UDOLPHO WOLFE'S
AROMATIC
SCHIEDAM SCHNAPPS
A SUPERLATIVE
TONIC, DIURETIC, ANTI DYSPEPTIC
AND
INVIGORATING CORDIAL

To the Citizens of New Jersey & Pennsylvania.

Apothecaries, Druggists, Grocers and Private Families

Wolfe's Pure Cognac Brandy.
Wolfe's Pure Madeira, Sherry and Port Wine.
Wolfe's Pure Jamaica and St. Croix Rum.
Wolfe's Pure Scotch and Irish Whisky.

ALL IN BOTTLES.

I beg leave to call the attention of the citizens of the United State to the above Wines and Liquors, imported by Udolpho Wolfe, of New York, whose name is familiar in every part of this country for the purity of his celebrated Schiedam Schnapps. Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liquors, says: "I will stake my reputation as a man, my standing as a merchant of thirty years's residence in the City of New York, that all the Brandy and Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser! Every bottle has the proprietor's name on the wax, and a fac-simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves The public are respectfully invited to call and examine for themselves For sale at Retail by all Apothecaries and Grocers in Philadelphia.

George H. Ashton, No. 832 Market st., Phil'a.

Read the following from the New York Courier:

Enormous Brandies for one New York Merchant—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit Udolpho Wolfe's extensive warehouse, Nos. 19, 20 and 22, Beaver street, and Nos. 17, 19 and 21, Marketfield street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some one thousand cases—Vintages of 1836 to 1856; and ten thousand cases of Madeira, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wine &c., in casks, under Custom-House key, ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves and replace it with Wolfe's pure Wines and Liquors

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness.

EVANS & WATSON'S
Salamander Safes.
No. 304 Chesnut Street, above Third.
PHILADELPHIA,

Philadelphia, Sept. 29, 1859.

To the President of the Pennsylvania Agricultural Society:

The subscribers, your committee to examine the contents of a SALAMANDER SAFE of Evans & Watson, after being exposed to a strong fire on the fair grounds for eight hours, respectfully represent—

That, after seven cords of oak wood and three of pine had been consumed around the safe, it was opened, in the presence of the committee, and the contents taken out, a little warmed, but not even scorched.

Several Silver Medals, heretofore received by the manufacturers, and a large quantity of documents, were in the safe, and came out entirely uninjured.

The experiment satisfied us of the capacity of Safes of this kind to protect contents from any fire to which they may be exposed.

The Committee awarded a Diploma and Silver Medal.

STILL ANOTHER.

Wilmington, Sept. 17, 1859.—Messrs. Evans & Watson, Philadelphia

Gentlemen:—The Salamander Fire-Proof Safe of your manufacture, purchased by us from your Agent, Ferris and Garrett, of our city, some nine months ago, was severely tried by burglars last Saturday night, and although they had a sledge hammer, cold chisels, and gunpowder, they did not succeed in opening the Safe. The lock being one of "Hall's Patent Powder-proof," they could not get the powder into it, but drilled a hole in the lower panel and forced in a large charge, which was ignited, and although the door, inside and out, showed the explosion not to have been a small one, it was not forced open. We suppose they were the greater part of the night at work on it. We are much gratified at the result of tee attempt to enter it, and if the above facts are of any service, you are at liberty to use them.

Yours, truly,
BAYNARD & JONES.

Great Fire!—Another Triumph!!

Knoxville, Tennessee, March 13th, 1859.

Messrs Evans and Watson,—Gentlemen—It affords me great pleasure to say to you that the Salamander Safe, which I purchased of you in February, 1858, proved to be what you recommended it—a sure protection from fire My storehouse, together with several others, was burned to the ground in March last. The Safe fell through into the cellar, and was exposed to intense heat for six or eight hours, and when it was taken from the ruins and opened all its contents where found to be in a perfect state, the books and the papers not being injured any whatever. I can cheerfully recommend your Safes to the community, believing, as I do, that they are as near fire-proof as it is possible for any Safe to be made.

☞ A large assortment of the above SAFES always on hand, at 304 Chesnut street, (late 21 South Fourth st., Philadelphia.

HOSTETTER'S
STOMACH BITTERS.

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able so to regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has introduced to this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels,
