IMPORTANT TO ALL

INVALIDS.

IRON IN THE BLOOD.

It is well known to the medical profession that IRON is the Vital Principle or Life Element of the Blood.—This is derived chiefly from the food we eat; but if the food is not properly digested, or if from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will obstruct the liver and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

The great value of

IRON AS A MEDICINE

is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation as it will enter the circulation and assimilate at once with the Blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown.

THE PERUVIAN SYRUP

is a Protected solution of the Protoxide of Iron a New Discovery in Medicine that Strikes at the Root of Disease by supplying the blood with its Vital Principle or Life Element—Iron.

THE PERUVIAN SYRUP

Cures Dyspepsia, Liver Complaint, Dropsy Fever and Ague, Loss of Energy, Low Spirits.

THE PERUVIAN SYRUP

Infuses strength, vigor and new life into the system, and builds up an Iron Constitution.

THE PERUVIAN SYRUP

Cures Chronic Diarrhœa, Scrofula, Boils, Scurvy, Loss of Constitutional Vigor.

THE PERUVIAN SYRUP

Cures Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder.

THE PERUVIAN SYRUP

Is a specific for all diseases originating in a bad state of the blood, or accompanied by Debility or a Low State of the System.

FRIENDS & RELATIVES

OF THE

Brave Soldiers and Sailors.

HOLLOWAY'S PILLS,

AND OINTMENT.

All who have Friends and Relatives in the Army or Navy should take especial care that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their Friends. They have been proved to be the Soldier's never failing friend in the hour of need.

COUGHS AND COLDS AFFECTING LUNGS.

Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

SICK HEADACHES AND WANT OF APPETITE, INCIDENTAL TO SOLDIERS.

These feeling which so sadden as usually arise from trouble or annoyance, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach.—These organs must be relieved, if you desire to be well. The Pills, taken according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence, a clear head and good appetite.

WEAKNESS OF DEBILITY INDUCED BY OVER FATIGUE

Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the Bowels be either confined or unduly acted upon. It may seem strange, that Holloway's Pills should be recommended for dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach, and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system, however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the bowels so sure as this famous medicine.

VOLUNTEERS, ATTENTION! INDISCRETIONS OF YOUTH.

Sores and Ulcers, Blotches and Swellings, can with certainty be radically cured. If the Pills are taken night and morning, and Ointment be freely used as stated in the printed instructions. If treated in any other manner, they dry up one part to break out in another—Whereas the Ointment will remove the humors from the system, and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.

FOR WOUNDS EITHER OCCASIONED BY THE BAYONET SABRE, OR THE BULLET, BURSES OR BRUISES.

To which every Soldier and Sailor are liable, there are no medicines so safe sure, and convenient, as Holloway's Pills and Ointment. The wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all round it, then covered with a piece of linen from the knapsack and compressed with a handkerchief. Taking, night and morning, 60 of the Pills, to cool the system and Prevent inflamation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable Remedies.

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernable as a Water-mark in every leaf of the book of directions around each pot or box; the same may plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*** Sold at manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world.

☞ Holloway's Pills and Ointment are now retailed owing to the high prices of Drugs, &c., at 38 cents, 70 cents, and $1.10 per Box or Pot.

☞ There is considerable saving by taken the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

☞ Dealers in my well known medicines can have Show Cards, Circulars, &c., sent free of expense, by addressing THOMAS HOLLOWAY, 80 MAIDEN LANE, NEW-YORK.

HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, corrective and alterative of wonderful efficacy in disease of the

STOMACH, LIVER AND BOWELS.

Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all complaints of either Sex, arising from Bodily Weakness Whether inherent in the system or produced by special cause.

Nothing that is not wholesome, genial and Alterative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forewarned against disease and, so far as the human system can be protected by human means against malaria engendered by an unwholesome atmosphere, impure water and other external causes, HOSTETTER'S BITTERS may be relied on as a safeguard.

In districts infested with *Fever and Ague*, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being paid with quinine for months in vain, are all fairly astonished with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of HOSTETTER'S BITTERS.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in case of Dyspepsia and in less confirmed forms of indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs.

Persons of feeble habit, liable *Nervous Attacks, Lowness of Spirits and Fits of Languor*, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the ale at instant, and by occasionally resorting to it, the return of the complaint may be prevented.

As a general Tonic, HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional weakness, premature decay and debility and decrepitude arising from old age, it exercises the electric influence. In the convalescent stage of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to reinforce and re-establish them. Last, but not last, it is the only safe stimulant, being manufactured from sound and innocuous materials and entirely free from the acid elements present more or less, in all the ordinary tonics and stimulants of the day.

No family medicine has been so universally and it may be truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.

HELMBOLD'S

Genuine Preparations.

COMPOUND FLUID EXTRACT BUCHU, a positive and specific remedy for diseases of the Bladder Kidneys, Gravel, and Dropsical Swellings.

This medicine increases the flow of urine and relieves pain, heat, and scalding in the passage, it allays inflammation, and is recommended by the most eminent physicians as the best diuretic known, and is the only preparation in use that can be relied on in cases of Gravel.

I do this the more readily because I feel that Helmbold's Genuine Extract Buchu is superior to any other diuretic in the market, and I know from its effects upon myself that it is the best medicine I ever used.

J. NEWTON BROWN.

From the Rev. Jos. H. Kennard, Pastor of the Seventh Baptist Church.

DR. JACKSON:—Dear Sir: I have been frequently requested to connect my name with testimonials of the different kinds of medicines that regarding the practice is out of my appropriate sphere. I have in all cases declined, but with a clear proof in various instances, and particularly in my family, of the excellence of Helmbold's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system and especially for dyspepsia complaint, it is a safe and valuable preparation. In some cases it may fail; but generally I believe it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully, KENNARD.

DR. C. M. JACKSON:—Dear Sir—Personal experience enables me to say that I regard the German Bitters prepared by you as an excellent medicine in cases of severe cold and general debility. I have found myself benefited by the use of the Bitters, and doubt not they will produce similar effects on others.

Yours respectfully, WARREN RAWLEIGH.
