IN the equestrian department, one of the leading, and from the novelty the most striking feature are the wonderful exploits of the *wild rider*,

EATON STONE.

this extraordinary equestrian of whose skill and daring, volumes have been writen wherever he has performed, appears in two distinct acts of horsemanship in neither of which does he use saddle or bridle on his superb steeds, though they are both as wild and apparently untameable as when first lassood by him on the Pampers of South America. Their leaps are truly terrific, and it is impossible to describe the sonsations of the beholder, as he watches the motions of horse and rider, which are in perfect unison, and which convey to the mind a strong picture of the "Centaurs" Heathen Mythology

Mast. T. NEVILLE is another of the stars which from the brilliant Galaxy of Talent, of which this great company is composed. He is every where admitted to be without a rival in his feats of equitation. Mr. CADWALLADER, the graceful and daring many horse rider, the established favorite of this company. Mr. E. DERIOUS with his highly educated and superb stud of Lilliputan Shetland Ponies. The great and widely renounced Acrobats, the RIVERS FAMILY, whose pleasing and astonishing feats, have never been equalled in America: the acomplished equestrian and champian vaulter, M. W. O. DALE. Mr. SAM. LEE, herculean feats are the wonder and admiration of all who witness them. The juvenile equestrian prodigies, Mast. G. DERIOUS and B. Williams. Two great clowns, JOHN GOSSON and DAN GARDNER, whose unexceptional art and most approved and good humor have placed them at the summit of the profession. Master of the Arena, Capt J. A DECAMP. The grand Heroic Equestrian Dramatic spectacle,

St George and the Dragon, or the seven champions of Christendom, got up with most lavish experience, new and gorgeous dress, properties anq apppintments of every sort, as performed for hundreds of nights at the national Ampitheatre, Philadelphia will conclude each evenings entertainmen.

☞ Post's celebrated Military Band will accompany the performance.

A great and entirely novel feature in the magnificent pavillion, is the manner in which it is illuminated, the means used being a Portable Gas Factory. In this machine probably the greatest discovery of the age, the quantity of gas necessary to render the interior of the pavilion as light as noonday, is daily manufactured, and the article produced affords a purer, better and more brillant light than can be obtained from any other made in the country.

Dr. Cullen's PANACEA.

The afflicted are invited to call and see Mr Isaac Brooks, Jr., at the corner of Third and Wilcox streets, and Miss Christiana Sands, Beach street below Spruce street, on the Schuylkill. These two persons have been snatched from the very jaws of the destroyer, through the agency of that most potent of all medicines, *DR. CULLEN'S INDIAN VEGETABLE PANACEA.*

Dr Cullen's Panacea is the only certain cure for Scrofula or King's Evil, Tetter, Erysipelas, Old Sores and Ulcers, Mercurial Diseases, and all other affections, cutaneous or otherwise, arising from impurities of the blood.

In the extraordinary cure of Mr. Brooks, people who visit him, hold up their hands in astonishment, that ANY medicine could have arrested his disease—then go away resolved to recommend Dr Cullen's Indian Vegetable Panacea to every one they hear of who has need of a purifying medicine.

So with Christiana Sands—her cure of Scrofulous sore throat was quite as extraordinary as Mr. Brooks', when we reflect that from the disease her tea or coffee would frequently pass out of her ears, when attempting to drink, [See her certificate.]

The people are beginning to understand, too, that the various Syrups of Sarsaparilla are little better than molasses, and that it is madness to throw away money on articles which, under the most favorable circumstances, do not produce any impression on the system until several gallons have been swallowed. One bottle of Dr. Cullen's Panacea seldom fails to produce conviction in the minds of patients that a radical cure is certain.

Thus hope, [so necessary, an ally to medicine,] springs up at the outset, and the patient is cured before any other preparation could have made the slightest impression upon the disease!

In fact, the twelve ounce bottles of Dr. Cullen's Panacea, compared with the pint and quart bottles of other purifiers, are valuable about in the proportion of gold to copper. Those who woule prefer a penny to a half eagle, on account of its size, would make a poor selection to say the least.

Sarsaparilla a good purifier! Dr. Cullen's Panacea contains its extract in its most concentrated form. Added to this are other extracts, more active and powerful, and which effect in combination with the Sarsaparilla, what the latter article, or combined with the most powerful poisons, cannot alone accomplish.

