one of the most attractive places in the city.

SPOTS ON THE SUN.—The Leeds Astronomical Society draws attention to the great number of spots now to be seen on the sun's disc, which are at the present time admirably situated for observation. The *penumbra* of the largest is quite discernible through telescopes of even moderate power, and may be plainly seen from the palatial Clothing establishment of Granville Stokes, No. 609 Chestnut street.

"NO DELAY."—Those who have waited to have their Upholstering done, and have been repeatedly disappointed, will please give Patten's West-End store a trial. Carpets, Mattings, and Oil Cloths laid by competent workmen. jel0-3t

SET YOUR HOUSE TO RIGHTS, wait for no one. If your upholsterer disappoints you, send to the West End Store, 1408 Chestnut street. W. Henry Patten sends practical hands immediately on receipt of orders. jel0-3t

SPECIAL NOTICES.

THE WORMS.

Our city is invaded! Lo!
What hosts of the audacious foe!
As numerous as the rebel crew,
And not more easy to subdue.
From fears of hanging they are free,
And hang themselves on every tree;
A shrewd device, to let us see,
How they despise that penalty.
Against them there is no defence,
Nor guns nor bombs can drive them hence,
They on our very noses ride,
Nor can our mouths be fortified.
Each insolent invader sips
The nectar of the ladies' lips,
Or takes his sacrilegious rest
On some unconscious beauty's breast.
Go gentlemen's apparel, too,
Their lawless gambols they pursue;
Yes, most presumptuously crawl
On coats and pants from TOWER HALL.
As well as on inferior ware
Which can't with Bennett's goods compare.
These bold intruders let us slaughter,
And be our battle-cry, "No quarter!"

Meanwhile, those who have not already made the change in Clothing which the season demands, will save time, money and trouble, by calling at once at TOWER HALL, where they are certain to find, among the largest assortment in Philadelphia, articles suited to their peculiar taste, or size, at prices much below present market rates. FOR THE CURE OF SCROFULA, CANCER, GOITRE, ULCERS, SKIN DISEASES, &c., JAYNE'S ALTERATIVE STILL MAINTAINS ITS SUPERIORITY.

The unparalleled success which for twenty-five years, has attended the use of JAYNE'S ALTERATIVE, enables the proprietors to recommend it to the afflicted with entire confidence, believing that it will effectually eradicate from the human system the diseases for whose cure it is designed, more promptly and thoroughly than any other remedy of its class. It has been found particularly beneficial in

CANCER AND CANCEROUS AFFECTIONS of all kinds, curing a majority of the cases in which it has been used, and oftimes after the failure of other remedies.

GOITRE OR SWELLED NECK.—In innumerable cases of this disease in which Jayne's Alterative has been perseveringly used, it has never been known to fail. All have been cured who have continued its use according to directions

DROPSY AND DROPSICAL SWELLINGS.—Many physicians who have used the Alterative in diseases of this nature, consider it a specific, so great has been its success. It acts by increasing the powers of digestion, enabling the absorbents into healthy exercise, whereby the watery or calcareous depositions and all unnatural enlargements are reduced.

EPILEPSY, FITS, CONVULSIONS, are usually considered incurable, and yet experience has proved that the Alterative in conjunction with the Sanative Pills, will cure a majority of cases; it should be tried, therefore, by all who are subject to these terrible afflictions.

SCROFULA.—In all the forms of this disease, whether in the affections of the Flesh or Bones, Enlargement of the Joints, Glands, Swellings, Eruptions, Tumors, &c., the Alterative has been found pre-eminently successful. It enters into and circulates with the blood, thus destroying the virus or poisonous principle from which these diseases originate.

SKIN DISEASES, of all kinds, Scald Head, Tetter, Salt Rheum, Ring Worm, Boils, Pimples, Blotches, Roughness of the Skin, &c., are readily cured by the Alterative.

RHEUMATISM AND NEURALGIA.—In chronic cases, this Alterative, if perseveringly used, is generally successful. In Acute Rheumatism, Jayne's Liniment should be used in connection, according to directions.

FEMALE COMPLAINTS.—In many affections peculiar to females, especially when arriving at maturity, or at the "change of life," the Alterative is unsurpassed by any other medicine. In Chlorosis or Retention, Irregularity and Leucorrhœa, the best results have always followed its administration.

