THE SALAMANDER SAFES OF PHILADELPHIA AGAINST THE WORLD.

EVANS & WATSON,

No. 432 Soutch Fourth St., Philadelphia.

Have had the surest demonstration in the following Certificates, that their manufacture of Safes has never been made of them which has undoubted security within the terrific element:

PHILADELPHIA, April 12th 1856

Messrs. Evans & Watson:—Gents:—It affords us the highest satisfaction to state to you, that owing to the very superior qualities of two of the Salamander Safes which we purchased of you some few months since, we saved a large portion of our Jewelry, Books, Papers, &c., exposed to the calamitous fire in Ranstead Place, on the morning of the 11th inst.

When we reflect that these Safes were located in the fourth story of the building we occupied, and that they fell subsequently into a heap of burning ruins, where the vast concentration of heat caused the iron plates to melt, we cannot but regard the preservation of the valuable contents as most convincing proof of the great security afforded by your Safes.

We shall take much pleasure in recommending them to men of business as a sure reliance against fire.

GEORGE W. SIMONS & BRO.

PHILADELPHIA, April 12, 1856.

Messrs. Evans & Watson:—I have to offer you my testimony in favor of the great security afforded to my entire stock of jewelry, books, papers &c., during the recent disastrous conflagration in Ranstead place, from the fact that the same were contained in two of the Salamander Safes manufactured by you.

Having fallen from the fifth story of the Artisan Building, where they were previously placed and exposed to a vast heat for a long time, the preservation of the valuable deposits seemed to every one who witnessed the opening and interior examination, a matter of profound astonishment.

To all who may require a perfect protection from the ravages of fire, I shall not hesitate to recommend the use of your Safes, as I consider they have now undergone the most trying test.

N. E. MAGAN.

PHILADELPHIA, April 14, 1856.

Messrs Evans & Watson—Gentlemen—No doubt you will be deeply gratified to learn the good condition in which I discovered my book, policy of insurance, certificates of stock, and other valuable documents, when on Friday last I opened the safe made by your firm.

With my knowledge of its great exposure, both to the intensity of the heat from so hot a fire as that which destroyed the Artisan Building, as also from the force of the fall from its former elevated position in the third story, I could entertain but slender hopes prior to its interior inspection, that the contents which I more so highly prized would ever be of any service to me, but as these fears are now happily removed, I feel it only due to say to you that I can henceforth recommend the use of your Safes to all who may wish to feel a confidence in the perfect security which such means provides against so frightful an element.

A MARVELLOUS REMEDY!

FOR A MARVELLOUS AGE!!

HOLLOWAY'S OINTMENT.

THE GRAND EXTEREAL REMEDY.

By the aid of a microscopic, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the heart, Inflammation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every house-wife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, SALT RHEUM AND SCORBUTIC HUMORS.

No remedy has ever done so much for the cure of diseases of the Skin whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence. The inventor has travelled over many parts of globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumors. Professor Holloway has, by command of the Allied Governments, dispatched to the hospitals of the East, large shipments of this Ointment, to be used under the direction of the Medical Staff, in the worst cases of wounds. It will cure any ulcer glandular swelling, stiffness or contraction of the joints, even of 20 years' standing

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed over the parts affected and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:

Bunions	Lumbago	Sore Legs	Swelled Glands
Burns	Mercurial	Sore Breasts	Stiff Joints
Chapped Hands	Eruptions	Sore Heads	Ulcers
Chilblains	Piles	Sore Throats	Venereal Sores
