NORTH SCRANTON

MEETNG OF WELSH CONGREGATIONAL MINISTERS.

Interesting Sessions in the West Market Street Church—James Golden Had His Finger Blown Off by the Accidental Discharge of a Revolver—Chicken Thieves Are at Work—Basket Ball Tonight—Rescue Lodge, Knights of Pythias, Preparing for a Banquet.

The quarterly conference of the Welsh Congregational ministers of Northeastern Pennsylvania was conducted in the West Market Street Welsh Congregational church Saturday afternoon and evening and Sunday. Saturday was given over to the discussion of current topics, which elicited many interesting comments from the ministers present.

The Sunday services were entirely taken up in discourses by visiting clergymen. Two able sermons were preached in the morning by Rev. Theophilis Davis, of Plains, and Rev. D. M. George, of Pittston. At the afternoon services, which began at 2 o'clock, the Rev. David Jones, of the First Congregational church, of West Scranton, preached an excellent English sermon, followed by the Rev. Mr. Jenkins, of Warrior Run, who also spoke in the English tongue.

The evening service was opened by the reading of the Scriptures by Mr. David Hill, of Jermyn, Pa., who after concluding his remarks introduced the Rev. Hugh W. Jones, late of South Dakota. He delivered in English an excellent sermon. The services were brought to a close at the conclusion of the sermon by the Rev. B. I. Evans.

The intense interest manifested was attested by the exceedingly large congregations which attended all the services. It was found necessary to place chairs in the aisles to accommodate the throng. One of the especial features of the services was the excellent singing of the augmented choir, assisted by an orchestra under the direction of Henry Hitchings. At the afternoon service Mrs. Lizzie Hughes-Brundage kindly tendered her services and rendered a solo with such pleasing effect that by request she was compelled to give another number. In the evening Joshua John delighted the congregation with a solo. Many visitors from out of town were present.

Have Extended Call.

Rev. Arthur H. Smith, of Berwick, Pa., has been extended a call to be pastor of the congregation of the North Main Avenue Baptist church, and although he has not yet formally accepted the offer, has practically done so.

After closing his year on April 1, at Berwick, he will reside in this city, dwelling at the parsonage on Oak street. His pastorate only begins on the first Sunday in April, but next Sunday he will conduct the services at the church.

Shot His Finger Off.

James Golden, the West Market street barber, accidentally discharged a loaded revolver last Saturday and the shot which followed badly injured the forefinger of his left hand.

The revolver was out of order and Mr. Golden was cleaning it, when some object struck the trigger and discharged the weapon. The bullet went through the finger, tearing part of the flesh and nail away. Dr. J. J. Sullivan was called and dressed the injured member.

Chicken Thieves at Work.

Chicken thieves have again been operating in this section of the city, and last Saturday evening the chicken-coop of Edward Morgan was entered and several of a species of fancy breed birds were taken. Mr. Morgan has been in the habit of keeping his fowls under lock and key, but of late he has not placed a lock on the coop on account of it being near the house.

Mr. Morgan's suspicions point towards a party who he is certain has his birds, and he intends to put the case in the hands of a North Scranton alderman if the chickens are not returned today.

Fast Basket Ball Tonight.

This evening the Crackerjacks basket ball team of Green Ridge will play the North End Stars at the Auditorium. The Crackerjacks have been the most successful team of the season, losing but one game during the season.

This evening's game is expected to be the best of the year, both teams placing their best men in the game.

Elected Officers.

Officers were elected Sunday afternoon at a meeting of the St. Joseph's Literary and Benevolent society in their rooms in St. Mary's hall.

They were: President, P. J. O'Donnell; vice-president, Thomas Cullen; recording secretary, James Saltry; financial secretary, Martin Walsh; treasurer, Dominick Evans; sick messenger, Martin Lynch.

TOLD IN A FEW LINES.

The members of Rescue lodge, Knights of Pythias, are at present busily engaged in arranging the necessary details preparatory to their banquet, which will be held sometime next month. It will be remembered that the lodge conducted a similar affair two years ago and so successful was that event that those who attended made efforts to make it an annual event. The society, however, decided to postpone it last year, but have finally acquiesced to the many requests for a banquet this year.

Joshua John, the well-known tenor soloist, is the recipient of a very flattering offer from the Metropolitan church, Washington, D. C., to become a member of the choir. Recently Mr. John accompanied the William Connell Glee club to Washington. At the morning service he rendered a solo with such impressiveness that the choir conductor immediately made overtures to him with the purpose of having him become a permanent member of the church choir. The offer is an excellent one and Mr. John is now considering it.

David Evans, of Putnam street, is recovering rapidly from an attack of typhoid fever.

The marriage of William Richards, the well-known barber, to Miss Margaret Jervis, a prominent young lady of this place, is announced to take place in the near future.

Mrs. John Jones, of Warren street, is able to be about after an illness of several weeks.

Harry Richardson, of North Main avenue, is convalescing after a prolonged illness.

Miss Dora Roe, of Kansas, Mo., is the guest of West Market street friends.

Miss Mame Haggerty, of North Main avenue, is in New York city attending the funeral of her cousin, Mrs. M. J. Reap, of that city.

Arlie W. Crossman, of Throop street, is seriously ill with the grip.

Delia Shoemaker was the only prisoner in police court yesterday. Drunk and disorderly conduct was the charge preferred, and she was discharged.

Druggist Fred Mayo, of Henwood's drug store, visited friends in Pittston yesterday.

Miss Anna Thomas, of Pittston, is the guest of Mrs. Fred Mayo, of North Main avenue.

Aaron Stoll has returned home from Pottsville, Pa.

All news matter will receive prompt attention if left at Davis' drug store, corner of Main avenue and Market street.

Miss Nellie Tuttle, of Diamond avenue, and Miss Lulu Sherman, of North Main avenue, are visiting friends in New York city.

A large gilded frame picture of three young ladies was found in front of Mulley's store, last week, by a patrolman of this precinct. The picture was wrapped neatly in a newspaper. The owner can have it by applying at the Providence police station and identifying the property.

NEW TRIAL IN DUFFIN CASE

(Concluded from Page 5.)

the alleged manufacturing of "discharge cases" by aldermen and justices, and the cases of bribery and perjury which are being prosecuted against Scranton officials and ex-officials.

The jury has a comparatively small number of cases to dispose of this term, and may finish its labors before the week is over.

Among the cases it will pass upon are six from the South district of Lackawanna township, in which John J. Coyne charges Thomas Diskin, William Hart, Thomas Jeffers, John Crowe, Patrick J. Diskin and M. G. Cusick with violating the election laws. The first four are charged with having voted illegally; the last two, who were judge and inspector, respectively, are accused of having neglected to require proof of the right of suffrage after due challenge.

Constables Report Sunday Sellers.

Constable Henry Dierks, of the Second ward, Dickson, reported Saloonkeeper Thomas McGuire for selling on Sunday; Joseph F. Woelkers, of the Eleventh ward, Scranton, complained against Fred Baldner for the same offense, and Reese S. Davis, constable of the Third ward, Dickson, returned Joseph Karolin, Fred Kiefer, William Kryger, John Rembecki, Bernard Rosenfeld and Stanislaus Grozinski for selling on Sunday. The cases were referred to District Attorney Lewis.

It is understood the Men's union agents assisted materially in securing the evidence on which some of these reports are based.
