As every-body seems to be engaged this fall in blowing his own trumpet, to what he or they can do in the Dry Goods and Grocery Line, we have had half a mind to try our hands at the business ourselves, but feeling a timidity about it, we will only say, that we have just received several

Boat Loads,

comprising the latest styles of rich and costly goods, at which we have all hands engaged in unpacking, Our customers generally, and particularly our Lady customers, we now remind that such an assortment of

Awful! Astounding!

What an awful and dreary winter this is! Our *hands* and *feet*—Yes our very ears are freezing behind the stove! But the most astounding thing of all is, that these frozen limbs can be cured in the short space of *four days*, by the application of the genuine Siberian *Frost Spiritus.*

This valuable remedy, that is the genuine article, can be had only at the Apothecary Store of Dr. Duowsky, in Allentown. The sale of soveralo hundred vials is the best evidence of its curative powers.

Such of you who suffer with the pain of frozen limbs, and wish to free themselves from the unpleasant feeling, will please call at the Drug Store of the undersigned, the fourth door east of the Post office, in Hamilton Street, Allentown.

☞To Druggists and merchants in the country, a liberal discount will be allowed.

Dr. W. F. DONOWSKY.
