Among other reasons why Dollard's Hair Cutting Saloon maintains its immense popularity, is the fact that his tonic is applied to every head of hair cut at his establishment, consequently, it is kept in better preservation than under any other known application. A CALL

TO THE FASHONABLE AND

OTHERS.

THE undersigned, having just received the latest Paris and New York Fashions, would again beg leave to inform his numerous friends and all the world about Bloomsburg, that he is now better prepared than ever to accommodate any one with the neatest, easiest and best fitting suits of Clothes that have been turned out lately; and not only that, but he will also do them up in the best order, upon the lowest terms.

His shop is at the old stand, (too well known to need further notice) where he may at all times be found, seated upon the *bench* of repentance, steadily drawing out the *thread* of affliction, hoping it may in the *end* prove advantageous to him and his customers. He would also advise his friends to bear in mind that poor, afflicted tailors must live, or they can't be expected to work. Therefore, Wheat, Rye, Corn, Oats, Potatoes, and with all now and then a little CASH will come mighty handy from those who are back-standing on his book.

Remember, gentlemen, that in all cases "the laborer is worthy of his hire."

BERNARD RUPERT.

Herald of Penmanship!

GOOD NEWS FOR BAD WRITERS!!

For Young Men Going into Business!

LADIES, CHILDREN, AND SCHOOLS,

You can now obtain, for the first time in the world, a practical handwriting, adapted to business or correspondence, with as much certainty as a child learns to walk; and without, nearly as well as with the aid of a master! MACLAURIN'S Currente Calamo (Rapid Pen) System puts this necessary art in the power of all, WITHOUT MISTAKE! By a Series of Manual Gymnastic Exercises, entirely new in their design, it takes the chain off the hand, arm and fingers, makes the hand perfectly at home on paper, and combines the element of Rapidity with beauty of Execution. It begins a REVOLUTION in the ART of WRITING! Such as has never before taken place, and will qualify thousands of young men for good positions as book keepers, accountants, and copyists who have failed to learn to write well under every other system. It is equally adapted to teaching a rapid and elegant ladies' hand.

I.—*Self Instruction Series of Books*—The essential course of this Series consists of MACLAURIN'S System of Manual Gymnastic exercises, in five numbers, accompanied by a Book of Instruction, six books in all, together with six of the MacLaurin Pens and a holder, put up in one package, and sent to any part of the U. S. by mail, with the postage paid, at one Dollar.

The larger Course is the same as the preceding, augmented by the Series of six round and fine-hand Copy-Books and a blank exercise Ruled Book, for additional practice, making thirteen books in all, with pens and Instruction Book, at Two Dollars.

The book, containing a full Exposition of the System, with Directions, will be sent separate to any one ordering it and including a postage stamp and twelve and a half cents. This will give a full knowledge of the immense advantages of the System over all others, and enable the buyer to proceed understandingly, if not already aware of the nature of the plan; which is, the Art of Writing rapidly from the first, and at the same time well—*an art never before taught either in the schools or by writing masters.*

EXTRA.—1 Primary Book of big exercises for hand and arm, introductory to the Course, adapted to children from four years old upward, and useful to all. 18¾ cents.

2. Book of Mammoth Capital Letters, for extra Gymnastic Exercise during the whole course. 18¾ cents. These two books also indispensable in schools.

II.—*The School Series*—Teachers are resp