COMPLICATED AND MIXED DISEASES, NERVOUS AFFECTIONS, DISEASES OF THE HEART, DYSPEPSIA, LIVER COMPLAINT, Constitutional Diseases, and diseases originating from a depraved or imperfect state of the Blood, are all cured by Jayne's Alterative; and while it is a fault in many medicines, that when they succeed in removing the disease they are also prostrating the patient beyond recovery, the Alterative has no such drawback. While neutralizing the virus of disease at its very source, it sustains the strength of the sufferer; the union of *Disinfectant, Tonic* and *Deobstruent* properties in this medicine, and the fact that all these influences are blended harmoniously in its operation, distinguishes it from all other similar preparations. Let the afflicted give it a trial. Prepared only by DR. D. JAYNE & SON,
jel0-wf&m3t No. 242 CHESTNUT Street.

DR. SWEET'S INFALLIBLE LINIMENT is truly a "friend in need," and every family should have it at hand.

COG-WHEEL WRINGERS—COG-WHEEL WRINGERS.—The Universal is the only kind with cogwheels; they will wear for years without repairs; no caution or skill required in their use; the water can be pressed from articles more thoroughly than by the old-fashioned back-breaking, wrist-straining, and clothes-destroying process. They save their cost in clothing every six months, and are warranted in every particular. WALCOTT & BURNHAM, Agents,

We pay cash, 60 cents per dozen, or $7.20 per gross, for all empty Bottles delivered at our manufactory, 105 LIBERTY Street, New York, thus removing any excuse for ignorance.

THE SUMMER MOON WAS SHINING
All in the purple sky;
My wife and I, we tossed about,
And could not close an eye.
I cursed and swore, and scolded me,
All through the weary night;
But 'twas enough to vex a saint,
The bedbugs' savage bite.
You may be sure I certain went
Next morn to Lyon's store,
And home in joyful triumph I
Th' Magnetic Powder bore,
Which quickly slaughtered every bug,
Mosquito, roach, and flea.
Lyon's Powder kills all insects. Lyon's Magnetic Pills are sure death to rats and mice. Sold everywhere.

FELLOW-CITIZENS: By direction of the UNION LEAGUE of Philadelphia, the undersigned are the honor to invite your attention to the following Resolutions, to wit: *Resolved*,

"1. That the Union League will celebrate the approaching Anniversary of American Independence by appropriate ceremonies, at the Hall of Independence.

"2. That all the Union Leagues and Associations in the United States be invited to participate in the celebration, and that they be requested to send deputations from their respective bodies for that purpose.

"3. That it be recommended that the deputies be authorized to represent their respective constituents in any action that may be deemed necessary and expedient to perfect the organization of the friends of the American Union and Government throughout the United States.

"4. That the Committee of Correspondence be authorized to present a circular letter, embodying these Resolutions to the Union Leagues and Loyal Citizens of the respective States, and to adopt such measures as may be necessary to carry them into effect."

For the first time in the history of our Country, the masses of the American people are now invited to come memorate the birth of the UNION, at the place where it was born:

To re-assert the great principles of the Declaration, that "All men are created equal, and are endowed by their CREATOR, with the UNALIENABLE RIGHTS of life, liberty, and the pursuit of happiness:"

To acknowledge our obligations to mankind, to maintain those principles as our fathers did, "with a firm reliance on the protection of DIVINE PROVIDENCE:"

To declare the INDIVISIBILITY of the AMERICAN UNION:

To declare the indexible purpose of the American people, as GOD shall give them strength, to subdue the enemies of the Union, and re-establish and perpetuate the NATIONAL AUTHORITY, wherever it has been overthrown by treason or rebellion:

To declare to foreign nations, that while we desire peace with them, we shall hold them responsible for any encouragement they may give to the rebellion against the Government of the United States:

To give GOD thanks for an appropriate expression of our gratitude to the patriot-armies and navy of the Republic; and

To declare our determination to sustain the constituted authorities of the Government now and hereafter, in all measures adopted and processes taken for the suppression of the rebellion WITHOUT COMPROMISE WITH TRAITORS, as the only means of securing an honorable and lasting peace.

The Committee are gratified to announce that the PRESIDENT OF THE UNITED STATES has accepted an invitation to participate in the proceedings.

Fellow-citizens of the United States, we call upon you to co-operate with us in this FIRST NATIONAL CELEBRATION, and to adopt such measures as you may deem proper, to make it worthy of a great people who have inherited, and now possess and appreciate the blessings of liberty.
