In Longfellow's Poem Hiawatha was adjudged to have conferred the greatest boon on his tribe because he brought to its notice corn. Every one will admit that our preparation is worthy of the name, for the benefits it confers when it is known.

WHAT THE HIAWATHA DOES.

It restores faded and gray hair and whiskers to their original color. It brings up the natural shading of one hair with another, thus giving the hair a perfect natural appearance, so that the most critical observer cannot detect its use. It makes harsh hair soft and silky, stops its falling out, cleanses it and the scalp from all impurities, is as readily applied and wiped from the skin as any hair dressing, and entirely overcomes the bad effects of previous use of preparations containing sulphur, sugar of Lead, &c.

The proprietors of the Hiawatha published the following challenge to test in the New York dailies three weeks, which

WAS NEVER ACCEPTED:

Let some well known and disinterested persons appoint one to the proprietor of each preparation for the hair to bring up the color. Every proprietor to use nothing but his own preparation, and the person nothing else during the test. A certificate of the result to be widely published at the expense of the unsuccessful competitors. Sold everywhere JOSEPH HOYT & CO., mh19-1y 10 University Place, New York.

THE GREAT
CENTRAL SANITARY FAIR
COMMITTEE ON LABOR, INCOME, AND REVENUE," Office No. 118 S. SEVENTH St.

This Committee has a special work, to wit, to obtain a day's "labor," a day's "income," and a day's "revenue" from every citizen of the three States of Pennsylvania, New Jersey, and Delaware, for the benefit of our sick and wounded soldiers.

The Committee is now fully organized at the above address, and calls for the co-operation of all classes in this community.

We want to show what the industrial classes can do for their soldiers!

What the people can do in their separate trades!

What Pennsylvania can do!
What New Jersey can do!
What Delaware can do!
What each county can do!
What each city and town can do!
What each profession can do!
What each trade can do!
What each occupation can do!
What each manufactory can do!
What each bank, insurance company, and railroad can do!
What each mine can do!
What each work-shop can do!
What each family can do!
What each woman can do!
What each boy and girl can do!

We want to show the world what American freemen are ready to do for their soldiers

What labor can do, for humanity!

This is a great work and the time is short. The way to do it is to ORGANIZE! Organize in your workshops. In your families. Let the men organize. Let the women organize. Let the trades organize. Organize everywhere. Let the workmen give with their employers the employers with their workmen.

It is easily done. If the workmen will authorize their employers to deduct one day from their week's or month's earnings, the employers will add to it a day of their profits, the whole will be acknowledged together to the credit of the establishment. We say to all, go to work at once with as little ceremony as possible. Hurry forward your contributions. Every acknowledgment will stimulate others to follow your example.

Circulars, with full instructions, will be sent upon application, by mail or otherwise, to the undersigned. To Work! To work!

BOSTON, March 26, 1864.

GENTLEMEN: I have the honor to acknowledge the receipt of your favor of the 21st instant, inviting me to visit Philadelphia and address a public meeting of its citizens. The terms in which you express yourselves of the kindness of my friends in this country towards my liberty, "albeit quite above my merits, are nevertheless welcoming from such a source—truly grateful to my feelings. For though I recognize among the signatures to your letter the names of but few with whom I am personally acquainted, I do not fail to observe those of others whom I know to be held in high esteem by the best people of the land, and whom in consequence I have never been long accustomed to regard with respect and honor.

The estimate which in your kindness you put upon my labors in behalf of this country—were it predicated upon my intentions only—I should say does me no more than justice. I have ever been an admirer of America; American people and American institutions have had for many years my best affections and warmest approval. The language of my heart has often been: "Would to God I could do my own country were as America—*says these bonds.*" And to break these bonds, you will bear me witness, no effort of mine has been wanting. For American's sake, as well as for humanity's, have I, under much reproach, ever labored to this end. Thank God the day of deliverance which we have all sighed for at last at length dawned upon your country! In the added honors which are already clustering around your nation's name, I have a pleasure not exceeded by that of the most loyal of your citizens.

It will afford me great pleasure, gentlemen, to comply with your invitation, and shall be in Philadelphia on Monday, the 4th of April, on my way to Washington, and if it should not suit your convenience to appoint the proposed meeting for that evening, I shall be happy to attend on any subsequent one.

I have the honor to be, gentlemen,
Yours, with great respect,
GEORGE THOMPSON.

THE GREAT CENTRAL FAIR.

STATE OF DELAWARE,
EXECUTIVE DEPARTMENT,
DOVER, March, 1864.

