There is no article manufactured in which there is so much deception practiced as there is in Spectacle Glasses. Knowing that the public have been frequently imposed by parties pretending to have a superior article of Glasses, and charging exorbitant prices for them, thereby trafficing upon the necessities and infirmities of age, I have taken pains to select a large and complete assortment of the finest and best Glasses ever manufactured, thus affording all persons needing Spectacles an opportunity of purchasing at reasonable prices. Persons having any difficulty in being suited elsewhere will do well to give me a call, as I feel confident that no one will fail to be suited. NATURE'S GREAT RESTORER.

SHEETZ'S

CELEBRATED

BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature and selected with the utmost care. It is not recommended as a cure all, but by its direct and salutary influence upon the heart, liver, kidneys, lungs, stomach and bowels it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable family medicine and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for Diarrhea, Dysentery, Bowel Complaint, Dyspepsia, Lowness of Spirits, Faintings, Sick Headache, &c. For Chills and Fevers of all kinds it is far better and safer than quinine without any of its pernicious effects. It creates an appetite, proves a powerful digester of food and will counteract the effects of liquor in a few minutes. Prepared by

JACOB SCHEETZ, SOLE PROPRIETOR,

M'GUIRE'S SPANISH HAIR DRESSER, for promoting the growth, beautifying the hair and rendering it soft and glossy. No other compound possesses the peculiar properties which an exactly suit the various conditions of the human hair. The use of this oil as a hair dresser has been universal in every section of the country in the Spanish Main for centuries. No preparation of art could give that elegant luxuriance and abundance of hair which has so often been the admiration of travelers in Spain. This oil is highly and delicately perfumed, forming an article unrivaled in excellence and upon which the Spanish people for many years have set the seal of enduring approval.

McGUIRE'S

MEXICAN WILD FLOWER SHAMPOO LOTION,

For removing dandruff and scurf from the head, whitening and perfuming the skin. This article is entirely different from anything of the kind ever offered in this country, and is warranted free from all poisonous substances. This valuable lotion was used by the Emperor Maximilian and Empress Charlotta of Mexico, and universally used by Mexicans for three hundred years. As a wash for the head it is cooling, cleansing and refreshing. When thus used it at once relieves headache.

McGUIRE'S WILD FLOWERS FOR THE TEETH.

All those who are in favor of white teeth and a pleasant and perfumed breath should at once use McGuire's Wild Flowers for the Teeth. All these preparations are put up in the most elegant and ornamental manner. We make no exception in saying that they are an ornament to a lady's toilet table, and none can be complete without them.

FLAG OF THE WEST,

DEVOTED TO LITERATURE, SCIENCE AND USEFUL KNOWLEDGE.

Published Monthly, by J. H. HARTMAN & Co.,

CINCINNATI, OHIO.

PROSPECTUS FOR 1869.

THE FLAG OF THE WEST is the cheapest paper published in the United States. It is a handsome quarto sheet, each number of which contains forty columns of splendid reading, comprising—fun, humors, manners and customs of different countries, biographical sketches of eminent men, arts and sciences, answers to correspondents, poetry, useful recipes, comic engravings, &c. Also, articles on hunting and trapping, by an old hunter, showing how to hunt and trap all kinds of animals from a squirrel to a bear, how to cure the skins, build traps and boats, and other information equally useful and interesting to the trapper and farmer.

We will also make a special feature of exposing the various swindles and humbugs of the day. If you wish to know how "confidence men" and farmers are swindled by sharpers in large cities, how lotteries and gift enterprises are managed, how the unwary are victimized by confidence men, subscribe for the

FLAG OF THE WEST.

Advertised humbugs of every class and character will be exposed as soon as they make their appearance, all about that "two dollar sewing machine," "dollar music box," the celebrated "honeycomb" watches, "oroide" watches, and hundreds of other schemes by which unscrupulous persons are making a dishonest living, by swindling the public.

Besides the general features to which we have above alluded, we have added special features of particular value and excellence, and are now making arrangements for others, which will make the FLAG OF THE WEST

THE BEST FAMILY NEWSPAPER IN AMERICA
