THE COMMITTEE ON THE WSPENN PARLOR earnestly solicit the co-operation of the citizens of Pennsylvania and the neighboring States to carry out their design of furnishing a room after the style of the days of William Penn, for Exhibition at the GREAT CENTRAL FAIR. It is believed that there are many articles of furniture and household use of the time of that period still to be found, possessing historic interest by association with the prominent families of our first settlers, which, on exhibition, would render such a room highly interesting and attractive, and it is confidently expected that the present holders will rejoice at the opportunity of using them for the Relief of our Suffering Soldiers.

All articles sent for exhibition only will be received for, carefully preserved, and returned to the owners. All articles for sale should be marked with the name of the owner, and have cards attached.

Tables will be spread with articles for sale, for which donations are solicited.

Send to WILLIAM PENN PARLOR COMMITTEE, Great Central Fair, care of A. R. McHEARY, Chairman Receiving Committee.

STARVED UNION PRISONERS.— The condition and appearance of these patriots are thus described by Miss Dix:

"I have just got to the wharf when our flag-of-truce boat, the 'City of New York,' came in, and soon the poor fellows began to land, four hundred and fifty of them from Belle Isle. Such a sight! It was a regiment of skeletons. Most of them had to be carried on stretchers. Several died on the boat as they were being lifted up. Nine died on the wharf, lifting their gratitude to God, that, after all their privations, they were permitted to die under the old flag. A majority were so weak that they could scarcely speak, and in a hundred the brain seemed to be affected. Tired as these as we could learn from the few who could tell the story, they had been carried systematically, they thought, only a meagre scrap of musty bacon being brought to them with water, so that they gradually lost their strength, and became mere skin and bone.

CARD PHOTOGRAPHS OF THE ABOVE,

HEADQUARTERS 30TH REGIMENT P. V. M.—The Field and line Officers of the 30th Regiment P. V. M. will meet at the CUSTOM HOUSE, Chestnut Street, THIS (Saturday) EVENING, 21st inst., at 8 o'clock. Business of importance.
WM. B. THOMAS, Colonel Commanding.

HEADQUARTERS PROVOST MARSHAL FIRST DISTRICT, Pennsylvania.
WHEREAS, it is plainly for the interests of the people of each Ward to have stricken from the list all names improperly enrolled, because an excess of names increases the quota, and it is equally for the interest of each person enrolled to place upon the list all persons liable to do military duty, because the greater the number to be drawn from the less the chances of each individual: therefore,
The Board of Enrolment, upon application, will strike off the names of all persons now over 45 years of age, all who are permanently disabled, all who have served in the military or naval service two years during the present war and been honorably discharged therefrom, and will add to the list of enrolled persons omitted or stricken off who are liable to do military duty, who have served less than two years, and all aliens who have declared their intention of becoming citizens. All other claims for exemption will be disposed of after the draft.
WM. B. LEMAN,
Captain and Provost Marshal.
