Coal to be of the best quality Anthracite, for the use of steamers; to weigh 2,240 pounds to the ton, and to be subject to inspection.

The coals to be delivered on board of vessels in the port of Philadelphia, Pa., or Camden, N. J., in such quantities and at such times as may be required, not exceeding three thousand tons per week.

In case of failure to deliver the coal in sufficient quantity and at the time specified, the Government reserves the right to make good any deficiency by purchase at the contractors' risk and expense.

The price (which should be stated both in figures and words) must include all expenses for the coal delivered on board of vessels at this port and at New York, when required, ready for shipment.

Ten per cent. will be withheld from the amount of all payments made, which reservation is not to be paid until the entire contract shall be completed.

Payments of the remaining ninety per cent. or balance due will be made monthly, when the Department is in funds for that purpose.

Each proposal must be accompanied by a written guarantee, signed by two or more responsible parties, that the contractor will enter into a bond to the United States Judge, Attorney, or Collector, that the bidder or bidders will, if his or their bid be accepted, furnish the required security for the good and sufficient sureties on the same, of fifty thousand dollars, for the faithful performance of the proposed supplies.

No proposition will be considered unless the terms of this advertisement (a copy of which should accompany each proposal) are complied with.

The right to reject any and all bids not deemed advantageous is reserved, and no bids from a defaulting contractor will be accepted.

Endorse envelope "Proposals for Coal," addressed to the undersigned, Chief Quartermaster Philadelphia depot.

HENRY BOWMAN,

Captain and Asst. Quartermaster.
