THE absence of the EDITOR this week will be sufficient excuse for any lack in the columns of this number of the STAR. We trust the paper will keep up its usual interest, and in a few days we will be at our helm.

MILTON H. KERR, of Cattawissa, will please accept our thanks for that large *water-melon* he left at our office a few days since. It was a splendid one--delicious. The printers did justice to it. In a few minutes after its reception into this office, nothing was left to be seen of it except here and there a rind scattered over the floor. Mr. Kerr, we are informed, cultivates the island near Cattawissa, in the Susquehanna river, and raises a great many water-melons. He brought a load to this place for sale on last Saturday.

DOWN TOWN AHEAD.—We would announce for the information and good of the public, that Joseph Sharpless has received a fresh arrival of new goods at his store, for fall and winter. He is prepared to sell at the right figure, and keeps what is commonly found in country stores. His stock is of a good quality, and rather extensive. People will do well by giving him a call. See advertisement in another column.

BRYANT & STRATTON'S MERCANTILE COLLEGES.—These institutions are graduating yearly hundreds of young men, qualified for all the duties of the Counting House, and many of them now fill posts of trust and profit. A business education is the most available capital, a young man can possess almost all may acquire this. Young men improve your chances. Now is the time to enter. See card in another column.

STOVES AND TIN WARE.—Our young townsman, *Philip S. Moyer*, is carrying on the tining business in all its various branches in Bloomsburg. In connection with tin ware, he keeps constantly on hand an assortment of stoves. He has the following named stoves, gas burners: "Christopher Columbus," patented 1859; "Wm. Penn," lately improved; "Rob Stove," and the "Morning Star," (all cook stoves.) He also keeps on hand different kinds of office and parlor stoves, fancy and plain. He will sell cheap for cash, thereby enable his purchasers to get good bargains. Give him a call, and examine his stock of wares. His establishment is opposite the Exchange Block.

MAJ. VAN CAMP.—On the outside of today's STAR will be found a brief sketch of *Maj. Moses Van Camp's* early life and contentions with the Indians, taken from SHERMAN DAY'S *Historical Collections of Pennsylvania*. Moses Van Camp and his brother Jacobus Van Camp were famous in the border wars of the Susquehanna, among the Red men of the then wild forest. We learn that the father of this family was a Low Dutchman, probably from the Minisink settlement on the Delaware. In the winter of 1838, then living at Dansville, New York, he sent a petition to the United States Congress of a pension, from which the passages that we publish in this paper are extracted. They will be read with interest by many, as the name of Van Camp is familiar to many in this county, and the doings of that family are none the less forgotten.

Court Proceedings.

Agreeably to notice given, Court met at Bloomsburg, on Monday, September 5th, 1859, with Judges, WARREN J. WOODWARD, Pres't., *Jacob Evans* and *Peter Kline*, Associates, on the bench. Court continued four days and disposed of a considerable amount of business, considering the length of time, in its usual satisfactorily and legal manner. This term was not so largely attended as upon former occasions, although upon Monday and Tuesday a respectable number of people were present. The following is a synopsis of the Court doings, with the report of the Grand Jury annexed:

Com. vs. John Fletcher, indictment larceny. He plead guilty, and the sentance of the Court is, one year and nine calendar months to the Penitentiary.

Com. vs. Alexander Eveland, indictment larceny. Plead guilty, and recieved sentence one year to the Penitentiary.

John Bennet vs. Benj: Wintersteen,—action for slander. Verdict of the Jury for Plaintiff—eight dollars and fifty cents.

S. A. Wilson vs. Wm. Robbison. Action for work and labor. Judgment for Plaintiff, sixteen dollars and thirty-seven cents.

The following is the report of the Grand Jury which was read and approved of by the Court:

To the Honorable, the Judges of the Courts of Quarter Sessions of the Peace, in and for the County of Columbia:

The Grand Inquest of the Commonwealth of Pennsylvania, inquiring for the body of the County of Columbia, respectfully report:

That they have examined the public buildings belonging to the said county, and find them in good repair, except the Sheriff's residence, the inside of which needs painting. We also recommend the purchase of a Chandelier for the Court Room, and that the Commissioners be requested to keep the lamps in the hall of the basement story of the Court House, lit during Court term, all of which is respectfully submitted this seventh day of September, A. D., 1859,

F. NICELY, *Foreman.*

HUMPHREYS' SPECIFIC
HOMŒOPATHIC REMEDIES
NO. 562, BROADWAY.
THE GREAT FEATURE

Of this series of Domestic Remedies is that each particular medicine is a Specific for the particular disease or class of diseases whose name it bears, and may be relied upon for the cure of that particular affection. Hence, persons suffering from a chronic disease or long standing ailment, in buying a case of Humphreys' Specifics, obtain the particular one desired in their case, and thus themselves make a cure which otherwise would cost them many dollars, and no small amount of time and medical attendance, if, indeed, it could be obtained at all.

Thus multitudes suffer from Dispepsia, Billious, Costiveness, Bad Taste, Coated Tongue, and Debility, which is perfectly controlled and cured by the

DYSPEPSIA SPECIFIC.

There is scarcely a phase or form of this disease which is not promptly controlled and ultimately cured by the use of this Specific. Thousands who have suffered for years with this "Billious Condition" having purchased a case of these Specifics have obtained a perfect cure and immunity from their old complaint.

COUGHS, COLDS, AND SORE THROAT

which so frequently lead to

BRONCHITIS AND CONSUMPTION,

are all in their early stage cured by the

COUGH PILLS.

