Medical.

BALTIMORE LOCK HOSPITAL

DR. JOHNSTON,

Physician of this celebrated Institution, has discovered the most certain, speedy, pleasant and effectual remedy in the world for all

DISEASES OF IMPRUDENCE.

Weakness of the Back or Limbs, Strictures, Affections of Kidneys and Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsy, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of Liver, Lungs, Stomach or Bowels—these terrible Disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes of anticipations, rendering marriage, &c., impossible.

YOUNG MEN

especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married Persons or Young Men contemplating marriage, aware of Physical Weakness, (Loss of Procreative Power—Impotency), Nervous Excitability, Palpitation, Organic Weakness, Nervous Debility, or any other Disqualification, speedily relieved.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS,

Impotency, Loss of Power, immediately Cured and full Vigor Restored.

This Distressing Affection—which renders Life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death.

A CURE WARRANTED IN TWO DAYS.

Persons ruined in health by unlearned pretenders who keep them trifling month after month, taking poisonous and injurious compounds, should apply immediately.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, Graduated from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Back and Head, Dimness of sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsy, Nervous Irritability, Derangement of Digestive Functions, General Debility, Symptoms of Consumption, &c.

Mentally—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of spirits, Evil-Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are slightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection, that the happiness of another becomes blighted with our ruin.

A CERTAIN DISEASE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, discased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful suffering, by sending him to "that Undiscovered Country from whence no traveller returns."

It is a melancholy fact that thousands DIE victims to this terrible disease, through falling into the hands of ignorant or unskillful PRETENDERS, who, by the use of that deadly Poison, Mercury, &c., destroy the constitution, and incapable of curing, keep the unhappy sufferer month after month taking their noxious or injurious compounds, and instead of being restored to a renewal of Life Vigor and Happiness, in despair leaves him with ruined Health to sigh over his galling disappointment.

To such, therefore, Dr. Johnston pledges himself to preserve the most Inviolable Secrecy, and from his extensive practice and observations in the great Hospitals of Europe, and the first in this country, viz: England, France, Philadelphia and elsewhere, is enabled to offer the most certain, speedy and effectual remedy in the world for all diseases of impurity.

DR. JOHNSTON,

OFFICE, NO. 7, S. FREDERICK STREET, BALTIMORE, M. D.

Left hand side going from Baltimore street, a few doors from the corner. Full not to observe name and number.

☞ No letters received unless postpaid and containing a stamp to be used on the reply. Persons writing should state age, and send a portion of advertisement describing symptoms.

There are so many Paltry, Boasting and Worthless Impostors advertising themselves as Physicians, trifling with and ruining the health of all who unfortunately fall into their power, that Dr. Johnston deems it necessary to say emphatically to those unacquainted with his reputation that his Certificates or Diplomas always hung in his office.

ENDORSEMENT OF THE PRESS.

The many thousands cured at this Establishment, year after year, and the numerous important Surgical Operations performed by Dr. Johnston, which have been recorded in the press and many other papers, copies of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted. Rain distance speedily cured.

NOTICE is hereby given that application will be made at the next session (1871) of the Legislature of the State of Pennsylvania for the incorporation of a bank, under the name, style and title of "The Lockport Union Savings Bank," to be located at Sunbury, Northumberland county, Pa., with cash premium and profits, and for such other rights as usually granted to institutions of this character with a capital of $50,000, and with the privilege of increasing the same, by a vote of the stockholders, to $100,000.

POMPFRET MANOR CEMETERY COMPANY.

This company is now prepared to sell lots in the new Cemetery, located on an eminence about one-fourth of a mile east of Sunbury. The increase of the population of Sunbury, and consequent advance in the ratio of mortality, as well as the limited facilities for the interment of those who have fought life's battle, have suggested the organization of the above named company.

Plan of Cemetery may be seen at the office of J. A. Cake, Esq., or Lloyd T. Rohrbach.

Price of lots from $5 to $15, according to location.

Deeds will be executed for lots sold.

FARM FOR SALE.

THE undersigned having a larger tract of land (over 200 acres) than can be properly cultivated in one farm, largely devoted to tracking, offers for sale about one 100 acres, embracing the whole of the old Persing farm, together with a part of the Guldin farm.

The natural advantages of the part offered for sale, are in all respects equal for gardening purposes, to those of the part reserved. My own gardening for the past two seasons has been chiefly done upon it.

There are many good farmers in this county barely making a living at ordinary grain farming, who might greatly advance their interests by giving some attention to tracking upon a farm so well adapted to the business as the one now offered, and so convenient to one of the very best markets in the State. Terms reasonable. For particulars inquire of, or address

Manhood: How Lost, How Restored.

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of Spermatorrhœa, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc; also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.

☞ Price, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.

Sent under seal, in a plain envelope, to any address, postpaid, on receipt of six cents, or two post stamps.

GAS CHEAPER THAN KEROSENE.

OFFICE OF THE SUNBURY GAS COMPANY,
October 2d, 1871.

TO THE CITIZENS:—Recent investigations demonstrate that Gas of 14 Candles quality, can be sold at $2.00 per 1000 cubic feet. The Directors of the Sunbury Gas Company have determined to adopt that price and 14 Candles as the standard of quality. This fixes the price of a 14 Candle burner at one cent an hour, or one-third less than Philadelphia gas.

A Kerosene lamp gives a light of seven to ten candles only—therefore, gas at the above price is much cheaper than kerosene, without considering cost of chimneys and liability to accident. Let all come forward and become gas consumers. Make your applications for service pipes and fittings at once, as the season for introducing them is drawing to a close.

BY ORDER OF THE BOARD OF DIRECTORS.

TERMS.

The contractors for the Works will introduce pipes upon the following terms. Service pipes at 50 cents per running foot, measuring from centre of street. Upon Market Square, twenty dollars for entire service.

Interior fittings at 15 cents per running foot, in new buildings; 15 cents per running foot over plaster, and 20 cents per running foot under floors.

Chandeliers, Pendants and other fixtures for sale at new York and Philadelphia prices.

SUNNYSIDE HEATER.

SUNNYSIDE AT MARYLAND STATE FAIR, BALTIMORE.—First premium for Fire-place Heaters awarded the Sunnyside.

Advantages of the Sunnyside:

1. It is so constructed that one-third more of the radiating surface extends into the room, giving that much more additional heat without extra fuel.

2. It is the only Hot-Air Fire-place Heater in the market. Like the regular built cellar heater, it loses no heat, but confines it all to its legitimate purposes.

3. The fuel magazine is double the usual size, extending from the fire-box to the top of the stove, with capacity for twenty-four hours' supply of coal.

4. The patent double cover for coal magazine consumes the gas, prevents escape of gas into the room, and makes it impossible for any puffings or explosions to occur. This is an advantage possessed by no other fire-place stove in the market.

5. There are three air chambers, wherein a brisk circulation is kept up, drawing the cold air in the room through heated flues into a large hot-air reservoir, at the back of the stove.

6. No side pipes are used, as the air is heated in a reservoir having double radiating flues and double back, supplying large quantities of hot air without waste of heat or fuel.

7. The SUNNYSIDE utilizes the waste heat so thoroughly that we frequently heat an adjoining room on the first, besides heating the rooms in second and third stories.

8. A damper on top of the stove, connected with the hot air flues, controls the quantity of hot air required for the use of either the upper or lower rooms. All other fire-place stoves are very inconvenient in this respect.

9. The Grate is self-scaling, and no dust can escape while shaking it.
