HOME MATTERS.

Scott Convention of the 23d.

☞ Each Delegation, County, Township, Borough and Ward will march directly to the AMERICAN HOTEL, (the place for holding the Convention) on Penn street, so as to be there by 11 o'clock, of said day.

Geo. Wm. *Larimer*, Chief Marshall of the day, will detail a sufficient number of his Aids to receive each Delegation as it arrives.

The Secretaries will please report the number they have in procession to the Committee on Banners, who will be at the Old Brad Quarters, corner of Fifth and Smithfield Street, on that day. By order of the

sept1:1awto EXECUTIVE COMMITTEE.

Our city reporter is confined to his house from illness.

LECTURE.—Rev. Dr. Baird will deliver a Free Lecture on "The Waldenses," in Dr. Riddle's Church, on this (Wednesday) evening, commencing at 7½ o'clock. The lecture will be well illustrated by maps, plates, &c.; and citizens are earnestly requested to attend.

We learn from those who attended Gen. Scott a part of the way to Cleveland, that the most enthusiastic demonstrations attended him all along the road. At every station crowds of people were gathered to welcome him, and take him by the hand, and testify their high respect and affection. At Salem and at Alliance, the assembly was very great, and the old veteran addressed the people and thanked them for the unmistakable testimonials of their regard.

It is not surprising that the people should feel thus towards Gen. Scott. No living man has done more for his country, and his country's glory, and the name of none now living will go down to posterity crowned with more imperishable honor. The people admire and love him, and they will vote for him, despite all the slanders of the opposition.

The celebrated Chippewa Glee Club, under the leadership of the well-known vocalist, Mr. Joseph Murphy, has arrived in town, and will be present and sing at the Whig Mass Convention to-morrow.

IMPORTANT TELEGRAPHIC INVENTION.—Mr. J. W. Kelly, Pittsburgh Manager of the Lake Telegraphic Line has invented and is about applying for a patent for a Continuous Self-Repeating Magnet, by which an Operator in Halifax can write to New Orleans on one continuous wire and receive an answer without change of ways or switches. Operators in way offices are thus saved the trouble of transmission, besides many annoyances to which they are subject by the present mode of transmitting and receiving despatches. The new invented machine is also more economical, as it can be worked as far before with but one instrument and magnet, while it requires much less galvanic power.

Mr. Kelly has expended much time and study in bringing his invention to a successful development, and we hope he will be amply remunerated, as his machine can be introduced without difficulty, the present machine being susceptible of remodelling, at little expense, while the vast utility of the invention, must be at once apparent to the operator.

The operatives in Jones and Quigg's Works, second Ward, raised a very fine Scott pole, one hundred and twenty feet high, yesterday afternoon, and from which wave a noble flag and streamers. They raised it without any trouble, and say they shall elect Scott just as easily.

FRONTIER CONVENTION.

MARSHALS OF THE DAY.

Gen. WILLIAM LARIMER, Chief Marshal.

ASSISTANTS.—J. L. Drinkle, Joseph Kay, Col Leopold Sahl, Capt. T. A. Bowley, W. J. Howard, Jr, J. Lowry, A. P. Ansbutz, W. C. Friend, C. L. Magee, Jos. Hastings, Chas. Lewis, J. A. Sargent, R. J. Thomas, Jos. Nixon, Capt. John Herron, Capt. J. O'H. Denny, Jno. D. Bailey, H Campbell, Capt. W. Jones, R. C. Grey, John Small, Dr. Cochran, of East Birmingham, Dr. Lange, David Sims, Capt. L. W. Smith, J Ochse, G. L. B. Fetterman, M. Edwards, A. Hartje, C. Geng, J. B. Sweitzer, J. Watson, T. Geoghegan, J. Gripp, A M. Watson.

NOTICE EXTRAORDINARY.—The Executive Committee of the Scott Club, together with the Chief Marshal and his Assistants will meet at Splane's Building, this morning at 10 o'clock, to complete the arrangements for the Convention of to-morrow. Punctual attendance is requested.

YOUNG MEN'S SCOTT CLUB.—A meeting of the Young Men's Scott Club will be held this (Wednesday) evening, at 7 o'clock, at Splane's Building. Several distinguished speakers are expected to be present and address the meeting.

The Chippewa Quartette Glee Club of Philadelphia will be in attendance, and enliven the meeting by some of their exquisite songs. Come one, come all!

By order,

THOS. M. MARSHALL, Pres't.

