ROASTED ALIVE!

The following record of one day's accidents, all from the same cause, viz; the use of inferior Coal Oil, is taken from the Philadelphia *Ledger* of a recent date:

"The alarm of fire, last evening, at 7 o'clock, was caused by the burning of the dwelling, corner of 16th and Poplar, resulting from the explosion of a coal oil lamp.—Mrs. Hersh, occupying the second story of the dwelling had retired to her department, a few moments before the discovery of the fire. On entering her room, she was found lying on the floor, wrapped in flames."

"About 7 o'clock yesterday morning, a coal oil lamp in the hands of Sarah Alexander, who lives on Cowslip St. near 16th.—She was severely burned.

"Margaret Colligan, residing in the rear of 618 South st., was burned by the explosion of a coal oil lamp. Her husband, while attempting to extinguish the flame, was also severely burned. Two of the above named victims have since died of their injuries."

All such fearful accidents, resultingin death and the destruction of valuable property, may be avoided by using "*CARSON'S STELLAR OIL*," which is known to be a perfectly safe and reliable illuminator. It is for sale by

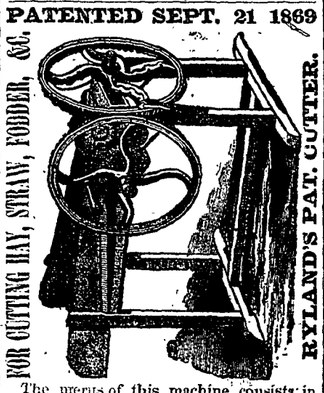
PATENTED SEPT. 21 1869

FOR CUTTING HAY, STRAW, FODDER, &c.

RYLAND'S PAT. CUTTER.



The merits of this machine consists in part, in the attachment of curved knives to the arms of the cutting-wheel, the shearing cut across the mouth-piece, the great power and directness of the blow, by which treble the volume of material is cut, with less power than is required by any other machine; those combined with its durability and simplicity of construction, command public attention. Nothing liable to get out of order, but what a boy could remedy with a pocket wrench.

Persons in want of machines of this description will do well by calling upon or addressing the undersigned. Good and responsible agents wanted to sell machines and territory.

The above Machine is now on exhibition at the Waynesboro' Manufacturing Company's Office. Persons interested should call and examine it, for it is what every farmer should have. H. C. GILBERT,

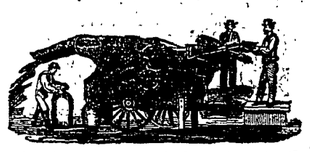
GEISER'S

PATENT SELF-REGULATING

GRAIN SEPARATOR

CLEANER, BAGGER AND POWERS!



No implement more important to the farmer than a First-class Grain Thresher and Cleaner—for none pays him so well and so speedily.

The above cut shows the only Geiser Machine now built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with

FIRST-CLASS WORKMEN & MATERIAL

this Machine just stands high above all of its class. As a thresher it is equal to the best, as a cleaner it is superior to any existing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and, operated by those unskilled in machinery—more durable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use—and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers, some of whom have had them in use for the last 18 years. To supply the wants of all, we now make 4 sizes, viz:—From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from $190 to $360, without power. We also make the latest improved triple-geared Horse Powers, suitable for each size machine, ranging from $90 to $135, and all fully and fairly warranted. For further information send for circular and price list.

INVALIDS DON'T DESPAIR!

Thousands have found relief, and thousands will turn to this Medicine, after exhausting their purses and patience in search of health.

Giddiness of the head, dullness of the mind, fœtid breath, coated tongue, loss of appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and thirst, with a total disrelish for business, pleasure or any kind of employment. FAHRNEY'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms. The fluids of the body become pure, and mind clear, the stomach strengthened, the tongue clean, the appetite improved, and the whole system so benefited that disease, in bad weather, is less liable to afflict you.

Trade Mark. Dr. P. FAHRNEY'S Celebrated

Blood Cleanser or Panacea.

As a medicine for children, the Panacea is, in every way, calculated to take the place of the endless variety of drugs which are annually sold for that purpose, and which are often very injurious. A medicine which possesses the qualities of a cathartic as well as a mild alterative, and which is capable of arresting disease without the least injury to the child, is of incalculable value to every mother. As a cathartic, it is very effective, yet it does not, if given in proper quantities, cause nausea or distress to the stomach or bowels. It is very pleasant to the taste, which is a very important feature as a medicine for children. As a *preventive* of disease it is unprecedented, as it acts directly upon the digestive organs and the blood. In all scrofulous diseases, it is the most effective medicine ever offered to the public; and, if given regularly and perseveringly, those eruptive diseases so common to children may be entirely eradicated.

Prepared by P. Fahrney's Bros. & Co., Waynsboro, Pa., and Dr P. FAHRNEY, 30 North Dearborn St., CHICAGO. Price $1.25 per bottle, for sale by Wholesale and Retail dealers. And by

F. Forthman, J. B. Amberson, M. D. and Dr. A. S. Bonbrake, Waynesboro'; Rouzer & Buhrman, Pikesville. [Dec. 8, 1871-1y.

A GREAT MEDICAL DISCOVERY

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

They are a Gentle Purgative as well as a Tonic, possessing the combined merits of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters have no equal. ☞Send for a circular.

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

$100 will be given for an incurable case, provided the bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia, or Indigestion, Bilious, Remittent and Intermittent Fevers Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them efficacious in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors, and Diseases of the skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.
