The Passenger Railroads.

To the Editor of The Press:

SIR: The directors of the Race and Vine-street city railway have taken another step forward in the game of extortion, judging from an incident which occurred yesterday afternoon. This company issues twenty tickets for $1, each good for a ride, and each rated at five cents.

On car No. 22, Reinhart, conductor, I presented two tickets, value ten cents, requesting an exchange ticket. This was given, but the one cent change was withheld. Remonstrance elicited but one reply: "Such are the orders of the Company." Now, Mr. Editor, how long are we to submit quietly to such illegal annoyances? A gentleman, witness of the above transaction, kindly gave me his address, and is willing to co-operate in any measure that may be taken "pro bono publico." Will you also kindly lend your influence by publishing this statement, and suggesting the proper course to pursue to put an end to this odious imposition?

Yours, very truly, C. P. T.

PHILADELPHIA, June 28, 1864.

To the Editor of The Press:

SIR: As the subject of "imposition of the passenger railways" has been frequently spoken of by you, I desire to make a few suggestions if you will grant me space in your admirable paper. Cannot they be limited to twenty passengers (ten on each side), by some legislation, instead of crowding the cars as they now do? Are they not obliged by their charters to place hanging every one hundred feet, to accommodate passengers getting out above or below corner crossings? and to keep their cars in good condition, instead of sashes bound fast, glass out, platforms shackling and unsafe in a crowded condition, as they now run. &c., &c.? As they are intended for public convenience, let us have it in every way.

Respectfully yours, JUSTICE.

CITY ITEMS.

THE PRIZE BONNET.—We give in the proper column the result of the voting on the magnificent prize bonnet at the Sanitary Fair. We can safely say that there were few things in the Fair which, for neatness and finish, were more admired than this elegant bonnet. Messrs. Wood & Cary, who contributed it, displayed a style of taste which did them the highest credit. Mrs. Gen. Burnside was the fair winner of the prize, and we hope she may long live to enjoy so beautiful and tasteful a gift.

THE GREAT EXHIBITION AT LOGAN SQUARE is fast drawing to a close, and among its thousand pleasing memories we trust it will be one of lasting interest, that we have awakened by the "*Florence*" Sewing Machines there displayed, especially to those who visited the *Florence* Warerooms, 630 Chestnut, and secured machines. Everybody is delighted with the manner in which this splendid instrument operates. Every one is sold with a guarantee to give perfect satisfaction or the money is to be refunded to the purchaser.

THE WARM WEATHER precipitated upon us took many of our citizens by surprise, and found them unprepared. The result has been to send a perfect stream of customers to the popular old house of Messrs. O. Somers & Son, 625 Chestnut street, under Jayne's Hall, for their elegant new styles of summer clothing, which they are selling at lower prices by a handsome percentage than any other first-class establishment in the city.

THE "PRIZE-MEDAL" SHIRT, invented by Mr. John F. Taggart, and sold by Mr. George Grant, 610 Chestnut street, is, without exception, the best in fit, comfort, beauty, and durability. His stock of Gentlemen's Furnishing Goods, of his own exclusive manufacture and importation, is also the choicest in the city, and his prices are moderate.

THE COMING FOURTH.—To some extent the time intervening between this and the Fourth of July will be devoted to the celebration of that glorious anniversary. Some time will also be devoted to a scarcely less important purpose—viz: the laying in of winter Coal from the yard of W. W. Alter, 935 North Ninth street. He sells the best and cheapest coal in the city.

DELICIOUS CONFECTIONS FOR THE COUNTRY.—To all of our readers who are about preparing to leave the city, we would say go to Vansant's, Ninth and Chestnut, and secure a supply of his delicious Confections and Fruit preparations. You will find them the most delightful luxury during your absence from the city. Try it.

PRICES REDUCED TO COST of all Messrs. Wood & Cary's (725 Chestnut street) splendid stock of Hats and Bonnets for ladies and misses, including their exquisite *Pot Pourri* Turban and English Walking Hat.

A THING OF BEAUTY IS A JOY FOREVER.—In a novel at a seaside library, this passage was marked and much thumbed: "There is no object so beautiful as a conscientious young man—what else can do a star in heaven." "That is my view exactly," sighed Miss Araminta Spriggins, as she laid down the volume. "In fact, I think there's nothing so beautiful as a young man, even if he ain't conscientious," particularly if he has gumption enough to make an elegant appearance by getting his wearing apparel at the Brown Stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut street, above Sixth.

