DR. D. W. JONES,

PHYSICIAN AND SURGEON,

MARTINSBURG, W. VA.

—o—

Consulting Office, No. 32 West King St., a few doors from the Court House. Observe the sign on the side of the door. Office hours from 10 A. M. to 12 M., and from 2 to to 4 P. M., and 6 to 8 in evening.

The Doctor's long and successful practice at Hagerstown, Md., and the past five years at Martinsburg, W. Va., and nearly four years at the bedside in the different Hospitals of the large cities enables him to give full satisfaction to the afflicted, without the use of that deadly poison Mercury, and other powerful Minerals that annually send thousands to a premature grave.

All Nervous Diseases speedily cured. Let the weak and nervous bear in mind that when they have symptoms indicating many other diseases, it originates principally from the nerves.

SEMINAL WEAKNESS.

This dreadful scourge of suffering humanity, brought on from unnatural habits of youth, or learned from evil companions at school or while alone. Both sexes, old and young, are guilty of it, and it is hastening thousands to that bourne from whence no traveler returns. For all such Dr. Jones has discovered a never-failing treatment that will soon bring about new life and fully restore enfeebled manhood.

SYPHILIS.

This disease strikes with terror to the boldest heart, where it is soon discovered in the roof of the mouth and throat, with discoloring blotches over the head and body, fast betraying the unhappy victim, death ending the suffering.

Make an early application, and be cured without any change of diet or hindrance from business or detection of friends.

GRAVEL CURED

Without the dangerous medium of an operation.

FEMALE COMPLAINTS

of every form speedily cured.

Affection of the Kidneys and Bladder, and all kinds of Chronic Diseases, no matter how long standing, speedily restored.

Dr. Jones can be consulted by letter describing symptoms, age, and how long standing. All letters strictly confidential.

The completion of the Cumberland Valley Railroad to Martinsburg will make it convenient for patients from Maryland and Pennsylvania to call and consult with the Doctor.

Dr. Jones will not visit patients except where they are not able to consult him at his office. His family practice at Martinsburg is sufficient evidence of his success.—All letters must be addressed to

BEAUTY! BEAUTY! BEAUTY!
BEAUTY! BEAUTY! BEAUTY!
BEAUTY! BEAUTY! BEAUTY!

Nothing contributes more to beauty of the features than a PERFECT, REGULAR, CLEAN SET OF TEETH, while a neglected, filthy, diseased mouth disgusts every beholder. Such things are noticed now-a-days much more than formerly; and good teeth and a sweet breath are considered indispensible to every LADY AND GENTLEMAN.

BEWARE of all preparations which are highly recommended for WHITENING the teeth. They contain an acid which destroys the ENAMEL. Dr. Forrest keeps constantly on hand of his own Preparation a superior TOOTH POWDER, which keeps the Teeth absolutely clean, leaving the color of the Enamel just as nature made it. For the convenience of my patrons, I have adopted the patent TOOTH POWDER BOTTLE, so constructed as to distribute the powder nicely on the BRUSH, and can be carried when traveling and several may use from the same bottle with propriety. Having had an experience of over seven years in the manufacture and administration of Nitrous Oxide Gass, I am prepared at all times to administer this popular Anaesthetic, either to children or adults for the extraction of teeth, without pain or any unpleasant effects. Insertion, Filing and Filling of Teeth carefully executed. Office next door to Bishop's Art Gallery, Main St., Chambersburg, Pa. H. FORREST, D D. S.

N. B.—Teeth that have become discolored, I am prepared to bleach and restore to their natural color. Prices very moderate.

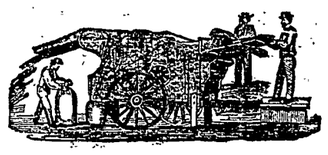
GEISER'S

PATENT SELF-REGULATING *GRAIN SEPARATOR*

CLEANER, BAGGER AND POWERS!



No implement more important to the farmer than a First-class Grain Thresher and Cleaner—for none pays him so well and so speedily.

The above cut shows the only Geiser Machine now built under the immediate eye of the old inventors themselves, with all the additional improvements made during the past 18 years, and now with

FIRST-CLASS WORKMEN & MATERIAL

this Machine just stands high above all of its class. As a thresher it is equal to the best, as a cleaner it is superior to any existing Machine. This is admitted by all honest competitors. Indeed it is the only Machine that really can, by one operation, thoroughly thresh and clean grain fit for market. But the fact that grain direct from this machine commands from 2 to 3 cents a bushel more than grain direct from any other machine, settles the question of its superiority as a cleaner over all others. Impartial judges at all the State and County Fairs where it was thoroughly and practically tested, in competition with other leading machines, always agree that it is more simple—more easily understood and operated by those unskilled in machinery—more durable—threshing as much and yet cleaning better—with less power and more comfort to hands than any other machine in use—and besides all that is sold for less money according to capacity. These facts are further attested by the thousands of purchasers; some of whom have had them in use for the last 18 years. To supply any wants of all, we now make 4 sizes, viz:—From a 2 Horse Railway or 3 Horse Lever Power, to a 10 Horse Lever Power, with prices ranging from $190 to $360, without power. We also make the latest improved triple-geared Horse Powers, suitable for each size machine, ranging from $90 to $135, and all fully and fairly warranted. For further information send for circular and price list.

