Renovo and Emporium
TOWN LOTS FOR SALE

THE PHILADELPHIA AND ERIE LAND COMPANY, chartered by an act of the Legislature of Pennsylvania, offers for sale choice lots for dwellings and business purposes in the above new towns on the line of the Philadelphia and Erie Railroad.

RENOVO has been selected as the site for the extensive shops for building and repairing the rolling stock of the Philadelphia and Erie Railroad, of which the Penna. Railroad Company are now lessees. It is 92 miles west of Sunbury, and 196 miles east of Erie. The town is beautifully situated on the margin of the west branch of the Susquehanna river, in the county of Clinton, and is surrounded by romantic and attractive scenery. The Railroad Company are erecting an immense Locomotive Round House, Repair Shops for Cars and Engines, Car Building shop, Iron and Brass Furnaces, and Dwellings for the Superintendent and other officers. A splendid Hotel, with which are connected arrangements for feeding passengers on the most extensive scale, has been commenced. All these buildings are of the most permanent and substantial character, of brick and iron, and are in accordance with the immense business anticipated on the completion of this great Railroad, so long anxiously looked for, and now an accomplished fact—the last rail connecting the Susquehanna river with Lake Erie having been laid on Saturday, July 2d, 1864.

A Company has been chartered by the Legislature for supplying the town with gas and water, and the water works are nearly completed. Churches will be erected immediately. The situation of RENOVO is entirely healthy, and as the dimensions of the town are limited by nature, the value of the lots must appreciate greatly in the course of a few years.

EMPORIUM will certainly be the most important commercial point between Lock Haven and Warren, a distance of 158 miles. It is near the centre of the railroad, 47 miles west of Renovo; 139 miles from Sunbury and 149 miles from Erie. It is near the Junction of the Driftwood Branch of the Sinnemahoning, with West Creek, Portage Creek and North Creek, the Valleys of which streams make it the most accessible point on the Philadelphia and Erie railroad to a very extensive district of country. The moment the projected railroad connecting it with the city of Rochester, N. Y., shall be completed, few interior towns in the State will surpass it in business capabilities. An excellent graded road now connects it with Coudersport, the seat of Justice of Potter county. It is also connected with Smethport, the seat of Justice of McKean county. Emporium is the County Seat of Cameron county; it has a handsome Court House, and the Land Company have just completed a large and commodious Hotel, which will immediately be opened to the public. The Railroad Company are about to erect a handsome and permanent Passenger Station at a central point near the Hotel and Court House. The place is healthy, and excellent water is abundant. It is in the midst of one of the finest White Pine regions in Pennsylvania. As a manufacturing town it has great advantages; coal, lumber, stone, bark for tanneries are abundant, and its railroad communications with the great lakes and all points of importance in the seaboard are unsurpassed. This place was selected thirty years ago as a point of importance, and a town laid out with the prophetic name of EMPORIUM, but the difficulty of access has prevented its development so entirely that it is mainly known for the excellence of hunting and trout fishing in the vicinity. The completion of the Philadelphia and Erie railroad must soon make it a place of great importance as a distributing point for goods of all kinds, and it offers great advantages for persons of moderate capital who desire to identify themselves with the early history of a thriving town.

Lithographic Maps of both towns are now ready, and Mr. GIDEON J. BALL, General Superintendent, will furnish all necessary information on the premises, or by letter.

He may be addressed to the care of H. P. RUTTER, Secretary and Treasurer, Philadelphia and Erie Land Company, No 205½ Walnut street Philadelphia, or at Renovo, Clinton county, Pennsylvania.

"HEALTH AND HAPPINESS TO THE SONS AND DAUGHTERS OF AFFLICTION!"

DR. COLLINS'
SYRUP OF ROOTS
BARKS AND HERBS,

FOR the cure of Coughs, Colds, Sore Throat, Croup, Bronchitis, Asthma, and all similar complaints

The object of this Medicine is to soothe and ease the cough; to dissolve the congealed phlegm that adheres and sticks to the throat, which excites hacking, hawking, and coughing; to relieve the irritation in the throat, which is produced by catching cold on the slightest exposure. It expectorates the diseased matter that has accumulated in the Lungs which retards and oppresses the respiratory or breathing organs, heals and nourishes the lungs and bronchial tubes.

This medicine gives tone to the stomach, it purifies and circulates the blood, which causes oppression of the chest and difficulty in breathing.

Good News for Mothers and Children.—Here is the sufferer's balm; keep it in your family, sickness comes as thief in the night, and your child is suffocated by the awful disease, Croup, or similar complaints. Here is a preventative—it is nature's friend.

SOLDIERS READ!

The following letter from a soldier, in reference to the efficacy and powerful restorative qualitities of DR. McBRIDE'S KING OF PAIN, speaks for itself:

NEWVILLE, CUMBERLAND COUNTY,
Sept. 14, 1864.

