FINANCIAL AND COMMERCIAL.

THE MONEY MARKET.

FEBRUARY 17, 1864.

Business matters were quiet on Third street to-day, and prices are without much change. Gold fluctuated between 150¾@150¾. Governments were steady at yesterday's figures, or a slight advance. The five twenties sold up to 107¾.

The money market is unchanged. Capital continues below into the financial centres from the country, and lenders are getting uneasy. Six per cent. are the ruling figures.

The stock market was variously excited and prices were somewhat irregular. The public are still heavy buyers, and many of the leading securities are selling into strong hands. Reading Coal is in active demand at 7¾@7¾; Big Mountain sold at 8; Green Mountain at 7¼; Middle advanced to 12; Conifer sold at 4¾; Pennsylvania Coal opened at 6, sold down to 5; Oil Creek at 15; Mantua at 7; the reports from this mine are very favorable, and parties talk mysteriously of something extraordinary ahead concerning it; Philadelphia and Boston Copper, a new organization, sold up to 6, to 5 bay, in private hands; Girard, the twin-brother of the Philadelphia and Boston, but slightly older, sold at 7; Penn was largely taken at 9¾; Marquette at 4¾.

Reading shares opened strong at 49¾, closing at 49¾; Philadelphia sold at 86¾; Lehigh at 69¾; North Pennsylvania sold at 36; Pennsylvania at 64; Catawissa preferred at 44; Little Schuylkill at 50¾; Huntingdon and Broad Top at 22; Chester Valley at 54¾; Harrisburg at 57¾; 43 bid for Long Island; Spruce and Pine sold at 12; Second and Third at 31; Ridge Avenue at 30¾; Race and Vine at 2¾.

Schuylkill Navigation closed at 27¾, the preferred at 39¾; Delaware Division at 42¾; Union at 4, the preferred at 7, shares at 30¾. The market was firm at the close, with less inquiry.

The New York Evening Post says:

The loan market is more easy. Capital is so rapidly accumulating that large amounts have once offered on call at 6 per cent., and loans on 7 are being rapidly paid off.

CITY ITEMS.

THE "BARNUM SELF-SEWER" is now attached to *all* the Machines sold by the Florence Sewing Machine Company, at 630 Chestnut street, without extra charge. This admirable arrangement is found to be so important an aid, in using not only the "Florence," but all other machines, that very many of our citizens, who have other machines, are now going to 630 Chestnut street, and securing a "Barnum Self-Sewer," which, at a trifling cost, can be attached to any Sewing Machine in use.

THE BIRTH-DAY OF SHAKESPEARE.—The tercentennial celebration of the birth of Shakespeare will come off in April next. There are various modes proposed for doing honor to his memory, but the most rational is for each admirer of the "Swan" to procure for himself a full new suit at the Brown-stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut street, above Sixth. This, it will be remembered, is the site of "Old Drury."

EVERY SOLDIER SHOULD HAVE THEM.—From R. B. Heintzelman, *Steward 72d Regiment, P. V.*—"Your medicinal preparation (Brown's Bronchial Troches) is certainly valuable to soldiers in the field, and I feel satisfied, if generally adopted at the hospitals, many hopeless nights of the weary soldier would be averted. Our regiment are now testing their qualities, and I believe are all satisfied with their good effects in alleviating those distressing affections of the throat arising from cold and exposure. They are now daily prescribed in our hospital and at the surgeon's morning call." Sold everywhere at 25 cents per box.

WHEN we see so many young men looking so pale we think it's because they can't stand the draft of our severe winters; even ale, they say, turns pale on the second or third draught, but those men that don't sit at all turn pale before the third draft. We would merely hint that uniforms are to be had, ready-made, at Charles Stokes & Co.'s one-price Clothing store, under the Continental, cut by some of the best draughtsmen in the city.

THE POPULAR DOUBLE-TUBE TOBACCO PIPES are fast superseding the old style here as elsewhere. This is because they are really superior in every respect to the single-tube pipes, more luxurious, more economical, and more healthy. None who wish to enjoy tobacco should be a day without one; none ever are without them who have once used them. For sale by dealers generally, and at wholesale rates by the agent of the Tobacco Pipe Company, R. S. Harris, 600 Chestnut st., second floor. fe18-thstust*

NOTICE, PICKWICKIANS!—The Pickwick Club will meet at their usual place of meeting on this (Thursday) evening, to adopt measures for attending the celebration of Washington's birthday in society, and the adoption of badge and motto, viz: "Bello pace animique suorum princeps." Members not uniformed can procure the "Pickwick style" at the great tailoring establishment of Granville Stokes, No. 609 Chestnut street.

"THE EAR: ITS DISEASES AND THEIR TREATMENT."—Messrs. Martin & Randall, publishers, 29 south Sixth street, announce that this great work is now ready for sale. The author, Dr. Von Moschzisker, is well known as one of the greatest and most successful Aurists. The work is intended not only for the medical student, but to be read by every intelligent reader. Those who value hearing, and particularly those who suffer from any malady of the Ear, should peruse this valuable book. fe18-3t*
