DR. HOOFLAND'S

CELEBRATED GERMAN BITTERS PREPARED BY

DR. C. M. JACKSON,

AT THE GERMAN MEDICINE STORE, 120 Arch street, Philadelphia.

Their power over the above diseases is not excelled—if equaled—by any other preparation in the United States, as the cures attest in many cases after skillful physicians have failed.

These bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal, safe certain and pleasant.

READ AND BE CONVINCED.

From the "Boston Bee."

The editor said, Dec. 22nd

Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day—These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant to taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"Scott's Weekly," one of the best Literary papers published said, Aug. 25—

"Dr Hoofland's German Bitters, manufactured by Dr. Jackson are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have had upon weak systems."

MORE EVIDENCE.

The 'Philadelphia Saturday Gazette," the best family newspaper published in the U. States.

The editor says of

DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom we recommend what are termed Patent Medicines, to the confidence and patronage of our readers; and therefore when we recommend Dr. Hoofland's German Bitters, we wish to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last 3 years, and the strongest testimony in its favor, is that there is more of it used in the practice of the regular Physicians of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. It can be administered to females or infants with safety and reliable benefit at any time.

BEWARE OF COUNTERFEITS.

This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeiters to put forth spurious articles at the risk of the lives of those who are innocently deceived.

Look well to the marks of the genuine.

They have the written signature of C. M. Jackson upon the wrapper, and his name blown in the bottle, without which they are spurious.

For sale wholesale and retail at the GERMAN MEDICINE STORE, No. 120 Arch street one door below Sixth Philadelphia, and by respectable dealers generally throughout the country.

A Superior article of Mineral Paint warranted equal to any Paint ever before offered to the public for painting on Wood, Brick, Stone, Iron, Tin, or any substance which is exposed to Weather, Water, or the Atmosphere. It is

Proof against Fire, Water, and Weather,

AND UNCHANGEABLE IN ITS COLOR.

It mixes readily with Oil or Composition and is a beautiful dark brown or free-stone color.

This Paint received the Premium at the New York State Fair,

Held at Albany in 1850, in competition with the Ohio Fire-Proof Paint, and several other kinds of Mineral Paint, as being superior to anything of the kind now in use.

CERTIFICATES.

We the undersigned, having seen and used BUSWELL'S Mineral Paint, can safely recommend it to the public as being an article superior to any Mineral Paint ever before offered for use; it is not unpleasant to use, like the RUSTY Ohio Paint which is harped about the country so much, but mixes up without like pure white lead. It is sold at half the price of common paint, and we believe where the color is desirable, it is worth twice as much, and as a Fire, Weather, or Water-proof Paint, we think it cannot be surpassed by anything in the Paint line now in use.

Mr. Bushwell, Dear Sir: We have used, within the past month, some 2,000 lbs. of your Mineral Paint, in painting cars, car houses, and freight houses upon our road, and we can safely recommend it as a very superior, durable and cheap article of Paint HEMAN H. PHELPS.

Superintendent of the Syracuse & Utica R. R.

Mr Buswell Dear Sir: I have used for the Syracuse & Utica R. R. Company, over a ton of your Mineral Paint, and I find upon using it to be far preferable to the Oil Paint, or any other kind now in use. I can also recommend it as being superior to White Lead for any kind of out door painting, as it appears to be impervious to water, and unchangeable in color.

HORACE JOHNSON.

Painter for S. & U. R. R. Co.

Albany, Dec 1, 1850.

Mr. Buswell Dear Sir: Having used a considerable quantity of your Mineral Paint in painting brick and wooden houses, the past season, I have taken extra pains to try and test it in various ways, from its trial and composition I can warrant it to be durable both in quality and color, it mixes beautifully with oil—points very easy—and for ship or boat painting, I think there has no better paint ever been introduced. I have used considerable of it with water and glue composition for coarse, cheap painting, and it exceeds any thing I ever saw. Truly Yours,

THOS B JOSIN,

House Painter.