Messrs. S. A. Kunkel & Bro., druggists, Harrisburg, Pa.:

GENTS:—I would inform you that I received the bottles of McBride's Great Pain Killer, and enclosed please find five dollars more, for which send me five bottles additional to-morrow. I leave for camp to-morrow. Let me know whether you can supply me with it in the army. I am in Company H, 202d Regiment P. V. I have been in very bad health for upwards of four years, and two of the one-dollar bottles have cured me completely, and have made me feel like a man. Besides, I have cured a number of my comrades of various diseases incident to camp-life, and can recommend it to be the best medicine the soldier can provide for himself.

Yours respectfully, JOS. E. WHITE.

All orders from a distance promptly attended to by S. A. KUNKEL & BRO.

A HOME CERTIFICATE.

The following certificate is from a well-known citizen of Harrisburg:

HARRISBURG, Aug. 30, 1864.

TO THE PUBLIC:—It gives me great pleasure to recommend to the public the medicine prepared by DR. J. J. McBRIDE, which he calls the "KING OF PAIN." I was induced to use it as an external remedy for a bruise, which it relieved immediately, and subsequently cured entirely. Its success induced me to use it internally for Diarrhœa, with which I was afflicted in a chronic form for nearly eighteen months, and to such an extent that my kidneys were seriously deranged. The medicine has cured me, and certainly that is saying a great deal in its favor, when I reflect how many other remedies I tried without experiencing anything but temporary relief. For my part, I shall always keep a supply of it in my house, believing as I do that it is a most invaluable family medicine.

DANIEL E. WILT.

The unexampled sale of this medicine proves it to be the most wonderful discovery of the age in the medical art.

The undersigned are the sole agents for the State, and will supply it wholesale and retail.

THE BURNING SPRING OIL COMPANY
OF
PENNSYLVANIA.

CAPITAL, . . . $1,000,000.
100,000 Shares, Par Value $10 00
Working Capital . . $30,000.

HON. GEO. O. EVANS, President.
J. C. FRYER, Esq., Treasurer.
DIRECTORS.—Wm. S. Hassall, John Gilding, Thomas Tolman.

THE property of this company consists of the following valuable lands:

No. 1. Eleven hundred and seventy-three (1,173) acres in fee simple, situated in Wirt county, West Virginia, on the waters of Rock and Two Runs, branches of the Little Kanawha river, more than three-fourths of which is very fine boreing territory, being on the same plateau with the celebrated "Burning Spring" oil lands, and known as the best OIL TERRITORY upon the UP HEAVEL IN WEST VIRGINIA. Four wells are now being sunk on this large tract. One is almost complete and will be ready for testing in a few days, and promises to yield very largely of superior oil. Two others are nearly down, and the remainder are rapidly progressing. It is a very remarkable fact that no well has been sunk on this flat that has failed to produce oil in large quantities and of a superior quality. It is destined to become the most valuable and most productive oil region of the great Kanawha Valley.

No. 2. Five (5) acres in fee simple (being a part of a large tract of valuable oil land containing one hundred and fifty seven acres, situated in Venango county, Penn'a and lying on the East Sandy river, three miles above the Allegheny river. One well is now in successful operation on this tract, with sufficient territory to sink *twenty-five more wells.*

The following valuable leases belong to this company.

No. 1. The "Austin Dickey's" lease of one and three-quarters acres of land situated in Wirt county, West Virginia, lying at the mouth of *Burning Spring Run.* Two (2) wells on this tract are yielding largely.

No. 2. The "Harper's Lease" of one acre of land situated as aforesaid, and lying at the first fork of the *Burning Spring Run.* One well on this tract.

No. 3. The "Gordon & Newcomb's" lease of one acre, situated as aforesaid, on *Burning Spring Run,* near the Washington Co's lease. Two (2) wells on this tract.

No. 4. The "McFarland's" lease of one and one-third of an acre of land, situated as aforesaid at the head of *Burning Spring Run.* Two wells are in operation on this tract.

The vast territory of almost *Twelve hundred* acres of land owned by this company, with *Seven Wells* now in successful operation and producing oil, and the vigor with which the other wells are being sunk, the company being organized entirely and solely for the purpose of engaging in the legitimate business of producing oil, and developing and improving the lands belonging to the company. The management of the same having been entrusted to gentlemen of known business enterprise, responsibility and skill, who will bring to the accomplishment of the object their united energy and business industry.

We are satisfied in believing and assuring the stockholders that it will yield largely to them, and offers inducements of the highest character to capitalists and men of small means who wish a profitable, safe and paying investment.

I have still a few shares of stock of this company to offer for sale. Those wishing the same can obtain all the necessary information together with full particulars, description of the lands, maps, etc. etc., by applying to me either in person or through the mails