WHEN DR. JOHNSON asked the Widow Porter to be his wife, he told her candidly that he was of mean extraction, that he had no money, and that he had an uncle hanged. The widow replied, that she cared nothing for his parentage, that she had no money herself, and though she had not a relation hanged, she had fifty who deserved hanging. So they made a match of it. The widow and the doctor were sensible people, and would, no doubt, were they alive, recommend all similarly situated to purchase their wedding suits at the fashionable emporium of Granville Stokes, No. 609 Chestnut street.

THE GREATEST *bore* in the Sanitary Fair is the Rodman gun, the twenty-incher, in the "Arms and Trophies" Department, and we would consider the drawback of the trigger of that gun one of the greatest *drawbacks* in the war. The above gloomy puns are induced by the excessive heat of the weather, notwithstanding we were glad the coolest of suits, from the establishment of Charles Stokes & Co., under the Continental; we would not have made such a remark in our *cooler moments*.

A CONVENIENCE TO EVERYBODY.—The patent Pocket-Book and Currency Holder combined, manufactured by Mason & Hughes, No. 44 North Sixth street, is the most convenient and durable pocket-book ever invented. It is compact and admirably arranged, holding the largest quantity of notes in the smallest bulk. The advantage of it can be seen at a glance. Every person needs one of these convenient little receptacles, and retail dealers would do well to keep up a supply. 1t

THE UNPARALLELED SUCCESS which, for twenty-five years, has attended the use of Jayne's Alterative, enables the proprietors to recommend it to the afflicted with entire confidence, believing that it will effectually eradicate from the human system the diseases for which it is designed more promptly and thoroughly than any other remedy of its class. It has been found particularly beneficial in

CANCER AND CANCEROUS AFFECTIONS of all kinds, curing a majority of the cases in which it has been used, and oftimes after the failure of other remedies.

GOITRE, OR SWELLED NECK.—In innumerable cases of this disease in which Jayne's Alterative has been perseveringly used it has never been known to fail. All have been cured who have continued its use according to directions.

DROPSY AND DROPSICAL SWELLINGS.—Many physicians who have used the Alterative in diseases of this nature consider it a specific, so great has been its success. It acts by increasing the powers of digestion, exciting the absorbents into healthy exercise, whereby the water or calcareous depositions and all unnatural enlargements are reduced.

EPILEPSY, FITS, CONVULSIONS, are usually considered incurable, and yet experience has proved that the Alterative, in conjunction with the Sanative Pills, will cure a majority of cases. It should be tried, therefore, by all who are subject to these terrible afflictions.

SCROFULA.—In all the forms of this disease, whether in that of Ulcerations of the flesh and Bones, Enlargement of the Joints, Glands, Swellings, Eruptions, Tumors, &c., the Alterative has been found pre-eminently successful. It enters into and circulates with the blood, thus destroying the virus or poisonous principle from which these diseases originate.

SKIN DISEASES, of all kinds, Scald Head, Tetter, Salt Rheum, Ring Worm, Boils, Pimples, Blotches, Roughness of the Skin, &c., are readily cured by the Alterative.

RHEUMATISM AND NEURALGIA.—In chronic cases, this Alterative, if perseveringly used, is generally successful. In Acute Rheumatism, Jayne's Liniment should be applied in connection, according to directions.

COMPLICATED AND MIXED DISEASES, Nervous Affections, Diseases of the Heart, Dyspepsia, Liver Complaint, Constitutional Diseases, and diseases originating from a depraved or imperfect state of the blood, are all cured by Jayne's Alterative, and while it is a fault in many medicines that, when they are removing the disease they are also prostrating the patient beyond recovery, the Alterative has no such drawback. While neutralizing the virus of disease at its very source, it sustains the strength of the sufferer. *The union of Disinfectant, Tonic, and Deobstruent properties in this medicine, and the fact that all these influences are blended harmoniously in its operation, distinguish it from all other preparations.* Let the afflicted give it a trial.

Prepared only by Dr. D. Jayne & Son, No. 242 Chestnut street. je27-mw2t

MR. JOSEPH H. THOMPSON, as will be seen by his card in to-day's paper, has commenced business on the whirl as a shipping and commission merchant. He merits success, and will no doubt achieve it.

THE HANDSOMEST ASSORTMENT OF STRAW, FELT, and other Hats can be purchased of Charles Oakford & Sons, 834 and 836 Chestnut street—Continental Hotel.

