THE DEMAND for Oil Stocks that lie on Sugar Creek and its immediate vicinity is increasing every day. Sugar Creek sold yesterday as high as $24 per share, and Sugar Dale advanced $4 per share. We cannot see why the Ashland, whose lands, or over one hundred acres, are in the immediate proximity to those of the fortunate Sugar Creek Company above referred to, should not advance from $8 to $5 per share within the next thirty days. In addition to property adjacent to Sugar Creek Company, the Ashland owns some three hundred and thirty acres of good oil land in Warren county, in fee, with good producing wells on the adjoining property, which they intend to develop immediately. Besides, they have authorized their superintendent to arrange for the leasing and sinking from fifteen to twenty wells on their lands adjoining the Sugar Creek Company. The stock can be had at the original price, one dollar per share, by applying immediately to Harper, Durney, & Co., 55 South Third street.

THE OLDEST MAN IN THE WORLD.—The oldest man in the world is now living in Wisconsin. His name is Joseph Crele, and his age is one hundred and thirty-nine years. He has lived in Wisconsin more than a century, and was first married in New Orleans, one hundred and nine years ago. His eyesight continues good, and he reads with great pleasure the daily notices of the elegant wearing apparel made at the Brown Stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut street, above Sixth.

MARCH, when it comes in like a lamb, is said to go out like a lion. The weather, so far, has been mild, but the people have been fierce; for those who are drafted particularly don't welcome the *March* that is before them. An early *spring* to the ranks is not just now to their liking, many preferring a backward March. From present appearances they will not get *down* to the front in time to show their soldier clothes; the war will be over, and they can treat themselves to new spring suits of citizens' clothes at Charles Stokes & Co.'s "One-price," under the Continental.

THE OFFENCE IS RANK.—We hold it inexcusable in any person, male or female, when they subject us to an annoyance which a very little trouble on their part would obviate. Especially is this the case where the unfortunate possessor of bad breath will persist in button-holding and intruding his views upon us, to our manifest mental and physical discomfort. If these good people would use the Sozodont it would not only render them acceptable acquaintances, but would at once greatly improve their teeth and breath. Sold by all druggists. fe27-mw3t

THE HAIR—"It's the robe which curious Nature weaves to hang upon the head."

The young, who would keep their "wealth of hair," the middle-aged, who would preserve it in its pristine vigor and beauty, those who are losing it—all should call on Dr. Ayling, 1338 Chestnut street. His consultations are without charge.
