THE [illegible] EAGLE.

READING, PA., AUGUST 29, 1868.

Democratic National Nominations.

FOR PRESIDENT:
HON. HORATIO SEYMOUR,
OF NEW YORK.

FOR VICE PRESIDENT:
GEN. FRANCIS P. BLAIR,
OF MISSOURI.

Election, Tuesday, November 3d, 1868.

Democratic State Nominations.

FOR AUDITOR GENERAL:
HON. CHARLES E. BOYLE,
OF FAYETTE COUNTY.

FOR SURVEYOR GENERAL:
GEN. WELLINGTON H. ENT,
OF COLUMBIA COUNTY.

Election, Tuesday, October 13th, 1868.

VERY few of the Radical editors and speakers who prate about "the rebel yell," ever heard it in battle.

WE work to prevent a war.—*Forney.*

You are working to bring on a war, you wicked renegade, and it will be a sad thing for you and your [illegible] if you succeed. You have not half a million of soldiers to protect you this time.

IT a question of [illegible] [illegible] the [illegible] ton [illegible] [illegible] [illegible] will come into full [illegible], and the study will be bestowed upon that language that has hitherto been given to the more [illegible] French.

THE *[illegible]* [illegible] says the opponents of Gen. Grant "are in a hopeless minority." It seems otherwise, judging from the news from Kentucky, Oregon, Idaho and Montana. Perhaps the rail-splitter hasn't read the election returns lately?

BRICK POMEROY makes the Niggerites howl. A dog always howls when he is flogged for stealing, especially when he knows that he deserves twice as much as he is getting.

WHY do not the Radical journals explain what General Hartranft, their candidate for Auditor General, did with those few thousands of dollars belonging to the tax-payers.

And why did Gen. Hartranft permit Mr. Illyus to receive $712 of the people's money for "services as paster and folder," when no "services" were really performed?

The people would like to know.

ANOTHER [illegible] BILL FOR THE TAX-PAYERS.

It is stated that the schedule of rates of pay in the army, as reported by the House Military Committee, will be adopted at the next session of Congress. The sums to be paid by the tax-payers for the satraps who keep down the Southern whites under the feet of the blacks, are as follows:

General, $15,000 per annum; the lieutenant general, $10,000; major generals commanding divisions embracing two or more departments or of two or more separate army corps in the field, $7000; major generals commanding departments or divisions in the field, $6500; on other duty, $6000; brigadier generals commanding departments or divisions in the field, or as chief of bureau, $5500; on other duty, $5000; colonel commanding a brigade or post, $3200; on other duty, $3000; lieutenant colonel performing the same duties, $3050; major, $3000; captain, $2500; lieutenant, $2000.

Truly, a nice little bill for the people to pay! Would it not be better to abandon this farce of military reconstruction, disband the army in the South, permit the Southern people to govern themselves, and do away with all this expensive crowd of shoulder-strapped idlers? This can be done by electing the Democratic candidates. Tax-payers, what is your opinion on this question? Answer at the polls!

A CARPET-BAG GOVERNOR CHARGED WITH BRIBERY.

From the following resolution, which was introduced in the Louisiana Legislature on Tuesday, it would appear that the carpet-bag Governor of that State is not beyond reproach in the matter of official corruption:

Whereas, It is currently reported and generally believed that Gov. Warmouth has received compensation for signing certain bills and withholding his signature from others, and that he has also received pay for making appointments to high and important official positions in the State Government; and

Whereas, Members of the Legislature are charged with having received money in exchange for their votes for the passage of certain bills designed for the benefit of individuals, [illegible]; be it

Resolved, That a committee of three on the part of the Senate be appointed to investigate the charges and report to the Senate with a view to impeachment of the Governor and expulsion of guilty members, if found amenable to the charges.

The resolution was tabled by a vote of 16 to 8.

Radicalism is the same, the world over. It is as natural for an "ultra loil" man to be a knave, as it is for a duck to swim.

REMEMBER, tax-payers, that you are required to pay ONE HUNDRED AND FIFTY MILLION DOLLARS A YEAR, in gold, as interest on the national debt, which was brought upon the country first by the agitation, and afterwards by the extravagance and dishonesty, of the Black Republican party. But for Old John Brown and his aiders and abettors in the Northern States, the war would not have occurred, and five hundred thousand lives and four thousand million dollars would have been saved.

Voters, rebuke the [illegible] and extravagant Radical party by electing the Democratic candidates!

SUBSCRIBE for the EAGLE.

[illegible] IN THE U. S. ARMY.

