ANNUAL TAXES FOR 1864.

The attention of tax-payers is hereby called to the provisions of the United States Excise Law relative to the assessment of annual taxes.

By the sixth section of the act of July 1, 1862, it is made the duty of all persons, partnerships, firms, associations, or corporations, made liable to any annual duty, license, or tax, *on or before the first Monday of May in each year*, to make a list or return to the Assistant Assessor of the District where located of the amount of annual income, the articles or objects charged with a special tax, and the business or occupation liable to pay any license.

Every person who shall fail to make such return by the day specified will be liable to the best information which he can obtain; and in such case the Assessor is required to add fifty per centum to the amount of the items of such list.

Every person who shall deliver to an Assessor any false or fraudulent list or statement, with intent to evade the valuation or enumeration required by law, is subject to a fine of five hundred dollars; and in such case the list will be made out by the Assessor or Assistant Assessor, and from the valuation and enumeration so made there can be no appeal.

Payment of the annual taxes, except those for licenses, will not be demanded until the thirtieth day of June.

The appropriate blanks on which to make return, and all necessary information, will be furnished by John N. Stokes, Stroudsburg, Asst. Assessor for Div. No. 9, composed of Stroudsburg Borough, Stroud, Pocono, Coolbaugh, and Paradise Tsps.; by John Marsh, Fennersville P. O., Asst. Assessor for Div. J. LANTZ, DENTIST,

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.