STATIONARY AND PORTABLE

STEAM-ENGINES, BOILERS,

Portable Saw Mills,

and all other Machinery made to order.

—o—

The above cut represents our Horizontal Engine with *Improved Side Bed*. This design makes it strong, neat and durable and upon which we have made some valuable improvements, especially upon the *working parts* making them durable and economical.

We build *Horizontal Engines* with box beds of different sizes and designs and upon the most improved plan.

We also make Upright Engines of different sizes and styles, and where economy of space is an object, they have some advantage over the Horizontal, also in the wear of the Cylinder, which is always equal in an Upright Engine.

A special point of advantage in these Engines is our (A. O. Frick's) recently invented and patent self-adjusting BALANCED SLIDE VALVE, suited to all Steam Engines and Locomotives. It leaves the Engines as simple in operation as those of the ordinary plain slide valve class. We direct special attention to this superior valve, and invite correspondence.

We give special attention to Portable Engines and Saw Mills; also Agricultural Engines for threshing grain and for farm purposes generally. Also

REMINGTON

FAMILY SEWING MACHINE!

THE subscriber announces to the public that he has the agency for the sale of the "Remington Family Sewing Machine" in Franklin county. Having tested its working qualities and capacity for several months he can safely recommend it as the very

BEST MACHINE IN USE.

Its construction is such that it can be run at a higher rate of speed than any shuttle machine now in use. In factories where the speed has been registered, over 1000 stitches per minute have been attained with ease. It is strong in all its parts, and free from the harsh and jarring movements, and friction, common in inferior machines. A simple change of the needle and thread and it will sew the finest cambric or the heaviest leather. The shuttle carries a large quantity of thread thus saving in a great measure the trouble of filling the bobbins.

The Remington has no rotary cams, cog-wheels or lever arms to make a *noise*, run *hard*, or to *get out of order*.

Any girl of ordinary intelligence can keep it in order without the least difficulty.

The subscriber also informs his customers and the public that he has just opened out his new

DR. FAHRNEY'S *CELEBRATED* BLOOD CLEANSER OR PANACEA!

—o—

WITH this rare medicine in your house you can do without purging, by means of Pills or Powders. You can do without Salts, Castor Oil, Citrate of Magnesia, Senna or Manna, and so on. You want none of these; the BLOOD CLEANSER is a substitue for the whole of them. And what is better, it may be taken with safety and comfort by the most delicate woman as well as the robust man. It is very palatable, and therefore easily administered to children. It is the only vegetable preparation existing which will answer in the place of Calomel, Regulating the action of the Liver, without making you a life-long victim to the use of Mercury or Blue Pills. It will open the Bowels in a proper and wholesome manner—being composed of suitable medicaments.

There is nothing like Fahrney's Blood Cleansner, for the cure of all disorders of the Stomach, Liver, Bowels, Kidneys and Bladder, For Nervous Diseases, Headache, Costiveness, Indigestion, Billious Fever, and all derangements of the internal viscera. You have in this medicine a PANACEA for some of the most painful and dangerous of all diseases.

LIVER COMPLAINTS.—The state and quality of the bile must first be attended to, in order to preserve health. The bile in a vitiated state, or when not duly secreted, is oftener obstructed in the liver and gall bladder, and becomes a source of dyspepsia, constipation, and nervous complaints, jaundice, etc. The Panacea being strictly vegetable, and containing great anti-billious properties, and great alterative properties also, will act like a most magical medicine in this complaint. Thousands have found relief, and thousands will yet turn to this medicine, after exhausting their purses and patience in search of health.

Giddiness of the head, dullness of the mind, fœtid breath, coated tongue, loss of appetite, pains and weakness in the stomach, enlargement of the liver, yellowness of the skin, constant fever and thirst, with a total disrelish for business, pleasure, or any kind of employment, FAHRNEY'S PANACEA, if taken and persevered in for a few days, will remove this whole class of symptoms. The fluids of the body become pure, the mind clear, the stomach strengthened, the tongue clean, the appetite improved, and the whole system so benefitted that disease, during bad weather, is less liable to afflict you.

"An ounce of Prevention is worth more than a Pound of Cure." The Panacea will not only cure old standing and malignant complaints, but is one of the best preventatives of such disorders, ever offered to the world.

You can avoid severe attacks of acute diseases, such as Typhoid, Billious and Spotted and Intermittent Fevers, by keeping your blood purified. The different degrees of all such diseases depend altogether upon the condition of the blood, for if this vital fluid is deranged, you will take a disease much more readily than otherwise, and the suffering will be proportion to the amount of foreign matter in the blood. This is so reasonable that we need not here make any illustrations.

This medicine is highly recommended for all chronic or old standing complaints, such as Scrofula, Tetter, Salt Rheum, Rheumatism, &c,

BOOT AND SHOEMAKING!

REMOVAL!

—o—

ON and after the first of April next our customers will find us in the room now occupied by Wm. Blair as a Printing Office, where we intend carrying on the Boot and Shoe business as usual. From our experience in the business in selecting the best stock and workman we hope to merit a liberal share of patronage. It will be our constant aim to make a neat and artistic fiting boot. We make the best work in town at prices ranging from $8 and upwards, according to price of material. We are permanently located here.

We have a few customers that we have asked often for their bills, and if they do not appear soon we intend putting their names in the paper, so they may not catch others.

☞Thankful for past favors we ask a continuance of the same.