It has cured where everything else had failed and this in a multitude of cases—not in Europe or in the moon, (where so many great cures have been performed,) but in Philadelphia and other pafts of the union. And be it distinctly understood that we do not obtain our extracts by "boling 400 gallons down to one," it being known to every druggist's apprentice that boiling destroys the essential virtues of medicinal plants and roots.

Read what others say of the virtues of

Dr. Keeler's Cordial & Carminative

For the speedy cure of Diarrhœa, Dysentery, Cholera Infantum, Cholera Morbus, all summer complaints, Cholic, Flatulency, and all derangements of the stomach and bowels from teething, &c.

Thousands die annually with diseases of the stomach and bowels from neglect. Among the numerous remedies both public & private, recommended for the above disease none are equal to the Cordial. Years of experience and trials made with it in hundreds of cases, superadded to the voluntary testimony from physicians and others, gives it a character not to be unheeded by those cherishing the welfare of themselves and children. Speedily subduing the pain and inflammatory tendency, allaying irritability of the stomach, and constraining unhealthy evacuations, its operation is prompt and effectual.

That it will cure, and has cured, the worst form of disease of the stomach and bowels, read the following evidence:

Philadelphia, June 1, 1849.

Dr. *J. N. Keeler*—I received your note this morning asking for information as to the distribution I made of the package of cordial you put into my possession while in command of the U. States transport during the Mexican war According to your direction a part was distributed in Vera Cruz, the other I kept for the use of my seamen and others on board, beliving I should have use for it, as I had on board frequently from one to three hundred persons, and that many when leaving Mexico would be on the sick list.—Such was the fact, for Dysentery and Diarrhœa extensively prevailed; I used the cordial freely, and in not a single instance do I recollect of its having failed to cure. My own crew would often be attacked with Diarrhœa, Dysenterry, &c, peculiar to nearly all after getting on shore and eating fruit and vegetables; in all such cases the cordial did not fail to cure speedily

When in New Orleans, a friend informed me of a Philadelphia gentleman, S Churchman Esq, who was sick with the Dysentery, and despaired of by his doctor I mentioned having a bottle or so of your cordial I sent it to him, and in a few days I had the pleasure of seeing him well, I can give you many names and testimonials of the efficacy of your cordial if necessary. I have given it to one ship master of this port, in particular Capt Whipple, ship Monongahela, and he informed me he would not be without it I think it is the safest and best medicine that I have ever known to be used in affections of the stomach and bowels.

I remain yours respectfully,

D D Wilcox, 288 S Eighth street

Davisville, Bucks co, Aug 25, 1847

Dear Sir—I am now prepared to recommend your cordial from having used it with success in several instances, and I am now trying your Sarsaparilla Panacea in a case of protracted debility, attended with cough, apparently produced in the young lady by her 'outgrowing her strength,' to use a common phrase. Yours, A EARLE, M D

From the Upland Union.

We are as little disposed as most persons to encourage appeals to law or medicine, but with all the legerdemain of the first, and the ignorance and quakery of the last, appeals must occasionally be made to both. The excessive heat and the accompaning productions of the season are already producing Diarrhœa, Dysentery and holera Infantum, complaints which if not promptly relieved produce great debility and frequent death. From a knowledge of its beneficial effects, we refer to Dr. Keeler's Cordial and Carminative," advertised in this paper. Dr. Keeler is a physician of intelligence, skill, and large practice, and if the remedies and commendations of medical authority are to be depended on the above named article will be found useful in the complaints referred to.

☞ Also Dr. Keeler's Sarsaparilla, a medicine of great efficacy in freeing the system from all diseases arising from impurities of the blood. In chronic diseases of the chest, stomach, liver and skin it is of great benefit. Females suffering with nervous debility loss of appetite, costiveness, pains of the chest, functional obstructions will find a positive cure in the Sarsaparilla. ☞ See pamphlets. Price $1.

All of the above celebrated and extensively used medicines, are prepared and sold Wholesale and Retail, 294 Market street, Philadelphia.

For sale also by J. R. MOYER, Bloomsburg; Chalfant & Hughes, and Dr. J. A. Moore, Danville; E. Franciscus, Jersey Shore; and by Druggists and Merchants throughout the County and State.
