DEMOCRATIC COUNTY CONVENTION.

This Convention assembled yesterday morning at Spring Garden Hall.

Mr. Curtis, the president, on taking the chair, announced that the Convention assembled under unfavorable circumstances, as the Hall was needed by the military organization who have had possession for some time.

A delegate then made a motion that the Convention adjourn, to meet at Eighth and Spring Garden streets, at four o'clock. An amendment was offered that a committee be appointed to confer with the commander of the military to see what arrangement could be made. It was stated that that officer could not be found, and the motion was lost. The question then recurred to the original resolution, which was carried unanimously, and the delegates left the room and proceeded to Eighth and Spring Garden streets.

The meeting organized at 11 o'clock. Printed lists of general nominations and also lists of delegates were distributed to the members.

The balloting was then commenced for coroner, the following gentlemen being placed in nomination: Andrew Lowry, Alex. F. X. Gallagher, John Crawford, Jacob Knorr, John M. Myers, John Metz, M. Burns, Joseph Hill, and James Kelsh.

The following is the result of the balloting:

For Coroner, John Crawford received 118 votes on the ninth ballot, against A. F. Gallagher 97 votes.

For Clerk of the Court of Quarter Sessions, Mr. R. D. Sherrard was nominated on the ninth ballot. The candidates were Philip H. Lutte, Robert D. Sherrard, John A. J. Lewis, Edmund Burke, James T. Callender, George S. Lockhart, John K. Murphy, Alexander Martin, and Edmund S. Keyser.

For Clerk of the District Court, Mr. Wm. Loughlin was nominated on the first ballot (131 votes) over Lewis T. Mears (76 votes).

The Convention then adjourned to meet again this morning.

SLIGHT FIRE.—Early yesterday morning, the kitchen in the restaurant of Mr. Rice, on South street, near Seventh, took fire. The flames were speedily extinguished.

The New York *Evening Post* of to-day says:

The loan market is very active, and we hear of the negotiation of several large loans this morning on easy terms. Six per cent. remains the usual rate, and while a few transactions are taking place at 6½, and even 7, there are a number of brokers who pay no more than 5 or 5½.

The stock market is spasmodic and excited, chiefly in consequence of the changing of loans. Governments are strong, the demand exceeding the supply. Gold certificates have sold as high as 101¾, and currency certificates are in demand at higher rates. Border State bonds are firm; bank shares quiet; railroad bonds steady, and railroad shares drooping.

Gold has risen to 122¾@123. Exchange is selling at 133½@135¾, with a limited demand, and a small supply of mercantile paper.

Before the first session gold was selling at 122½, New York Central at 136, Erie at 120¾@120½, Erie preferred at 110¾, Reading at 114@114¼, Harlem at 128@124, Pittsburg at 105, and Toledo 122½.

HEALTH AND COMFORT IN DRESS.—It is well understood that many diseases that humanity is subject to comes of dress, or rather of inattention to the science of dress. Females have long been subject to consumption, &c., from wearing thin shoes and low-necked dresses; tight-lacing has numbered its millions of victims, while among the sterner sex dyspepsia, disconforts, and disfigurations have been the results of clothing made unskillfully or injuriously. Procure your wearing apparel at the Brown Stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut street, above Sixth, and while the dictates of fashion and good taste will be observed, the laws of health and comfort will be strictly followed.

THE MASS MEETING LAST NIGHT.—The mass meeting held at Broad and Market streets last evening was a spirited affair, and well attended. The programme consisted of oratory, music, fireworks, etc., and a general good feeling prevailed throughout the whole proceedings. A kind of impromptu meeting was organized in one of the squares, which was presided over by John Smith, Esq., and Messrs. Brown and Green acted as secretaries. The following resolution was adopted: *Resolved*, That we recommend to the citizens of Philadelphia the neat and attractive styles of clothing as now made to order at the one-price palatial establishment of Granville Stokes, No. 609 Chestnut street. The adoption of this resolution was unanimous.

WINDOW SHADES.—Patten, the old manufacturer and dealer in Window Shades, at No. 1408 Chestnut street. au27 3t

OLD CARPETS CUT, ALTERED, AND LAID. Upholstering of any description done the moment the order is received; no one has to wait who gives an order to W. H. Patten, 1408 Chestnut st. au27 3t

GROVER & BAKER'S No. 9 Shuttle Machine, for Tailors' and Manufacturers' use, has no equal. An examination will convince the most skeptical of this truth. Office 730 Chestnut street.

WANTED, A FEW MAJOR GENERALS.
Tempting bounties Uncle Sam
To the patriot million offers;
Volunteers their pockets cram
Both from State and private coffers;
Fast our cohorts we recruit,
Treasury notes are powerful pleaders,
We have men enough to shoot,
What we want is stuff for leaders.

By main strength and native grit,
With such guides as Fate has sent us,
We are bound to conquer yet,
Nor can all the fiends prevent us.
But while shining gold we tell
Into soldiers' hands, O readers!
Don't you think it would be well,
Bids to make be able leaders?

Uniforms ready-made at Charles Stokes & Co.'s one-price, under the Continental.
