DISEASES RESULTING FROM

DISORDERS OF THE LIVER

AND DIGESTIVE ORGANS,

ARE CURED BY

HOOFLAND'S

GERMAN BITTERS,

THE GREAT STRENGTHENING TONIC.

THESE Bitters have performed more cures, have and do give better satisfaction; have more testimony; have more respectable people to vouch for them than any other article in the market.

We defy any one to contradict this assertion, and will pay $1,000 to any one that will produce a certificate published by us that is not genuine. Hoofland's German Bitters, will cure every case of Chronic or Nervous Debility, Diseases of the Kidneys, and diseases arising from a disordered stomach. Observe the following symptoms, resulting from the disorders of the digestive organs: Constipation, Inward Piles, Fullness of Blood to the head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or weight in the Stomach, Sour Eructations, Sinking or fluttering at the pit of the stomach, Swimming of the head, Hurried and difficult breathing, Fluttering at the heart, Choking or suffocating sensations when in a lying posture, Dimness of vision, Dots or webs before the sight, Fever and dull pain in the head, Deficiency of perspiration, Yellowness of the skin and eyes, Pain in the side, back, chest, limbs, &c., Sudden flushes of heat, Burning in the flesh, Constant imaginations of evil, and great depression of spirits.

Remember that this Bitters is not alcoholic, contains no rum or whisky, and can't make drunkards, but is the best Tonic in the world.

READ WHO SAYS SO:

From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia.

* * * * * * * *

"I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink." Yours truly,

LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Chronicle, Philadelphia.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN, Philada.

From Rev. Warren Randolph, Pastor of Baptist Church Germantown, Penn.

Dr. C. M. Jackson:—Dear Sir:—Personal experience enables me to say that I regard the German Bitters, prepared by you, as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will produce similar effects on others.

Yours truly WARREN RANDOLPH,
Germantown, Pa.

From Rev. J. H. Turner, Pastor of Hedding M. E. Church, Philadelphia.

Dr. C. M. Jackson:—Dear Sir:—Having used your German Bitters in my family frequently I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.

Yours, respectfully J. H. TURNER,
No. 2013 N. Nineteenth street.

From the Rev. J. M. Lyons, formerly Pastor of the Columbus (N. J.) and Millstown (Pa.) Baptist Churches.

New ROCHELLE, N. Y.

Dr. C. M. Jackson:—Dear Sir:—I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons enfeebled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed.

J. M. LYONS.

From the Rev Thomas Winter, Pastor of Roxborough Baptist Church.

Dr. Jackson:—Dear Sir:—I feel it due to your excellent preparation, Hoofland German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters; did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

Respectfully yours,
THOS. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks county, Pa.

Dr. C. M. Jackson.—Respected Sir:—I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.

Yours with respect, J. S. HERMAN.

The very fact that others are attempting to imitate this valuable remedy, proves its worth and speaks volumes in its favor.

ELECTRICITY.

DRS. WYETH and CREAMER, Eclectic and Electropathic physicians, respectfully offer their professional services in all the various branches of the profession, for the treatment of all acute and chronic forms of disease.

The remedial means they employ in the treatment of disease consist of Magnetism, Galvanism, Electro Magnetism, the Swedish method of localized movement cure, a few Eclectic medicines, when deemed necessary, and in fact, all the natural curative agents that may successfully be brought to bear upon the disease.

They do not wish to be understood as arrogating to themselves any superiority of professional skill, but they believe the remedies they employ in the treatment of disease far superior to those generally employed by physicians, from the fact that they act in perfect harmony with the laws governing and controlling the human system. To this, and the fact that they confine themselves to no particular *path or system*, they attribute their success in controlling disease.

The principal agent they employ in the treatment of disease, namely, Electricity, is an agent wonderful in its phenomena and powerful in its effects for good or ill. It is an ever present, all pervading principle, governing all things, from rolling worlds down to the invisible particles of gaseous matter. We see it in the lightning's flash and hear the manifestations of its power in the muttering thunder. It is the cause of all decomposition, recomposition and transformation. It excites all motion, is the exciting cause of life, growth, decay and death. It causes a secretion, excretion, digestion. It lays hold of the crude food in the stomach, converts it into a state of fluidity, translates it into arterial blood, and sends it on its important office to supply the nutriment according to the necessities of the body. It is the nerve vital fluid, the great agent through which the mind acts upon the body. It is the cause of all causes except the first. It causes the Infinite Mind which created and brought it into use. These may appear like mere assertions, but they are facts admitting of strong and irresistible proof. Is it then, to be wondered at that an agent so wonderful in its phenomena, so powerful in its manifestations and so intimately connected with all the operations of the human system, should be almost absolute in its power of controlling disease? Certainly not. It is a natural sequence and follows as surely as day follows night.

