Renovo and Emporium

TOWN LOTS FOR SALE

THE PHILADELPHIA AND ERIE LAND COMPANY, chartered by an act of the Legislature of Pennsylvania, offers for sale choice lots for dwellings and business purposes in the above new towns on the line of the Philadelphia and Erie Railroad.

RENOVO has been selected as the site for the extensive shops for building and repairing the rolling stock of the Philadelphia and Erie Railroad, of which the Penna. Railroad Company are now lessees. It is 92 miles west of Sunbury, and 196 miles east of Erie. The town is beautifully situated on the margin of the west branch of the Susquehanna river, in the county of Clinton, and is surrounded by romantic and attractive scenery. The Railroad Company are erecting an immense Locomotive Round House, Repair Shops for Cars and Engines, Car Building shop, Iron and Brass Furnaces, and Dwellings for the Superintendent and other officers. A splendid Hotel, with which are connected arrangements for feeding passengers on the most extensive scale, has been commenced. All these buildings are of the most permanent and substantial character, of brick and iron, and are in accordance with the immense business anticipated on the completion of this great Railroad, so long anxiously looked for, and now an accomplished fact—the last rail connecting the Susquehanna river with Lake Erie having been laid on Saturday, July 2d, 1864.

A Company has been chartered by the Legislature for supplying the town with gas and water, and the water works are nearly completed. Churches will be erected immediately. The situation of RENOVO is entirely healthy, and as the dimensions of the town are limited by nature, the value of the lots must appreciate greatly in the course of a few years.

EMPORIUM will certainly be the most important commercial point between Lock Haven and Warren, a distance of 158 miles. It is near the centre of the railroad, 47 miles west of Renovo; 139 miles from Sunbury and 149 miles from Erie It is near the Junction of the Driftwood Branch of the Sinnemahoning, with West Creek, Portage Creek and North Creek, the Valleys of which streams make it the most accessible point on the Philadelphia and Erie railroad to a very extensive district of country. The moment the projected railroad connecting it with the city of Rochester, N. Y., shall be completed, few interior towns in the State will surpass it in business capabilities. An excellent graded road now connects it with Coudersport, the seat of Justice of Potter county. It is also connected with Smethport, the seat of Justice of McKean county. Emporium is the County Seat of Cameron county; it has a handsome Court House, and the Land Company have just completed a large and commodious Hotel, which will immediately be opened to the public. The Railroad Company are about to erect a handsome and permanent Passsenger Station at a central point near the Hotel and Court House. The place is healthy, and excellent water is abundant. It is in the midst of one of the finest White Pine regions in Pennsylvania. As a manufacturing town it has great advantages; coal, lumber, stone, bark for tanneries are abundant, and its railroad communications with the great lakes and all points of importance in the seaboard are unsurpassed. This place was selected thirty years ago as a point of importance, and a town laid out with the prophetic name of EMPORIUM, but the difficulty of access has prevented its development so entirely that it is mainly known for the excellence of hunting and trout fishing in the vicinity. The completion of the Philadelphia and Erie railroad must soon make it a place of great importance as a distributing point for goods of all kinds, and it offers great advantages for persons of moderate capital who desire to identify themselves with the early history of a thriving town.

Lithographic Maps of both towns are now ready, and Mr. GIDEON J. BALL, General Superintendent, will furnish all necessary information on the premises, or by letter.

He may be addressed to the care of H. P. RUTTER, Secretary and Treasurer, Philadelphia and Erie Land Company, No 205½ Walnut street Philadelphia, or at Renovo, Clinton county, Pennsylvania.

SOLDIERS READ!

The following letter from a soldier, in reference to the efficacy and powerful restorative qualitities of DR. McBRIDE'S KING OF PAIN, speaks for itself:

NEWVILLE, CUMBERLAND COUNTY, Sept. 14, 1864.

Messrs. S. A. Kunkel & Bro., druggists, Harrisburg, Pa.:

GENTS:—I would inform you that I received the bottles of McBride's Great Pain Killer, and enclosed please find five dollars more, for which send me five bottles additional to-morrow. I leave for camp to-morrow. Let me know whether you can supply me with it in the army. I am in Company H, 202d regiment P. V. I have been in very bad health for upwards of four years, and two of the one-dollar bottles have cured me completely, and have made me feel like a man. Besides, I have cured a number of my comrades of various diseases incident to camp-life, and can recommend it to be the best medicine the soldier can provide for himself.

Yours respectfully; JOS. E. WHITE.

All orders from a distance promptly attended to by S. A. KUNKEL & BRO.

A HOME CERTIFICATE.

The following certificate is from a well-known citizen of Harrisburg:

HARRISBURG, Aug. 30, 1864.

TO THE PUBLIC:—It gives me great pleasure to recommend to the public the medicine prepared by DR. J. J. McBRIDE, which he calls the "KING OF PAIN." I was induced to use it as an external remedy for a bruise, which it relieved immediately, and subsequently cured entirely. Its success induced me to use it internally for Diarrhœa, with which I was afflicted in a chronic form for nearly eighteen months, and to such an extent that my kidneys were seriously deranged. The medicine has cured me, and certainly that is saying a great deal in its favor, when I reflect how many other remedies I tried without experiencing anything but temporary relief. For my part, I shall always keep a supply of it in my house, believing as I do that it is a most invaluable family medicine.

DANIEL E. WILT.

The unexampled sale of this medicine proves it to be the most wonderful discovery of the age in the medical art.

The undersigned are the sole agents for the State, and will supply it wholesale and retail.

MR. S. A. KUNKEL:—

Sir:—I take pleasure in stating that your "DIARRHŒA MIXTURE" exceeds anything of the kind that I ever imagined. I was very much troubled with diarrhœa, and could find nothing to help me in the least, until I took your "MIXTURE."

I give you this certificate, hoping that, if you see proper to use it, it may be the means of extending a knowledge of the matchless value of your medicine.
