THE GREAT REMEDY
FOR BURNS!
CERTIFICATES AND REFERENCES.

SIR—A few days since I badly burned one of my hands with melted silver, which I was pouring from a crucible. I applied your Master of Pain, which at once relieved me from the excruciating pain, and worked a complete cure, leaving no scar. W. S. WOOD,
Syracuse, Dec. 1, '46. Silversmith.

BURNED CHILD CURED.

Mr. W. L. Green, formerly Postmaster at Joslin's Corner's, N. Y., states that one of his children fell on a hot stove, very badly burning his face, and severely injuring one of his eyes. Tousey's Master of Pain was applied, which immediately relieved all pain, and effected a cure without leaving a scar.

TERRIBLE BURN CURED.

Mr. T. Hughes, employed at the Salamander Iron Works in New York, had his arms dreadfully burned by the bursting of a furnace, causing the skin and flesh to peel off the arm in large flakes, leaving a shocking and painful sight.—Tousey's Master of Pain was used, and the pain instantly stopped, and the arm was speedily cured without a scar. Messrs. Armory, the proprietors of the Foundry, certify to these facts.—Every person should keep this Ointment by them.

ANOTHER BURN CURED.

Mr S. Tousey—I have been much pleased with the healing qualities of your Master of Pain. I send you one of a number of cases in my own family. My little girl, eight years of age while at play in my sitting-room, accidentally fell, resting her whole weight upon the hot stove, forcing herself back with the hand still on the stove and burning the skin of her hand to a crisp.—One application of your Ointment immediately removed all pain—not a blister was raised—and the next day, although the skin was stiff, all soreness had been removed. 50,000 VICTIMS EVERY YEAR
Fall a Prey to Consumption, Asthma and Raising Blood, Hectic Fever and Night Sweats.

MRS. ADAMS, 290th street, Harlem, suffered a year with a cough, pain in the chest, night sweats and all the aggravated symptoms of Consumption; nothing relieved her till she tried Sherman's Balsam—half a bottel cured her.

ULCERATED LUNGS AND LIVER.

M. E. T. Lawrence, Jackson street, Brooklyn, after years of suffering, and treated by various physicians, was pronounced incurable from ulcerated lungs and liver.

DYING,

as was supposed, he tried the Balsam; its effects were most miraculous; two bottles cured him.

PLEURISY AND CONSUMPTION.

Mrs. Boggs, residing at 88 Sheriff-street, 70 years old, has been subject to attacks of pleurisy and consumptive coughs for years. The Balsam has saved her from very great suffering.

ASTHMA AND CONSUMPTION.

L. J. Beals, 19 Delancy street, gave it to his sister-in law who had been an invalid for years from asthma; to another considered as in consumption. It relieved them at once, so that they travelled several hundred miles.

SPITTING BLOOD

Is always alarming. It leads to the worst kind of Consumption, and unless arrested in time is generally fatal. Sherman's All-Healing Balsam is the best remedy known; it heals the wounded or ruptured blood vessels of the lungs, and thereby effects a permanent cure, while other remedies only stop the blood for the time. A few doses of this Balsam will satisfy the most skeptical that it is the medicine required. It has been successful in many cases, and that, too, where they had run into a rapid decline, or, as more generally expressed, "HASTY CONSUMPTION." Young persons, or those of middle age, are more subject to these attacks than the aged.

Price 55 cts. and $1 per bottle.

MASON'S CHALLENGE BLACKING.

THE immense and steadily increasing demand for the celebrated

DR. S. P. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA.

Wonder and Blessing of the Age.

The most extraordinary Medicine in the World; This Extract is put up in Quart Bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickening, or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other Medicines is, while it eradicates disease, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES

ever known; it not only purifies the whole system and strengthens the person, but it creates, new, pure and rich blood; a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than one hundred thousand cures of severe cases of disease, at least, 50,000 were considered incurable. It has saved the lives of more than 10,000 dollars in the three past seasons.

100,000 cases of General Debility and want of Nervous Energy.

Dr. S. P. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy, by the effects of medicine, or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on by physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening toward that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

INVIGORATING CORDIAL,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured *Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side &c., have been and can be cured.*

Spitting Blood.

Dr. S. P. Townsend—I verily believe your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last, I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought for me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant. WM. RUSSEL, 66 Catherine st.

Fits! Fits!! Fits!!!

Dr. S. P. Townsend, not having tested his Sarsaparilla in case of Fits, of course, never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County:

Fordham, August 18, 1847.

Dr. S. P. Townsend—Dear Sir: I have a little girl, seven years of age, who has been several years afflicted with Fits; we tried almost every thing for her, but without success; at last, although we could find no recommendation in your circulars for cases like hers, we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and we are glad we did, for it not only restored her strength, but she has had no return of the Fits, to our very great pleasure and surprise. She is fast becoming rugged and healthy for which we feel grateful.