SALE OF BOOKS AND PAINTINGS.—Messrs. Birch & Son, No. 914 Chestnut street, will sell this morning, at 10 o'clock, a private Library of Miscellaneous Books, and at 11 o'clock a collection of elegant Paintings richly framed.

ATTENTION is invited to the advertisement of the line of steamers leaving New York for New Haven, Hartford, and Springfield. The boats are fitted up in the finest style, and the trip is one of the most delightful at this season of the year.

CRAMPS, COLIC, CHOLERA, SUMMER COMPLAINT, Dysentery, Diarrhœa, and all affections of the bowels are cured promptly and effectually by Dr. D. Jayne's Carminative Balsam. Being pleasant to the taste, it is readily taken by children, and having maintained its popularity for over thirty years, the proprietors confidently recommend it as a standard household remedy. *Prepared only at 242 Chestnut street.* je27-mw2t

A SPLENDID ASSORTMENT of misses', childrens' and boys' hats, at reduced prices, can be purchased of Charles Oakford & Sons, 834 and 836 Chestnut street, Continental Hotel.

DR. JAYNE'S EXPECTORANT is a certain, safe, and prompt remedy for Coughs, Colds, and all Pulmonary Complaints. je27-mw2t

MORE TESTIMONY IN ITS FAVOR.

Dr. ISAAC S. MILLER, West Brecknock, Pa., writes: As a restorer of gray hair and preventive of baldness, it is the best remedy I have ever sold, and gives entire satisfaction to all.

In Longfellow's Poem Hiawatha was adjudged to have conferred the greatest boon on his tribe because he brought to its notice corn. Every one will admit that our preparation is worthy of its name, for the benefits it confers when it is known.

WHAT THE HIAWATHA DOES.

It restores faded and gray hair and whiskers to their original color. It brings up the natural shading of one hair with another, thus giving the hair a perfect life appearance, so that the most critical observer cannot detect its use. It makes harsh hair soft and silky, stops its falling out, cleanses it and the scalp from all impurities, is as readily applied and wiped from the skin as any hair dressing, and entirely overcomes the bad effects of previous use of preparations containing sulphur, sugar of lead, &c.

The proprietors of the Hiawatha published the following challenge to test in the New York dailies three weeks, which

WAS NEVER ACCEPTED:

Let some well known and disinterested persons appoint one to the proprietor of such preparation for the hair to bring up the color. Every proprietor to use nothing but his own preparation, and the person nothing also during the test. A certificate of the result to be widely published at the expense of the unsuccessful competitors. Sold everywhere.

NEW YORK, April 15, 1864.

We respectfully invite your attention to and consideration of the justly celebrated and reliable remedy for Dyspepsia, Heartburn, Debility, and Prostration. The proprietors are proud to acknowledge the unparalleled success which has attended the sale of their valuable preparation, known in nearly every portion of the civilized world as the "GOLDEN BITTERS."

We risk nothing when we term them a *valuable preparation*, for they are one of the few articles of the present day which are not a humbug; and we are willing and able to satisfy any person or persons who will call upon us, that the celebrated "Golden Bitters" are a genuine *home hygienic article*. It is the wish of the proprietors that the virtues of the article be tested *before condemning*. A decision of their merits by anyone who has tried them is worth a million of purchased bogus testimonials. For creating a healthy APPETITE they are unrivalled, and are unequalled as a TONIC. They are mild in their action, and operate in giving *vigor* and *strength* to the system—not by any change they produce in the solids, but through the medium of the living principle. They are purely VEGETABLE, being composed of Gentian Root, Calamus, Sassafras, and many other remedial agents of the Vegetable world, all preserved in Jamaica Rum and Sherry Wine.

AS A BEVERAGE

they are the most *wholesome, invigorating*, and *palatable* stimulant ever offered to the public. And the fact of their being prepared chemically and scientifically precludes the possibility of a bitter, unpleasant taste, common to Bitters generally offered for sale. We especially recommend them to LADIES, and particularly to those suffering from Debility, Weakness, and Prostration. Half a wine glass of these "Bitters" three or four times a day will produce a remarkable healthy change in persons greatly debilitated. The "Golden Bitters" have been tried and not found wanting. They are put up in our own *patent* quart bottles, and for sale by Druggists, Grocers, &c., throughout the world. Each bottle bears a *fac simile* of the signature of Dr. Isbel & Co. GEO. C.