Among the diseases which are found to yield readily to Electricity, in conjunction with proper adjunct treatment, may be mentioned the following: Incipient Consumption, Paralysis, Epileptic, Hysteric and other Convulsions, Neuralgia, in its worst forms, Rheumatism, inflammatory and chronic, all diseases of the digestive system, Dyspepsia cured in a few treatments, all diseases of the urinary and genital organs; Female Diseases, Asthma, Piles and Prolapsus Ani; Amaurosis and all kindred affections of the eye; Aurelus, strictures, all skin diseases, &c.

Persons calling will be told whether they can be benefitted and no case taken where some relief cannot be afforded. *Consultation free.* Office, South Second street, below Chestnut, Harrisburg, Pa. Office hours from 8 to 12 A. M., 1½ to 5 and 7 to 9 P. M.

Special Dispatch to the Pennsylvania Telegraph.
BY THE INLAND LINE.

Fighting Yesterday at Spottsylvania.

GEN. LEE EXHIBITS SIGNS OF WEAKNESS

Our Wounded Reported at 15,000.

The Guerrillas Troublesome.

2,000 to 3,000 Rebel Wounded Left on the Field.

WASHINGTON, May 10.

The *Star* says: A messenger got in last night from the army, who left Spottsylvania Court House yesterday at twelve o'clock, and came back to Aquia Creek, and thence came up on a gunboat. At noon yesterday a heavy fight was going on at Spottsylvania Court House. We held the place at that time.

Lee gave evidence of being weakened, and of falling back.

The messenger had an escort of one hundred and fifty cavalry, and guerrillas were frequently encountered on the way, and it is not improbable that many of the escort were captured when returning to the army.

Our wounded are reported at fifteen thousand, most of whom are at Fredericksburg, and so thick lying in the streets and upon the pavements that a cavalry patrol ordered out could not do duty, as it was difficult to pass between the rows of wounded, without trampling upon them.

It is said there were between 2,000 and 3,000 rebel wounded left upon the field, who have also been brought to Fredericksburg.

SECOND DISPATCH.

Confirmation of General Butler's Movements.

General Butler Finally Established Upon the Sacred Soil.

BLACK TROOPS CROSS THE BLACK WATER

Destruction of Railroads, Bridges, &c.

Beauregard's Army Divided and Badly Whipped.

GENERAL GRANT IS MOVING ON.

WASHINGTON, May 10—8.30 P. M.

Extras just issued contain the following:

Secretary Stanton produced another sensation in the Senate and House to-day, based upon, and supported by a telegram from Gen. Butler, that the latter had established himself finally upon the Sacred Soil south of Richmond, on the line of the Petersburg and Richmond railroad, destroying the bridges on the same; had divided Beauregard's army, whipped A. P. Hill, commanding a division of Beauregard's forces, and his cavalry forces had formed a junction with him—they having swept the Chickahominy country and cleared out all the rebels therein.

Gen. Butler's black troops have successfully crossed the Black Water and separated Beauregard's army.

Gen. Butler declares that he will whip that portion of Beauregard's army which is now south of his position.

He thinks Beauregard will not trouble Gen. Grant by reinforcing Lee. This official information confirms the announcements already made up to the hour of issuing this extra.

Nothing has been received to-day from Gen. Grant, which is certainly good evidence that the contending hosts are moving on.

Rebel Attack on Newbern.

The Enemy Repulsed.

HATTERAS, N. C., May 7.

The schooner Eliza Sheldon, bound for New York, has just arrived here from Newbern and reports that the enemy made a demonstration on Newbern yesterday, cutting off the railroad communication between that place and making his appearance on the south of the Neuse river, two miles below the city, with a cavalry force, accompanied by a battery of four guns, which unmasked the water approaches to Newbern for a brief period.

The gunboats Commodore Barney and Louisiana suddenly made their appearance at the point threatened, and forced the enemy back from the river. Nothing was allowed to pass over the railroad from Newbern to Beaufort yesterday, as this demonstration was expected.
