This Instrument is especially designed for the perfect application of

DR. SAGE'S CATARRH REMEDY.

It is the only form of instrument yet invented with which fluid medicine can be carried *high up* and *perfectly applied* to all parts of the affected nasal passages, and the chambers or cavities communicating therewith, in which sores and ulcers frequently exist, and from which the catarrhal discharge generally proceeds. The want of success in treating Catarrh heretofore has arisen largely from the impossibility of applying remedies to these cavities and chambers by any of the ordinary methods. This obstacle in the way of effecting cures is entirely overcome by the invention of the Douche. In using this instrument, the Fluid is carried by its own weight) no snuffing, forcing or pumping being required,) up one nostril in a full gently flowing stream to the highest portion of the nasal passages, passes into and thoroughly cleanses all the tubes and chambers connected therewith, and flows out of the opposite nostril. Its use is pleasant and so simple that a child can understand it. **Full and explicit directions** accompany each instrument. When used with this Instrument, Dr. Sage's Catarrh Remedy cures recent attacks of "**Cold in the Head**" by a few applications.

Symptoms of Catarrh. Frequent headache, discharge falling into throat, sometimes profuse, watery, thick mucus, purulent, offensive, &c. In others a dryness, dry, watery, weak or inflamed eyes, stopping up or obstruction of nasal passages, ringing in ears, deafness, hawking and coughing to clear throat, ulcerations, scabs from ulcers, voice altered, nasal twang, offensive breath, impaired or total deprivation of sense of smell and taste, dizziness, mental depression, loss of appetite, indigestion, enlarged tonsils, tickling cough, &c. Only a few of these symptoms are likely to be present in any case at one time.

Dr. Sage's Catarrh Remedy, when used with **Dr. Pierce's Nasal Douche,** and accompanied with the constitutional treatment which is recommended in the pamphlet that wraps each bottle of the Remedy, is a perfect specific for this loathsome disease, and the proprietor offers, in good faith, **$500 reward** for a case he can not cure. The Remedy is mild and pleasant to use, containing no strong or caustic drugs or poisons. The Catarrh Remedy is sold at 50 cents, Douche at 50 cents, by **all Druggists,** or either will be mailed by proprietor on receipt of 60 cents.

The old permanent shop of the town

We decline the boast, but at the same time consider that the mighty truth may be seasonably spoken without manifesting an uncomfortable amount of vanity and ambition.

Just twenty years ago I began my business career in this place—half my lifetime thus far spent, have I stood upon the floor of our shop—day after day, and night after night, and applied the sharp blue gleaming steel, and within that elapse of time embraced by the mighty folds of that eventful period have I shaved nearly everybody in the country (in common parlance) and to oblige the public interest we herein publicly announce to our patrons old and new that we are ready to shave them all again three hundred thousand times or more.

Come when you please, *just in time* is the maxim—we are always ready to work, forenoon or afternoon, to shave you, hair cut you, shampoo you, whisker dye you, or perfume, comb and arrange the hair with artistic skill, in the "water fall" or water raise style to suit the customer. We work to please, not please to work.

Stop, don't go past our shop to get shaved on the basis of ability—because we do it as well as it can be done or ever could be.

A chance is all that we demand
To give the proof we hold in hand.

Manhood:—How Lost, How Restored!

Just published, a new edition of Dr. CULVERWELL'S CELEBRATED ESSAY on the radical cure (without medicine) of SPERMATORRHŒA, or Seminal Weakness, Involuntary Seminal Losses, IMPOTENCY, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.

☞ Price, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.

Sent, under seal, in a plain envelope, to any address, postpaid, on receipt of six cents, or two postage stamps.