[illegible] Grant Rules his Present [illegible] — Heavy Sentences for [illegible] [illegible] — The Man Who Wants such a [illegible] [illegible] President.

The following, from the Phila. *Ledger* of August 18, shows the merciless manner in which Gen. Grant rules the army. All the sentences spoken of by the *Ledger* were submitted to Grant and approved by him. Such tyranny is a sample of what the American people may expect if they should be so unfortunate as to come under the iron rule of "The Man on Horseback," the would-be Military Dictator of America.

"Some of the most barbarous and disproportionate punishment has of late been inflicted by military courts against deserters, almost equalling in severity the punishment awarded for like offence in time of war. The Judge Advocate has recommended mitigation of sentence in many of these cases, and the President to-day pardoned several soldiers who were undergoing execution of sentence.

"Among these was Private A. McKee, of the Thirty-third Infantry, who deserted recently and was absent three months; *enlisted at the age of fifteen, and served with credit in the war.* Sentenced to be confined at hard labor for two years, except seven days of each month, which will be solitary confinement on bread and water diet; to forfeit to the United States all pay and allowances due or to become due during confinement; at expiration of term of confinement to have his head shaved, the letter D indelibly branded on his left hip, one and a half inches in length, and to be drummed out of the service.

"The same sentence was awarded to Conrad McCoy, a private, who deserted in Oct., [illegible], to go to his home *to [illegible] his [illegible] [illegible].* A similar sentence, to Daniel [illegible], private, whose wife petitioned for a [illegible] on the ground of the services her husband during the war, *through all of which he served, and the destitute condition of herself and three small children*, who by his forfeiture, are deprived of the means of support."

Voters of the United States, unless you wish to feel, on every occasion, the merciless and expensive rule of a military master, elect Seymour and Blair, and put an end to the rule of such tyrants as "The Man on Horseback,"—the Presidential candidate of the Black Republican party!

GENERAL DAVID HUNTER publishes the following in reply to some strictures upon his conduct on the trial of Mrs. Surratt:

"In your remarks in this morning's paper, with regard to Mrs. Surratt's case, you state: 'Gen. Hunter was the only member of the court that convicted Mrs. Surratt who refused to sign the petition for her pardon.' My oath and military law preclude my making known my vote on this case, but I can with propriety state that my name headed the list of the members of the commission recommending Mrs. Surratt to the mercy of the President, and that I have always looked with utter contempt on the execution of a poor woman and excusing, at the same time, thousands of rebels and men who so much more richly deserve hanging. Respectfully, &c.,

"DAVID HUNTER, U. S. A."

GEN. A. S. PIATT, brother of the ultra Radical Don Piatt, made an able speech in West Liberty, Ohio, on the 14th inst., renouncing his connection with the Radical cause, and joining in the support of Seymour and Blair. He says: "I am disloyal to the Republican 'organization,' because I seek to be patriotic to my government." General Piatt fought through the war, and now he demands that he and his fellow-soldiers shall not be robbed of the fruits of their hard-earned victory, and their blood-bought birthright given to negroes.

NONE but a coward will kick an enemy when he is down. The Federal soldiers who fought the rebels are willing to forget and forgive; the stay-at-home cowards wish to harass and oppress them. The former are generally Democrats or Conservatives; the latter are Radicals.

THE Elmira *Gazette* comes out fiercely against the Radical falsifier who started the story that the *Gazette* had "come out for Grant." It lays down the law in a manner that makes the Niggerites quake in their stolen boots.

WONDER why the pulpit orators have not opened the political campaign, as usual? Have they read the news from Kentucky, Oregon, Idaho and Montana?

NEWS ITEMS.

—John Kennedy was hung at Canton, New York, on Thursday, for the murder of Thomas Hand, in February, 1867. He met death with apparent indifference.

—An active Dubuque youth whipped his step-mother and sister soundly and concluded his eccentricities by eloping with another man's wife.

—Captain Burton, Agent for the Freedmen's Bureau in Southeastern Alabama, fraudulently obtained all the money he could from the poor negroes, and then made for parts unknown.

—Charles Peck, a wealthy citizen of Waukegan, Illinois, has been arrested for poisoning his wife, through love of his servant girl.

—Instructions have been forwarded to Gen. Meade and other commanders in the South, in relation to the assistance which may be given by the military to the civil authorities there.

—Dr. L. Q. C. Wishart, the patent medicine man, died suddenly in Philadelphia on Wednesday afternoon. He was taken ill in the street, and breathed his last in a drug store. He owned two farms, and shares in twenty coasting vessels.

