GAMES PLAYED IN VARIOUS LEAGUES

SCRANTON TURNED TABLES AT WILKES-BARRE YESTERDAY.

Both Teams Played Poorly, But the Barons Outbatted the Miners. Newark Drops Another Game to Lancaster and Richmond and Allentown Defeat Reading and Paterson — Philadelphia and Boston in the Big League.

In a loosely-played game at Wilkes-Barre yesterday, Scranton managed to win out in the seventh inning, when they cinched the game with three runs. Dillon made a double play unassisted, and Eagan led Scranton in hitting. Lancaster had a battling rally at Thornton's expense and Richmond won another game from Reading. Allentown crawled up a few points by defeating Paterson, and is close onto Scranton for sixth place.

In the National league, Philadelphia increased their percentage over St. Louis by defeating the Perfectos, and Louisville wrested tenth place from Washington. Brooklyn's defeat at Chicago forces Baltimore into sixth position, and gives the Orphans a small lead over the Orioles. Cleviland and Pittsburg were easy for New York and Boston, and Cincinnati won from Baltimore by superior stick work.

DOWN GO THE ALLIGATORS.

Scranton Wins at Wilkes-Barre in a Game of Loose Fielding.

Wilkes-Barre, June 23.—Wilkes- and Scranton gave a poor exhibition today. The fielding on both sides was very loose. The home team lost through their inability to hit the ball with men on bases. Score:

DIAMOND PICK UPS.

"Billy" Rhines, one of Pittsburg's pitchers, has received an unconditional release.

A player who has shown more improvement this year than any other on the diamond is big George LaChance, of Baltimore.

A "base ball evangelist" who preached in Kansas City recently, said that faith is first base, the church second base; personal work, third base, and home, heaven. The ball is sin. Mortality, a good player, takes the bat of good deeds, makes a hit, starts for first base, "Faith;" but shortstop Unbelief catches the ball and Mortality never reaches first. Another runner gets to second, "the Church," and stays there. When a player can reach third, (personal work) or is interested enough to take up personal work, he feels pretty safe, for there he comes under the care of the coacher, which is the Holy Ghost. When a player reaches this point he is reasonably certain of the home plate, heaven. "I didn't make the mistake," said a volunteer speaker who followed him, "trying to play the game all by myself, but I made a mistake just as bad. I went at it all right, and got to second, the Church, all right. But I thought I could cut third and get home without doing personal work. That was where I made my mistake and I see it now. I am watching third mighty sharp and I trust to score when the time comes." "I got as far as third," said another, "and for a long time I thought I would die there, but I have started for home and I don't believe I will be railed at the plate."

AMATEUR BASE BALL NOTES.

The Actives of Providence and the Senators of Green Ridge played a very interesting game of ball yesterday on the Actives' grounds. The feature of the game was the playing of the Actives' battery, James and William Littlejohn. The batteries for the Senators were Middleton and Davis. Score 4-3 in favor of the Actives.

UNIQUE LEGAL DOCUMENT.

Attorney J. W. Browning Has a Copy of the Original.

Attorney J. W. Browning, of this city, has in his possession a copy of one of the most curious legal documents ever drawn in this country. It is the work of a judge of the district court of Jefferson territory, now Colorado, and consists of a quit claim deed of his wife. The original was seen by Mr. Browning during his recent sojourn in California. The document reads as follows:

In the court of chancery, Denver City, Jefferson territory (now Colorado). Mary E. Howard, plaintiff, vs. John Howard, defendant.

Petition for divorce: To the petitioner in the above entitled action.

Whereas, having been cited through the press at Denver to appear before one Judge Downing, of the above entitled court, to show cause why your prayer to be divorced from me should not be granted, I the defendant, hereby state (waiving my own oath in the premises) that I do not know any such cause whatever, and therefore confess the corn.

The said defendant as judge of the Canon City District court enters a decree in your favor accordingly: In order to relieve you of any embarrassment in the matter, I have executed and send you herewith attached as a part of this answer a quit claim deed of all my right, title and interest whatever in you, leaving a blank to be filled up by the party ——— grantee, by whom you may in future be claimed under squatter title. Hoping you will fully appreciate my good feeling in the premises, I hereby attach the said deed as follows, to wit:

Know all men (and women) by these presents, That I, John Howard, of Canon City, of the first part, do hereby give, grant, bargain, convey and quit claim all my right, title and interest in and to the following (un) real estate, to wit: The undivided of that ancient estate known as Mary Howard (the title to which I acquired by discovery, occupancy, possession and use), situate at present in the town of Denver, Jefferson territory, together with all the improvements made and erected by me thereon; with all the rents, profits, easements, enjoyment, long suffering and appurtenances thereto in anywise appertaining unto ——— of the second part, to have and to hold unto the said ——— so long as he can keep her, without recourse upon the grantor or endorser. In testimony whereof I have hereunto set my hand and seal this 24th day of June, 1861.

(Seal) John Howard.

Signed in presence of
A. Rudd, clerk of the District court.

THE MARKETS.

Wall Street Review.

New York, June 23.—The stock market did not extend beyond professional bounds at any time today, but the small active element amongst the operators were disposed to cover outstanding short contracts, and as a result prices are very generally higher on the day in some cases, notably so. Total sales 355,500.

The bond market was only moderately active and changes were maintained. There were heavy takings of St. Louis Southwestern seconds at an advance of 3 per cent. and of Wisconsin Central first at an advance of 1 per cent. Total sales par value, $2,637,000.

U. S. 3s coupon declined ⅛ in the bid prices.

By Carrington & Cusack.

New York, June 23.—The opening was strong especially in New York Central and Manhattan. Selling orders preponderated after the first few minutes however, leading traders to short side for a turn. The Vanderbilts were strong and advanced upon the supposition that the dividend would be increased to a 5 per cent basis on New York Central; however, when the announcement of the regular 1 per cent dividend was made, the stock sold off. We are bulls on all the Vanderbilts and believe that between this and the close of the year there will be an advance of from 10 to 20 points above present prices. Big Four will probably be put on a four per cent. basis and will be in the lead of advances. We recommend this stock to conservative operators. Continental Tobacco is being bought by strong parties and there is every evidence of its making material advances and selling as high, if not higher, that it has yet sold.

There are continued rumors on Wall street of decided advances in railroad stocks and of the heaviest investors and speculators being about ready to take hold of them for a good round turn. All through the spring we advised the purchase of industrials which made large advances, but the time now looks ripe to pay attention to the railroad securities which are making large profits and likely to pay increased dividends. We again call particular attention to the Pennsylvania railroad stock, which we believe is selling at a lower price comparatively than any other road on the list. Purchases around present price will yield handsome profits.

The market closed strong at nearly best prices of the day. Wheat had but little feature selling off slightly. We believe it is a good purchase on all breaks for a substantial advance.