TO THE LOYAL CITIZENS OF DELAWARE.—It is proposed to hold a Great Fair in the city of Philadelphia, in the first week in June next, for the benefit of the Sanitary Commission. The citizens of Delaware have been cordially invited to co-operate with the citizens of Pennsylvania and New Jersey in this patriotic and humane purpose. The regulations added hereto have been adopted with reference to this State, and will exhibit the plan of management and operation.

It is not necessary for me to command this great and good work to the loyal people of Delaware. You have already given with a liberality and labored with a fidelity worthy of all praise. You have been willing and active; and what you have done is the best indication of what you can and will do. "Let every clergyman announce this humane undertaking to his people; let the press give it the widest publicity and the most earnest encouragement; let every factory, workshop, and mill establish a department of the task they can turn out; let all loyal men and women exercise their taste and industry." In this way the result may be an honor to our State, a great comfort to our suffering heroes, and an offering well pleasing to the Almighty, whose blessing and assistance I humbly invoke upon this work of Christian charity.

WILLIAM CANNON.

By the Governor:
SAMUEL M. HARRINGTON, JR.,
Secretary of State.

Gov. Cannon has announced the following general arrangements for the Delaware Department:

1. Executive Committees for Delaware in Philadelphia have been appointed as follows: Hon. Charles Gibbons, chairman; Daniel S. Cummins, Esq., Dr. S. Emerson, B. B. Comegys, Esq., Lindley Smyth, Esq., and F. A. Godwin, Esq.

LADIES' EXECUTIVE COMMITTEE IN PHILADELPHIA.

Mrs. Irvine Shubrick, Miss Elizabeth Phillips, Mrs. George Blight, Mrs. Charles H. Gibbons, Mrs. John K. Findlay, Mrs. John F. James, Mrs. Charles A. Lyman, Mrs. J. B. Moorhead, Mrs. Thomas E. Ashmead, Miss Louisa B. Brady, Miss Anne L. Austin.

Miss Gwin Harris, 1336 Walnut street, has been appointed Directress of the Department of Art, and will receive contributions for that department from Delaware residing in Philadelphia.

2. An Executive Committee of ladies and gentlemen will be appointed, to whom will be entrusted the general management of the Delaware Department.

3. Sub-committees of ladies and gentlemen will be appointed for each department of industry and art, whose business it will be to solicit contributions for the Fair, and to work under the general direction of the Executive Committee, each in its own special branch.

4. All committees for the management of the Delaware Department will be appointed by and from this State.

5. The Delaware Department will be directed and conducted by Delawareans. It will keep its own accounts, and at the close of the Fair, pay over to the Sanitary Commission the profits, which will be credited to the State of Delaware.

6. Arrangements will be made by which the proceeds for tickets of admission sold to Delawareans will be duly credited to this State. These tickets will be sold near each entrance to the Fair, and in Philadelphia, Wilmington, and other places to be hereafter announced. It is earnestly requested that all persons from this State will purchase their tickets at such places as may hereafter be announced by the Delaware Executive Committee, so that the State may have the credit to which it will fairly be entitled.

7. It is earnest'y requested that all persons throughout the State who feel a desire to co-operate in this work, immediately, and until April 1, correspond with the Secretary of State, at Wilmington, and will indicate the committee or committees upon which they can be most efficient as far as practicable their preferences will be recognized.

8. The Committee on "Labor, Incomes and Revenues" will endeavor to obtain the contribution of the proceeds of "one day's labor" from every person willing to give it, and one day's revenue from all corporations, firms, &c., and one day's income from all persons of fortune and from professional men.

9. There is no department of industry or art that may not be used efficiently for the purpose of raising funds for the Sanitary Commission. There is not a man, woman or child, who is willing to aid, who cannot make his or her ability and willingness available. Almost every article of manufacture, ornamental, curious, or use will be acceptable. All varieties of needle-work, goods, food, fancy wares, old documents, books, pamphlets, engravings, caricatures, ornaments, carvings, relics, autographs of distinguished persons (single or bound together), official copies of proclamations, contributions of poetry or prose for the post office or for the Fair newspaper, articles for the soldier or the citizen, drawings, paintings, modeling, leather work, may be contributed. Every mechanic or laborer may contribute some article of his own manufacture, to be marked in his own name, and exhibited and sold at the Fair.

10. All contributions from Delawareans will be made to the appropriate Delaware Committees. Those made within the State will be sent first to the General Headquarters at Wilmington, to be hereafter announced, where they will be properly marked and forwarded.

THE GREAT CENTRAL FAIR.—The undersigned will be at the office as above TO MORROW, from 10 to 4, to furnish information and receive subscriptions.

mh29 lm JOHN W. CLAGHORN, Treasurer.

