GREAT CENTRAL FAIR.—At a meeting of the Executive Committee of New Jersey for the "Great Central Fair," held at Camden on the 20th instant, the following resolution was adopted:

Resolved, That the Committee on Correspondence in New Jersey be appointed, and requested to act as an Executive Committee of Ladies, to take charge of the interests of New Jersey at the Great Central Fair, and that they be requested to add to this committee the names of a suitable number of Ladies residing in New Jersey.

The committee, thus formed, beg to lay before the people of New Jersey the following suggestions, which may tend to advance and simplify their arrangements with regard to the Fair.

New Jersey having, as it now appears, declined to take the charge and responsibility of that portion of the building assigned to her by the Committee on Arrangements in Philadelphia, and preferring to have a separate division assigned to her in each department of the Fair, to which she is prepared to contribute, it only remains for us now to try to conform to this view as well as we can, at the late hour in which the change has been determined upon.

For the purpose of securing as much order as possible under the circumstances, we invite the immediate co-operation of the people of New Jersey, and their attention to the following suggestions:

All articles of Fancy Work to be sent to Mrs. EPHRAIM CLARK, chairman of that Committee, who will assign to them a separate portion of her Department; or, if that is full, a space as near it as possible.

All articles of Refreshment to be forwarded to Miss MARY MCHENRY, chairman of the Committee on Restaurant.

All contributions from the Public Schools will be directed to Mr. EDWARD SHIPPEN, and those from Private Schools to Mrs. P. M. CLAPP, chairman of the respective committees.

All other contributions will be sent to the chairman of the department to which they in kind belong, with a similar understanding with regard to their particular assignment to New Jersey.

Every box or package to be distinctly labelled "NEW JERSEY," and the articles to be marked at their estimated value.

If this direction is not observed inevitable confusion will ensue. As the New Jersey tables will be raised on by ladies from that State, all who wish to undertake this duty, will please forward their names and residences as soon as possible to the chairman of this committee.

This had better be done in a list from each neighborhood. The ladies will serve at the tables in rotation, wearing a uniform of black skirt and white waist, or black dress only.

The price of Season Tickets for Members of Committees and their Aids is ($8) three dollars.

As the Fair is to be opened on the 7th of June, prompt action is absolutely necessary. We are ready now to receive the contributions, and shall be glad to co-operate with the contributors in carrying out their wishes and arrangements in any way we can.

A letter addressed to any member of this committee will receive due attention. Mrs. P. M. CLAPP, Chairman of the Ladies' Executive Committee for New Jersey.

HEADQUARTERS PROVOST MARSHAL'S OFFICE, SECOND DISTRICT OF PENNSYLVANIA, No. 256 South Twelfth street.

Whereas, It is for the interest of the people of each ward to have stricken from the list all names improperly enrolled, because an excess of names increases the quota; it is equally for the interest of each person enrolled in a given ward to have placed upon the list all persons liable to do military duty, because the sooner the number to be drawn from, the less the chance of each individual to be drawn.

The Board of Enrolment will be in session daily, to strike from the list all persons not liable to military duty, and to enroll all persons whose names may have been omitted, all persons who shall have arrived at the age of *Twenty* (20) before the draft, all persons discharged from the military or naval service of the United States who have not been in service two years during the present war, and all *aliens* who shall have declared their intentions to become citizens of the United States or who have held office under the General Government.

It is hoped that the people will take such interest in this matter as will enable the Board to make a complete enrolment. EDWIN PALMER,
my24-tf Capt. and Provost Marshal Second Dist., Pa.

HEADQUARTERS PROVOST MARSHAL, FOURTH DISTRICT, PA., S. E. corner of BROAD and SPRING GARDEN Streets.

In order to have the Enrolment List revised, the BOARD OF ENROLMENT will, upon application at these Headquarters, strike off the names of all persons now over forty-five years of age, all who are permanently disabled, and those who have served in the Military or Naval Service two years during the present war, and been honorably discharged therefrom, and will add to the list all who have arrived at the age of twenty years, all aliens who have declared their intention of becoming Citizens. Citizens who may be cognizant of persons not having been enrolled, are requested to notify the BOARD OF ENROLMENT, in order that the facts may be ascertained, and such persons placed upon the List. It is for the interests of the Citizens of each Ward to have stricken from the Lists all names improperly placed on it, as it is equally for the interest of each person enrolled to have placed upon the List all persons liable to Military Duty, so that his own chance for Draft shall not be unjustly increased.
