IMPORTANT FROM WASHINGTON.

A Proclamation of Universal Amnesty.

The following proclamation of universal amnesty has been issued by President Johnson:

A PROCLAMATION.

Whereas, The President of the United States has heretofore set forth several proclamations, offering amnesty and pardon to persons who had been or were concerned in the late rebellion against the lawful authority of the Government of the United States, which proclamations were severally issued on the 8th day of December, 1863; on the 26th day of March, 1864; on the 29th day of May, 1865; on the 7th day of December, 1867, and on the 4th day of July, in the present year.

And whereas, the authority of the Federal Government having been reestablished in all the States and Territories within the jurisdiction of the United States, it is believed that such prudential reservations and exceptions, as at the dates of said several proclamations were deemed necessary and proper, may now be wisely and justly relinquished, and that a universal amnesty and pardon for participation in said rebellion extended to all who have borne any part therein will tend to secure permanent peace, order and prosperity throughout the land, and to renew and fully restore confidence and fraternal feeling among the whole population, and their respect for and attachment to the National Government, designed by its patriotic founders for the general good;

Now, therefore, be it known, that I, Andrew Johnson, President of the United States, by virtue of the power and authority in me vested by the Constitution, and in the name of the sovereign people of the United States, do hereby proclaim and declare unconditionally and without reservation, to all and to every person who, directly or indirectly, participated in the late insurrection or rebellion, a full pardon and amnesty for the offence of treason against the United States, or of adhering to their enemies during the late civil war, with restoration of all rights, privileges, and immunities under the Constitution and the laws which have been made in pursuance thereof. In testimony whereof I have signed these presents with my hand and have caused the seal of the United States to be hereunto affixed.

Done at the city of Washington, the 25th day of December, in the year of our Lord 1868, and of the Independence of the United States of America the 93d. By the President.

ANDREW JOHNSON.

F. W. SEWARD,
Acting Secretary of State.

The full pardon and amnesty proclamation issued by the President includes Jeff. Davis, Breckenridge, Jacob Thompson, Mason, Slidell and all others who were directly or indirectly engaged in the late revolution or rebellion. The parties above named are now in foreign countries.

A USEFUL WORK.—Geo. P. Rowell & Co, 40 Park Row, New York, have now in press, and will soon publish, the "American Newspaper Directory," containing accurate lists of all the newspapers in the United States and Territories, the Dominions of Canada, and the British Colonies of North America; together with a description of the towns and cities in which they are published. It will be a very useful work for reference, as well as for general information, and will contain between 300 and 400 pages, handsomely bound in cloth. Price $5.00.

The "*Woman's Advocate*" is the title of a small but ably edited eight-page paper published in Dayton, Ohio, by J. J. Belville, and edited by A. J. Boyer, with Mrs. Eliza V. Burns as Corresponding Editress. It is "devoted to woman; her emancipation from religious, social, political, and moral slavery," and in such a cause we wish it every success.

Board of Controllers.

A stated meeting of the Board of Controllers of the Reading School District, was held in the High School Hall, on Monday evening, Dec. 21st, the President, John S. Richards, Esq., in the chair.

Members present.—Messrs. Boyer, Briner, Bayerle, Bissikumer, Geo. M. Ermentrout, Frees, Hagenman, Harwick, Hoff, Jones, Johnston, Jacobs, Leiss, Maxton, McGowan, McKnight, McManus, Richards, Roland, Rohrbach, Ranney, Shalter, Sprecher, Van Leer.—25.

Absent.—Messrs. Daniel Ermentrout, Fry, Getz, Gernand, Hawley, McCurdy, Moers, Mulligan, Neff, Ritter, Walter.—11.

The minutes of the last two meetings—one stated and one special—were read, and, on motion of G. M. Ermentrout the same was ratified and approved. The city superintendent, J. L. Barnes, then read his report of the operations of the school during the last month.

Mr. Frees, Chairman Normal School Committee, made a verbal report, stating that a meeting of the committee was called last week, but that only two members attended, and therefore no business was transpired.

He thought something ought to be done to prevent irregular attendance at the Normal School, as he noticed that some of the students were frequently absent.

He also suggested the propriety of hereafter excluding from attendance those teachers who should reach an average of 700 at the annual examinations.

The several committees presented the following bills, which were approved and ordered to be paid.

Mr. Van Leer, Chairman Committee on Buildings and Repairs, submitted the following report:

READING, PA., Dec. 1, 1868.

To the Board of Control:

GENTLEMEN:—By direction of the Board the Committee on Building and Repairs advertised for proposals for furnishing desks and seats for the Elm street school house.

They received three proposals—one from Schmucker & Bro., and two from J. R. Ritter.

Schmucker & Bro., propose to furnish desks made of cherry, oak, or ash wood, 12 to 14 feet long, 12 to 13 inches wide, with three stanchions, for $12.00 each. Iron pedestal chairs, seats 10 to 12 inches wide, and back 8 to 9 inches high, at $2.00 each—all iron, to be painted green, well made and set up in the school building, each desk to seat nine pupils.

J. R. Ritter proposes to furnish the same sized desks, finished in same style, &c., at $12 90 each, also, chairs at $1.95 each.

J. R. Ritter also proposes to furnish the "Soper Patent Desks and Seats" same sizes as last year, at $6.00 and $7.00 each, put up in the school building.

Your Committee would state, that the difference in the cost of the long old style desks, and the patent desk, will be about $47.00. As the introduction of the patent desk will give considerable more space between platforms and desks, and at the rear or entrance, and more convenient for the pupils to pass to and from their seats, are preferred by our teachers, and are but little higher in price, your committee unanimously recommend their adoption by the Board.

