The "Wanamaker Panorama of the World's Fair," which has occasioned such a furore in Philadelphia, is a voluminously illustrated history of that great event. It is a history that is both highly entertaining to the young and old, and instructive to all. It is such a volume as should be in every patriotic home. In order to have a complete, continuous and connected history, it will be necessary to have all the parts. One new part appears each week. There are sixteen, magnificent, marvelous, full-page views in each part. Ten cents in cash and two coupons of different dates, cut as directed below, will secure it. Part One is now ready in unlimited quantity. Other parts will be announced.

So we've added the Wanamaker series, and continue the other two. You need all three, to be really in the swim. Each one is better than the one before it; at least, that's what you think. Better order early if you want a prompt reply. All the various parts are going like hot cakes.