Many cases of long standing Bronchitis and irritating Coughs have been perfectly cured by this Specific. But more! many persons have a specific liability to colds and take them from the least exposure. This will be entirely relieved by the use of the Cough Pills, as scores can testify from experience: So CATARRH is one of our most common and most troublesome diseases, against which the Old School Medicines and even Homœopathic prescriptions, are of little use.—Yet hundreds of persons have been cured of not only recent and fresh, but even long standing and obstinate cases of Catarrh by the use of this Specific.

One aged lady in Syracuse was thus perfectly cured of a Catarrh, which had annoyed her all her life. And a young lady at one of our first class boarding schools, who was so afflicted with this disease as to require more than forty handkerchiefs a week, was entirely cured in a single week by this Specific.

PILES,

bleeding and blind, is one of those common and obstinate forms of disease which are so difficult to cure by the ordinary methods, but which find an entire fundamental cure in the Piles Specific. True, time is required; but the Specific is pleasant to take, requires neither diet nor restraint, and being followed up a perfect cure is the result.—Hundreds of persons, in purchasing a cure of Specifics, have obtained a cure for this most trying and obstinate form of disease, which has been worth to them ten times the cost of the entire set.

The case contains the best

FEVER AND AGUE SPECIEIC

known. A remedy without any deterious or poisonous substance, which not only cures the ague, and old, mismanaged agues, but may be relied upon as a preventive when persons are residing in a faver and ague district. It prevents or protects upon the same principle that vaccination prevents small pox or belladonna prevents scarlet fefever, by pre-occupying the system with the true specific. Hundreds have been thus protracted and cured.

THE OPHTHALMY SPECIFIC

has proved a most valuable remdy for Sore Eyes and Eyelids, and for Weak and Blurred Sight. One lady in Indiana, who had been a sufferer from sore eyes for many years, and for two years was entirely blind, was cured perfectly by the Ophthalmy Specific alone.

HEADACHES

to which so many are subject, find a curative in the case. There is a specific which relieves at the time of the attack, and also one which corrects the condition of the system upon which it depends, and destroys the disposition to a return.

The Specifics for the various forms of

FEMALE COMPLINTS

have proved invaluable. Old Standing Leucorrhœa or Whites, attended with debility of exhaustion, and for which other forms of medicine are of little value, are fully controlled and cured by the Female Pills; while the specific for Irregularities control almost every form of Scanty, Painful or Irregular Menstruation.

DIARRHŒAS & SUMMER COMPLINTS

in adults or children are controlled like magic by the Diarrhœa Pills, while it may be averred without the possibility of successful contradiction that the Dysentary Pills are the most perfect specific for that disease known.

For the various forms of

FEVERS, SCARLET FEVER, MEASLES,

and other diseases of children, the Fever Pills may be safely and surely relied upon.

These Specifics of Prof. Humphreys, used for years in his extensive practice, and to the perfection of which he has devoted the resources of extensive knowledge, experience and study.

The public may rest assured that during the lifetime of Dr. H., no one has been or shall be trusted with the preparation of his Specifics, and he offers the guaranty of his professional life and reputations that they shall be just as he represents them.

They have now been before the public for five years, and have everywhere won golden opinions from the many thousands who have used them.

Simple, free from intricacy, technicality, or danger, they have become the ready recourse and aid of the parent, traveler, nurse, or invalid, and have become the family physician and medical adviser of thousands of families. Nowhere have they been tried without having been approved, and their highest appreciation is among those who have known them the longest, and most intimately.

Every Family will find these Specifics all they have been recommended; Promt Reliable, Simple and Efficient; a Friend in need and often a Friend indeed.

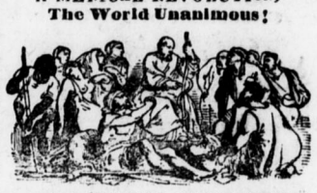
A MEDICAL REVOLUTION,
The World Unanimous!



HOLLOWAY'S OINTMENT.

THE GREAT COUNTER IRRITANT!!

The virus of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflamation, promptly and invariably subdues it, whe her located in the kidneys the liver, the lungs, or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin, as summer rain passes into the fevered earth, diffusing its cool and regenerating influence.

SKIN DISEASES AND GLANDULAR SWELLINGS.

Every species of exterior irritation is quickly reduced by the anti inflammatory action of this Ointment. Angry *Eruptions*, such as salt Rheum, Erysipelas, Tetter, Ringworm, Scald Head, Nettle Rash, Scabbles, (or Itch) &c., die out, to return no more, under this application. Hospital experience in all parts of the World proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

ULCERS, SORES, AND TUMORS.

The effect of this unrivalled external remedy upon Scrofula, and other virulent ulcers and sores, almost maraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterwards complete are safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS!

In cases of the fracture of the bones, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in persons into all the leading Hospitals of Europe, and no private household should be without it.

UNDEFINABLE TESTIMONY.

The Medical Staff of the French and English Armies in the Crimea officially signed their approval of HOLLOWAY'S Ointment, as the most reliable dressing for sabre cuts, stabs, and gun-shot wounds. It is also used by the surgeons of the Allied Navies.

Both the Ointment and Pills should be used in the following cases:

Burns,	Piles,
Chapped Hands,	Rheumatism,
Chilblains,	Salt Rheum,
Fistula,	Scalds.

A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicies or vending the same, knowing them to be spurious.