Your committee therefore recommend the adoption of the following resolution.

Resolved, That the "Soper Patent Desk" be put into the Elm street school house, and that the proposal of J. R. Ritter, for furnishing the same, be accepted.

Respectfully,
B. VAN LEER,
Chairman.

Mr. Boyer moved to ammend the resolution by directing the committee to get chairs for the desks instead of board seats.

A long discussion ensued relative to the respective merits of long desks and short desks, desks with chairs and desks with board seats, and, on motion of Mr. Hoff the whole subject was referred back to the committee, with instructions to ascertain and report to the Board, the differences in cost between desks with chairs and desks with board seats.

Mr. Shalter, Chairman Text Book Committee, made a verbal report and stated that the Committee had visited all the schools in which writing is taught, and, from the appearance of the copy books, it seemed likely that much improvement in Penmanship would be made during the year.

Mr. Gernand, for committees to visit the schools in 1st section, reported in writing that the duty had been performed, and that the schools were all in good condition.

Mr. Hoff, from committee to visit the schools in the 4th section, stated that he and Mr. McGowan had visited all the schools in that section, and were well pleased with them, though some of the divisions were very full.

Mr. Leiss, from committee to visit the schools in 5th section, reported that he had attended to the duty and that all were in a satisfactory condition.

G. M. Ermentrout, Esq., special Committee to examine the title of the High School property, stated that he had given the subject a careful examination and had found that the Board were in possession of all the ground to which they were entitled.

Mr. Hagenman, Chairman special committee on superintendent's salary and mode of election, reported that for want of time the committee had not been called together. He requested to be excused from further service on the committee and suggested that Mr. G. M. Ermentrout be appointed to take his place.

On motion, Mr. Hagenman was excused and Mr. Ermentrout was appointed to fill the vacancy.

Mr. Roland stated that a room at the corner of 8th and Bingaman streets could be rented for a Primary School, and he therefore moved that said room be rented, and that the Primary Committee be instructed to have the same furnished and prepared for the reception of pupils. Carried.

Mr. Hagenman presented a petition by 47 teachers, praying to be excused from attending the Normal School examination. He moved that the application be granted.

Mr. Richards having called Mr. Hoff to the chair moved to lay the motion on the table.

A warm and lengthy discussion then ensued, at the close of which, the yeas and nays were demanded, and the motion to lay upon the table was carried as follows:

Yeas—Messrs. Briner, Bayerle, Frees, Harwick, Hoff, Jones, Johnson, Jacobs, Maxton, McGowan, Richards, Ranney, Shalter, Sprecher, Van Leer—15.

Nays—Messrs. Boyer, Bissikumer, Ermentrout, G. M. Hagenman, Leiss, McKnight, McManus, Shaaber.—8.

Mr. Briner then moved that the said examination be ordered to take place on the second Saturday after the re-opening of the schools in January next. Agreed to.

The Secretary presented the application of John L. Barnes for a permanent certificate from the State Department, and, on motion, the officers of the Board were directed to sign the same.

The Secretary also read a communication from the Oheb Sholom congregation, asking permission to hold a German and Hebrew night school in the school house at the corner of Sixth and Walnut streets, and, on motion, the application was referred to the Local Committee in 5th section with power to act.

On motion the Board adjourned.

JOHN L. BARNES, Secretary.

HOOFLAND'S GERMAN BITTERS, AND HOOFLAND'S GERMAN TONIC.

The Great Remedies for all Diseases of the *LIVER, STOMACH, OR DIGESTIVE ORGANS.*

HOOFLAND'S GERMAN BITTERS

Is composed of the pure juices (or, as they are medicinally termed, *Extracts*) of Roots, Herbs, and Barks, making a preparation, highly concentrated, and entirely *free from alcoholic admixture of any kind.*

HOOFLAND'S GERMAN TONIC,

Is a combination of all the ingredients of the Bitters, with the purest quality of *Santa Cruz Rum*, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixture, will use

HOOFLAND'S GERMAN BITTERS.

Those who have no objection to the combination of the Bitters, as stated, will use

HOOFLAND'S GERMAN TONIC.

They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathising as closely as it does with the Stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

Constipation, Flatulence, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heart-burn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Depression of Spirits.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries possesses true merit, is skillfully compounded, is free from injurious ingredients, and has established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies—

HOOFLAND'S GERMAN BITTERS AND HOOFLAND'S GERMAN TONIC.

PREPARED BY *Dr. C. M. JACKSON,* PHILADELPHIA, PA

Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhœa, Disease of the Kidneys, and all Diseases arising from a *Disordered Liver*, Stomach or Intestines

DEBILITY,

Resulting from any Cause whatever; PROSTRATION OF THE SYSTEM, induced by Severe Labor, Hardships, Exposure, Fevers, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this BITTERS, or the TONIC, an elixir that will instil new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE.

It is a well-established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health; or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK AND DELICATE CHILDREN

Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail.

TESTIMONIALS.

Hon. Geo. W. Woodward,
Chief Justice of the Supreme Court of Pa.,

PHILADELPHIA, March 16, 1867.

"I find 'Hoofland's German Bitters' is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system. Yours, truly, GEO. W. WOODWARD."

Hon. James Thompson,
Judge of the Supreme Court of Pennsylvania.

PHILADELPHIA, April 28, 1866.

"I consider 'Hoofland's German Bitters' a *valuable medicine* in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect, JAMES THOMPSON."

From Rev. Joseph H. Kennard, D. D.,
Pastor of the Tenth Baptist Church, Philadelphia.

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,
J. H. KENNARD,
Eighth, below Coates Street

From Rev. E. D. Fendall,

I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver.

Yours, truly,
E. D. FENDALL.
