THE CITY COUNCILS, BEING desirous of substituting the lighting of some of the districts of the suburbs (now lighted by oil) by the use of

GAS,

and extending the same to others that are now destitute, have agreed to make known to the public in general, and in particular to those parties who may be disposed to contract the supply of said fluid, for the public lighting of those districts above indicated, with the understanding that the supply of gas must be abundant and of good quality, in order that those who are desirous of taking charge of said contract may present their proposals at the office of the Secretary of the City Councils, within the term of three months. The City Councils reserves to itself the right to publish opportunely the conditions which are to be observed in the fulfilment of the contract; bearing in mind that the lights are to continue all night, and that a uniform dimension will be given to the burners, so that the same intensity of light will be preserved.

The party to whom the contract may be awarded will be allowed to supply the said fluid to private dwellings, as the privilege is favor of the Spanish Gas Company expired the 20th April, 1859.

TO COUNTRY MERCHANTS PARTICULARLY, AND TO BANKERS AND BUSINESS MEN GENERALLY.

Do you want to be and to feel secure both against Fire and Burglary?

Then buy LILLIE'S WET AND CHILLED IRON FIRE AND BURGLAR-PROOF SAFE. It is much the cheapest, and, indeed, the only really and thoroughly Fire and Burglar Proof Safe made, and much superior to all others as a Fire Proof.

Do you want a Burglar Proof, mainly?

Then buy LILLIE'S WET AND CHILLED IRON BURGLAR PROOF, which is much cheaper, and far stronger than any other, and admirably adapted to the wants of the Merchant, as well as Banker.

Do you want merely a Fire Proof?

LILLIE'S WROUGHT IRON SAFE is warranted fully equal, in all respects, to any of the most approved makers, and is sold at fully one-third less price.

Do you want SECOND-HAND SAFES?

You will find a general assortment of Herring's, Evans & Watson's, and other makers, many of them almost new, which are sold at, and even below auction prices, these Safes having been received daily, in exchange for LILLIE'S WROUGHT AND CHILLED IRON SAFES.

If you want VAULT DOORS and FRAMES that are Burglar Proof, LILLIE'S WROUGHT AND CHILLED IRON are much stronger and far cheaper than any other.

All parties interested are particularly requested to call upon the undersigned, at his Depôt, where he feels fully prepared, like the "Seven Wise Men," to render a satisfactory reason for the truth of the above statements.

E. C. SADLER, Agent,
No. 21 South SEVENTH Street.

P. S.—I have just received four of EVANS & WATSON'S BURGLAR-PROOF SAFES, from the City Bank, in exchange for LILLIE'S, which I will sell at very low prices. se22