—Reuben Sikes, a butcher of Bennington, Vt., during a fit of delirium tremens, a few days since, chopped off the hands and feet of his little three-year old son with a meat-axe, and would have gone farther had not the screams of the child attracted the neighbors.

—The rebels in China have been defeated by the Imperialists, aided by European officers and engineers. There were great rejoicings in Pekin at the result, and of course the usual amount of torture and beheading of prisoners will take place.

—An aerolite, or mass of metal from the heavens, ten feet in circumference and weighing several tons, recently fell near Chatham's [illegible] [illegible], in Tennessee, burying itself in a mass of [illegible]. It was found at the depth of [illegible] feet, still hot, and when cooled it will be taken out and preserved. How long will it be before the heated fragments of our world are burying themselves in other planets?

SEYMOUR AND BLAIR.

The Democratic Wave [illegible] [illegible] [illegible].

PENNSYLVANIA.

(Correspondence Evening Herald.)

NAZARETH, August 26.—The Democratic feeling here is very strong, and we will carry our county by an increased majority. We are receiving large accessions from the Radical ranks. On September 7th our German citizens will hold a grand mass meeting, which will be attended by hundreds if not thousands.

NEW YORK.

NEW YORK, August 28.—This evening Seymour and Blair meetings will be held in the Thirteenth, Fourteenth, and Twenty-second wards. Brooklyn also will be ablaze.

Meetings were held yesterday at Throgg's Neck, Tremont, and Astoria.

CONNECTICUT.

DANBURY, August 28, 1 p. m.—The Democrats of this place raised a magnificent flag this morning. The meeting is now in progress, and is being addressed by Judge Curtis. About ten thousand people have assembled from the country round.

Epidemic Among Horses.

BROOKLYN, Aug. 28.—An epidemic which the doctors call the *Cerebro Spinal Meningeits* has attacked the horses of the Brooklyn City Railroad Company. The disease first appeared on Sunday night, when three horses at the stable near the Fulton Ferry, Brooklyn, were found partly paralyzed and unable to take food or water. On Monday morning one died. Mr. Pilgrim, veterinary surgeon, was sent for, and afterwards Dr. Liautaurd, of the Veterinary College of this city. Both gentlemen agreed that it was the disease above mentioned, and which affected the nervous system generally, and paralyzed the muscles of the throat, preventing the animal from swallowing food or drink. They also agreed that it was an epidemic, but neither contagious nor infectious. Yesterday the tenth horse of the thirty-three stabled at the ferry died, and the healthy horses were removed.

VIRGINIA.

An Address to the Southern People.

WHITE SULPHUR SPRINGS, August 27.—It is understood here that in response to a letter of General Rosecrans, a long document, very pacific in its tone, and signed by General R. E. Lee, Virginia; General Beauregard, Louisiana; General Echols, Hon. A. H. R. Stuart, Judge W. J. Robertson, Lewis E. Harris, Governor Letcher, Virginia; Governor F. W. Pickens, South Carolina; Hon. A. H. Stephens, Georgia; C. M. Conrad, and other prominent Southerners, has been prepared. It is in the nature of an address to the Southern people. It shows the earnest desire of the leaders for peace, harmony and Union.

A Radical Plot.

WASHINGTON, August 28.—Leading Radicals here are not only discussing the necessity of a reassembling of Congress next month, but also of passing an act then preventing all the reconstructed States from voting for Presidential electors next November. How Congress can effect this end constitutionally the paper does not explain. The pretext for the proposed act is that the old Rebel element displays an intention of carrying the States at every hazard, by fair means or by foul.

The South—A Day of Fasting and Prayer.

WASHINGTON, Aug. 28.—At their meeting in Louisville, Ky., in May last, the Bishops of the Methodist Episcopal Church South recommended to all their churches that the week commencing on the 23d day of August should be devoted to special prayer to Almighty God for His blessing upon the church and country. To-day is observed throughout the South by the Methodists as a day of fasting and prayer.

Crime in Chicago—Honor to Blair.

CHICAGO, August 27.—In an altercation between one Balthezzar Fell and Asa Johnson this morning, the former was badly cut in the head with a hatchet. He is not expected to live.

Gen. Frank P. Blair, Jr., has been invited to attend the Wisconsin State Fair during the last week in September, and has promised to be present if possible.

MISSOURI.

The Canvass—The Registration.

ST. LOUIS, August 28.—Hon. John P. Phelps, Democratic candidate for Governor, will open the campaign at Rolla, Phelps county, on the 1st of September.

The registration shows that if 30,000 is reached in this city the State will go Democratic. The Radicals concede this fact.