THE NEW EPISCOPAL CHURCH.—We present to our readers, below, some interesting facts in regard to this fine building, which is now in course of erection on Grant street, opposite the Court House.

Length of the building,	120 feet.
Width " "	65 "
Height " "	70½ "
" " Spire	75 "
Whole height of stone work,	145 "
Height of ornamental work above the Spire,	8 "

It is constructed entirely of sand-stone, obtained from the lands of George A. Bayard, Esq. Versailles township, on the banks of the Youghiogheny river. The stone was presented to the church by Mr. Bayard. The supporting posts of the interior of the building, are of free stone, which was procured near Deer Creek. The wood work is constructed entirely of oak, and the pews are intended to seat 800 persons. The windows are of stained glass, and the floor is composed of variegated tile. The architecture is purely Gothic. Mr. John Notman, of Philadelphia, is the designer, and Messrs. James Eakman & Co., are the contractors. The whole cost of the building and lot, will be about $65,000. It is expected to be completed and ready for use, early in October. It will contain a chime of bells and a valuable organ. Altogether, the building is designed and constructed in an elegant and durable manner, and reflects much credit on the skill of the architect and contractors. For its dimensions, &c., we are indebted to the courtesy of Mr. James Earsman, the senior member of the firm.—*Journal.*

Scrofula.

☞ IT is due to Kier's Petroleum to say that it has been known to completely eradicate every vestige of this dreadful disease in less time than any other remedy, and at less cost or inconvenience to the patient.

The thousands of certificates in the hands of the proprietor, many of which are from well known citizens of the city of Pittsburgh and its immediate vicinity, go to show clearly and beyond all doubt, that KIER'S PETROLEUM is a medicine of no common value, not only as a local remedy in Paralysis, Rheumatism, Deafness, loss of Sight, but as a valuable internal remedy, inviting the investigating physicians, as well as the suffering patient, to become acquainted with its merits.

Those having a dread of mixtures are assured that this medicine is purely natural, and is bottled as it flows from the bosom of the earth.

The following certificate is copied from a paper published at Syracuse, New York, and bears date August 2, 1852, in which also appeared the certificate of the celebrated D. Y. Foot, M. D., of Syracuse:

This may in truth certify, that I have been so badly afflicted with Scrofula for the last seven years, that most of the time I have been unable to attend to any kind of business, and much of the time unable to walk, and confined to my bed, and have been treated nearly all the time by the best physicians our country affords; I occasionally got some relief, but no cure, and continued to grow worse, until Dr. Foot recommended me to try the Petroleum, or Rock Oil, as every thing else had failed. I did so without faith in it, but the effect was astonishing; it threw the poison to the surface at once, and I at once began to grow better, and by using seven bottles, I have got a cure worth thousands of dollars.

MRS. NANCY M. BARKER.

This may certify that I have been acquainted with Kier's Petroleum, or Rock Oil, for more than a year, and have repeatedly witnessed its beneficial effects in the cure of indolent ulcers, and other diseases for which it is recommended, and can with confidence recommend it to be a medicine worthy of attention, and can safely say that success has attended its use, where other medicine had failed.

For sale by all the Druggists in Pittsburgh.

"It Gives General Satisfaction."

☞ SO say all the dealers in M'Lane's Vermifuge, and so also may the proprietors say, as they are daily receiving certificates so numerous that to print them would fill a volume. But what is the use of further certificates to a medicine that has become so universal?—Let the testimony of a few of its supporters suffice—

Mr. George Maxwell, of Augusta, Carroll Co., has used it in his family with the best effects.

J. H. Cutter, a respectable merchant of Louisville, after having used others without effect, administered a dose of M'Lane's Vermifuge, which completely removed the worms.

It has also been used with success in the families of the following persons:

Pittsburgh and Vicinity—James Sinclair, Pennsylvania Avenue; Mary J. Stratton, Mary Stratton, Sarah Hornbeyer, Manchester; Margaret Lindsey, do; James Burke and Agnes Burke, Squirrel Hill.

A salute was fired, and the troops were ordered out.

Urquiza's speech shows a very friendly feeling for this country. The following week he was to visit Montevideo to have an interview with the government of Uruguay. English and French Commissioners were at Montevideo for the same purpose. The citizens of Buenos Ayres were much opposed to Urquiza, and were awaiting an opportunity to upset him. All the Governors appointed, by him immediately resign, and he is acting himself with the privy Council.