It may be proper here to state that these subscriptions for one day's "labor" or "income," or one day's "revenue," are to furnish to the valiant seamen of our navy, and the brave soldiers of our armies, DISTINCT SERVICE, those comforts and necessities not supplied by the Government. It may also be proper to suggest that the Committees, Clerks, or men of different institutions, mills, factories, stores, &c., in Pennsylvania and New Jersey, organize the movement in their respective establishments, and present the matter to all those therein engaged, and by getting up a subscription paper, more readily afford each one engaged in the "establishment" an opportunity to contribute to an object so deserving. Let all, according to their means, voluntarily and cheerfully send in their subscriptions.

mh30-3t

Subscriptions and remittances by mail duly received for and acknowledged in the Philadelphia newspapers.

OFFICE OF THE GREAT CENTRAL FAIR FOR THE SANITARY COMMISSION—PHILADELPHIA, 1307 CHESTNUT STREET, March 1864.—The Committee on Finance and Donations of the Great Central Fair appeal for contributions to MONEY to those of their fellow-citizens who do not propose sending to the Fair the products of their skill and industry. By the larger portion of the money received on the occasion of the Fair held for the benefit of the Sanitary Commission in Cincinnati, Boston, and Brooklyn, was derived from direct donations in CASH, and not from the proceeds of the sale of articles exposed. What the Sanitary Commission needs to afford relief to the sick and wounded soldiers is money, in large amounts and from all sources. We call, then, upon all bankers, corporations, capitalists, persons living upon incomes, professional or otherwise; in short, upon all who will not be represented in the Fair by their productions, to initiate the example of those who will, and to contribute liberally in advance for this great object. In New York, although their Fair is not to be held for two weeks, contributions of more than $30,000 in cash have been already received, a single department of trade, that of dry goods, having made up more than half that sum. Brooklyn and Cincinnati have each contributed as much in money, and certainly the wealth, liberality, and patriotism of Philadelphia can hardly be considered as less conspicuous than that of these communities. Contributions will be thankfully received by any of the members of the Committee.

HEADQUARTERS DEPARTMENT OF THE SUSQUEHANNA.

HARRISBURG, Pa., March 24, 1864.
[Extract.]

GENERAL ORDERS NO. 20.

Authority having been granted by the War Department to the Commander-in-Chief of the Department of the Susquehanna, the 1st Battalion "three years' Pennsylvania Volunteers (formerly six months' men), consisting of six companies, mustered into the United States service for three years or during the war, is authorized to recruit to ten companies of the maximum strength.

This Battalion is on Provost duty in this department, and it offers a good opportunity to those persons who have been mustered in service, and have been honorably discharged, to re-enter, and to those of good character who have not been in the service to enter the same. Only those known to the recruiting officers and sergeants authorized to recruit as being reliable and trustworthy will be received, as the nature of the duty this Battalion is called upon to perform is such that it requires soldiers in whom the commanding officers can place confidence.

Persons desiring advantage of the benefits arising from enlistment in this Battalion will receive the bounties paid by Government authorized by existing laws.

The officers must be men who have had some experience in the service, intelligent, active, and of good character, and only those bringing the requisite number of men and possessing the above qualifications will be recommended to the Governor of the State for commissions.

Recruits and persons having squads of recruits will report to Captain GEO. W. MERRICK, 1st Battalion three years' Pa. volunteers, and Recruiting Officer for the same, at HARRISBURG, Pa.

GRAY'S PATENT
MOLDED COLLARS
PERRY & CO.,
303 and 305 CHESTNUT STREET,

Have now been before the public for nearly a year. They are universally pronounced the neatest and best-fitting collars extant.

The topsail represents a perfect cure, free from the angles noticed in all other collars.

The cravat causes no puckers on the inside of the turn-down collar—they are AS SMOOTH INSIDE AS OUTSIDE—and therefore perfectly free and easy to the neck.

The Garotte Collar has a smooth and evenly-finished edge on BOTH SIDES.

These Collars are not simply flat pieces of paper cut in the form of a collar, but are MOLDED AND SHAPED TO FIT THE NECK.

They are made in "Novelty" (or turn-down style), in every half size from 12 to 17 inches, and in "Eureka" (or Garotte), from 13 to 17 inches, and in all odd sizes," in neat blue cartons, containing 100 each; also, in smaller ones of 10 each—the latters very handy package for Travellers, Army and Navy Officers.

EVERY COLLAR is stamped

"GRAY'S PATENT MOLDED COLLAR."