THE WORKING PEOPLE.—A prosecution was recently instituted in West Chester co., New York, to test the right of mechanics to prevent non-members of their unions from pursuing their trades. Eight bricklayers were indicted for conspiracy in refusing to allow the prosecutor's son to work at the trade, he not being a member of their club. After considerable evidence and a legal exposition of the statutes affecting the case, the jury returned a verdict of guilty.

The Manhattan Cooperative Association of New York held a meeting on Wednesday evening, when the President stated that the grocery store conducted by the association was losing money fast. A motion to close it up was offered, but a substitute providing for its continuance and a payment of the unpaid shares by the members, was agreed to. This is the pioneer cooperative society in the city of New York.

DURING a storm last week, a young man named John Walters, living at Greensburg, Indiana, was struck and killed by lightning. He was standing at a well, getting a drink, a few feet from his mother's door. His mother was standing in the door looking at him at the time. The lightning struck him on the top of the head, making a hole about the size of a silver dollar, burning the hair all over his head, and breaking all the bones in his neck and shoulders.

—A Miss Pratt, of Yarmouth, Me., disappeared mysteriously on Sunday, and made her appearance in the evening, dressed in a pair of pants and a shirt. She could give no account of herself.

Carl Schurz at Pottsville.

Special to the Daily Eagle.

POTTSVILLE, August 29th, 1868.—Carl Schurz addressed a large meeting here last night. The audience was largely represented by Democrats, who went to hear this stupendous humbug. About one-eighth of the Radicals present only understood him, as he spoke in the German language.

After the meeting in the hall there was a serenade. Carl responded in a short English speech.

The whole affair was a decidedly lukewarm demonstration; except the noise of the drum corps, the shouting of the boys in the streets, and a few bonfires, there was but little enthusiasm.

The Germans here are indignant; they expected to hear some solid argument from this biggun, but the whole speech was a repetition of Radical twaddle and clap-trap about loyalty.

The torchlight excitement will not aid the traitors to constitutional liberty this time. Sober men begin to think of taxes, bread and butter and clothing for their families.

Upon the whole it would have been better for the cause of Radicalism if they would not have had the Radical traitor and infidel, Schurz, to come here. Of one thing the people may be certain, and that is that this trash in Radical papers about the Germans leaving the Democratic party is all bosh. The truth of the matter is that this element is largely leaving the Radicals.

HOOFLAND'S COLUMN.

HOOFLAND'S GERMAN BITTERS,
AND
Hoofland's German Tonic,
The Great Remedies for all Diseases of the Liver, Stomach, or Digestive Organs.

Hoofland's German Bitters
Is composed of the pure juices (or as they are medicinally termed *Extracts*) of Roots, Herbs, and Barks, making a preparation highly concentrated and entirely free from alcoholic admixture of any kind.

HOOFLAND'S GERMAN TONIC
Is a combination of all the ingredients of the Bitters, with the purest quality of *Santa Cruz Rum*, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixture will use
HOOFLAND'S GERMAN BITTERS.
Those who have no objection to the combination of the Bitters, as stated, will use
HOOFLAND'S GERMAN TONIC.

They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, &c., is very apt to have its functions deranged. The Liver, sympathizing as closely as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries possesses true merit, is skillfully compounded, is free from injurious ingredients, and has established for itself a reputation for the cure of diseases. In this connection we would submit those well-known remedies—

HOOFLAND'S GERMAN BITTERS
AND
HOOFLAND'S GERMAN TONIC
PREPARED BY DR. C. M. JACKSON, Philadelphia, Pa.

Thirty-five years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhoea, Disease of the Kidneys, and all Diseases arising from a Disordered Liver, Stomach or Intestines.

DEBILITY,
Resulting from any Cause whatever; Prostration of the System, induced by severe Labor, Hardships, Exposure, Fevers, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,
And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this BITTERS, or the TONIC, an elixir that will instil new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE.
It is a well established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK AND DELICATE CHILDREN
Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail.

Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but few. Those, it will be observed, are men of note, and of such standing that they must be believed.

TESTIMONIALS.

Hon. George W. Woodward,
Chief Justice of the Supreme Court, writes:
PHILADELPHIA, March 16, 1867.

"I find Hoofland's German Bitters is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system.
Yours, truly,
GEO. W. WOODWARD.

From Rev. Joseph H. Kennard, D. D.,
Pastor of the Tenth Baptist Church, Phila.

DR. JACKSON.—DEAR SIR:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the use of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes.
Yours, very respectfully,
J. H. KENNARD,
Eighth, below Coates St.

Hon. James Thompson,
Judge of the Supreme Court of Pennsylvania.
