HOYT'S HIAWATHA HAIR RESTORATIVE.
HOYT'S HIAWATHA HAIR RESTORATIVE.

In Longfellow's Poem Hiawatha was adjudged to have conferred the greatest boon on his tribe because he brought to its notice *corn*. Every one will admit that if a preparation is worthy of the name, for the benefits it confers when it is known.

WHAT THE HIAWATHA DOES.

It restores faded and gray hair and whiskers to their original color. It brings up the natural shading of one hair with another, thus giving the hair a perfect life appearance, so that the most critical observer cannot detect its use. It makes harsh hair soft and silky, stops its falling out, cleanses it and the scalp from all impurities, is readily applied and wiped from the skin as any hair dressing, and entirely overcomes the bad effects of previous use of preparations containing sulphur, sugar of lead, &c.

The proprietors of the Hiawatha published the following challenge to test in the New York dailies three weeks, which

WAS NEVER ACCEPTED:

Let some well known and disinterested persons appoint one to the proprietor of each preparation for the hair to bring up the color. Every proprietor to use nothing but his own preparation, and the person nothing else during the test. A certificate of the result to be widely published at the expense of the unsuccessful competitors. Sold everywhere. JOSEPH HOYT & CO.,

OBITUARY.

CHRISTIANSON.—In the city of Brooklyn, on Sunday, March 6th, Cecilia Christianson, in the 23d year of her age.

In parting forever on earth with those we have loved, it is well when we can look on the bright side of the picture. It is well when we can say, in our hour of sorrow, when the last and closing hours furnish us with some striking lesson of faith and confidence, that we can impute to us with that faith and confidence which we so much need, to report as in our own pilgrimage to eternity. The death of this lovely and estimable young lady, we see exemplified the power of Divine grace operating upon the soul and enabling it to cast itself upon the blessed promises of the Gospel only, for that forgiveness which repentance and faith alone can purchase. Blest with youth, and gifted by nature with all those intellectual graces which render their possessor so attractive in society, she had every reason to anticipate years of earthly enjoyment. Nay, a few short weeks would have placed her at the altar of hymen and happy bridal! But it was her Maker's will to call her to a bed of sickness, submission to the chastening hand, she yet looks forward to a speedy recovery, and entertained prospects of coming joys. Alas! never to be realized! On the morn ing of her death, while the Sabbath bell were chiming, it became first apparent that her hours were fast hastening to a close, and the intelligence was imparted to her. But its saddness produced no shock nor alarm. With a sublimity of composure and resignation wonderful to behold, she called those around her to her bedside, and left messages of love and parting advice for all her dear friends and youthful companions; after which, with offered expressions of confidence in, and reliance upon the merits of her Saviour, she gently sank into the arms of death, exclaiming to the bridal wreath for the bride, "*Crown of glory* which is incorruptible, undefiled, and which fadeth not away!"

THE GETTYSBURG BATTLE-FIELD MEMORIAL.

AN APPEAL
TO LOYAL PENNSYLVANIANS.

The "GETTYSBURG BATTLE-FIELD MEMORIAL ASSOCIATION" was instituted for the purpose of securing forever the principal points upon the great battle-field of the war, in the exact condition in which they were left in July, 1863, when the rebel hordes or the invader LEE were driven back from the free soil of Pennsylvania, and when the the gallant soldiers of GENERAL MEADE remained in possession of the field which they had won by their valor. The Association have already secured the purchase of CEMETERY HILL, CULP'S HILL, GRANITE SPUR, and ROUND TOP, with the entrenchments thrown up just upon the eve of the great conflict which was the turning point in the career of the rebellion. The field, with its redoubts, wonderful stone defences, its timber breast-works, its forest heights, with the trees torn by shells and countless bullets, and its long lines of earthwork defences, have all been preserved intact, and to so continue to preserve them, as to be a monument forever of the greatest of American battle-fields is the object of the formation of the Association. To enable a large number of persons to join in this patriotic work, the projectors of the plan placed the subscriptions at ten dollars each. The payment of this sum MAKES EACH SUBSCRIBER A MEMBER OF THE ASSOCIATION, AND PART OWNER OF THE GLORIOUS FIELD OF GETTYSBURG.

What Loyal and Patriotic Citizen of Pennsylvania would not gladly embrace the privilege of recording his name upon this roll of honor, and of linking himself directly with the field where the lofty heroism of his countrymen vindicated the integrity of the Union and the principles of Freedom? And who would not desire to hand down as a precious heir-loom to his children the evidence of *his* part in the good work, bearing, as the certificate will, a view of the field which will rank in history with THERMOPYLÆ, MARATHON, and WATERLOO?

There are no salaried officers in this Association, nor are there any objects in view in its creation other than those already stated. The grounds were purchased from their original owners at the exact price to be paid for them by the Association, and the points selected, and the prices to be paid for them, met the unqualified approval of a committee of the HISTORICAL SOCIETY OF PENNSYLVANIA, appointed for the purpose of visiting the field.

The following are the names of the general officers of the Association, and of the Local Committee in Philadelphia:
