

STILL AHEAD!
OUR GREAT
BOSTON DOLLAR STORE!

We want good reliable agents in every part of the country. By employing your spare time to form clubs and sending us your orders, you can obtain the most liberal commissions, either in cash or merchandise, and goods sent by us will be as represented, and we guarantee satisfaction to every one dealing at our house. Agents should collect ten cents from every customer, and forward to us in advance, for descriptive checks of the goods we sell.

The holders of the checks have the privilege of either purchasing the article thereon described, or of exchanging for any article mentioned on our catalogue, numbering over 500 different articles, not one of which can be purchased in the usual way for the same money.

The advantages of first sending the checks are these: We are constantly buying small lots of very valuable goods, which are not on our catalogues, and for which we issue checks until all are sold; besides, in every club, we will put checks for watches, quilts, blankets, dress patterns, or some other article of equal value.

We do not offer a single article of merchandise that can be sold by regular dealers at our price. We do not ask you to buy goods from us unless we can sell them cheaper than you can obtain them in any other, while the greater part of our goods are sold at about

ONE-HALF THE REGULAR RATES.

Our stock consists in part of the following goods:—
Shawls, Blankets, Quilts, Cottons, Gingham, Dress Goods, Table Linen, Towels, Hosiery, Gloves, Skirts, Corsets, Silver-plated Ware, Spoons plated on Nickel Silver, Dessert Forks, Five-bottle Plated Castors, Britannia Ware, Glass Ware, Table and Pocket Cutlery, in Great Variety, Elegant French and German Fancy Goods, Beautiful Photograph Albums of the New and Choice Styles in Morocco and Velvet Bindings, Heavy Gold and Plated Jewelry of the latest and newest styles.

We have also made arrangements with some of the leading publishing houses that will enable us to sell the standard and latest works of authors at about one-half the regular prices—such as Byron, Burns, Moore, Milton and Tennyson's Works, in full gilt and cloth bindings, and hundreds of others.

These and everything else for

ONE DOLLAR FOR EACH ARTICLE.

In every order amounting to over \$50, accompanied by the cash, the agent may retain \$2; and in every order over \$100, \$4 may be retained.

PAY THE EXPRESS CHARGES.

COMMISSION TO AGENTS.

For an order of \$50 from a club of thirty, we will pay the agent as commission, 33 yards of bleached or brown sheeting, good dress pattern, all wool pattern, or \$25 in cash.

For an order of \$100 from a club of sixty, we will pay the agent 65 yards of brown or bleached sheeting, good dress watch, all wool shawl, or \$7 in cash.

For an order of \$100, from a club 100, we will pay the agent 110 yards of 1 yard wide sheeting, splendid sewing machine, or \$11 in cash.

A SPLENDID PRIZE FOR THE LADIES!

The finest, most pleasing, and costly engraving ever published in America, to be presented as a premium to each subscriber to

DEMAREST'S MONTHLY,

a magazine of practical utility in the house, a mirror of the fashions, and a literary conservator of surpassing interest and artistic excellence, acknowledged to be the modern parlor magazine of America.

The engraving, 2 1/2 x 3 1/2 inches, is from the original painting, entitled, "The Pic-Nic on the Fourth of July."

The painting took a whole year, and is considered the finest of the entire list of numerous popular productions by Lillis M. Spencer. The engraving was the labor of four years, by three eminent artists—John Rodgers, Samuel Halpin, and Samuel Hoyer. The last named, having been induced to come from Europe to finish it. The engravers have ably seconded the successful labors of the painter. None but artists can fully appreciate the skill and labor lavished on this engraving. The general effect is very fine and impressive, and the delicate finish to the heads will bear the most minute inspection. The union of line and stipple is executed with unusual ability, and their skillful combination has greatly contributed to the success of the engravers in this unsurpassed proof of their genius.

The work on the engraving alone cost over seven thousand dollars, besides the cost of the copyright, and is acknowledged by competent judges the most elaborately finished large work of art ever engraved in America.

Five copies of this magnificent picture, on heavy plate paper, worth \$10 each, are to be given as a premium to each subscriber to

DEMAREST'S MONTHLY MAGAZINE.

Yearly subscriptions only Three Dollars, and ten cents (which is to be sent with the subscription), for the postage on the engraving (which will be mailed securely done up in a roller.

This is certainly the largest, most liberal and splendid premium ever offered to single subscribers by any publisher, and affords an easy and economical way for any one to secure an elegant work of art, a Parlor Picture that is only next to a piano in the way of ornamentation, and a perpetual reminder of a day which ought to be cherished and held in remembrance by every true American.

The reception of this magnificent picture will take every one by surprise, and we do not venture anything in saying that \$10 will not procure another that combines so much of interest and beauty.

Specimens of the Magazine, with circulars, giving full particulars, will be sent to any given address, post free on receipt of 15 cents.

BEST CABINET ORGANS AT LOWEST PRICES.

That the MASON & HAMLIN CABINET and METROPOLITAN ORGANS are the best in the world is proved by the almost unanimous opinion of professional musicians, by the award to them of SEVENTY FIVE GOLD and SILVER MEDALS or other highest premiums, at principal, industrial competitions within a few years, including the Medal at the Paris Exposition, and by a sale very much greater than that of any similar instruments. This Company manufacture only first class instruments, and will not make "cheap organs" but any price, or suffer an inferior instrument to bear their name. Having greatly increased their facilities for manufacture, by the introduction of new machinery and otherwise, they are now making better Organs than ever before, at increased economy in cost, which, in accordance with their fixed policy of selling always at least remunerative profit, they are now offering at prices of inferior work, FOUR OCTAVE ORGANS, Plain Walnut Case, \$50. FIVE OCTAVE ORGANS, Double Reed, stops (Viola, Diapason, Melodia, Flute, Tremulant) \$125. Other styles in proportion.

Circulars, with full particulars, including accurate drawings of different styles of organs, and much information which will be of service to every purchaser of an organ, will be sent free, and postage paid, to any one desiring them.

ELECTIC PHYSICIAN
The word eclectic means to choose or select medicines from all the different schools of medicine; using remedies that are safe, and discarding from practice all medicines that have an injurious effect on the system, such as mercury, antimony, lead, copper, &c.

I lay aside the lance—the old bloodletter, reducer or depletor, and equalize the circulation and restore the system to its natural state by alterative and tonic. I shall hereafter give particular attention to chronic diseases, such as Rheumatism, Dyspepsia, Liver complaint, Catarrh, Neuralgia, diseases of the throat, urinary organs, and all diseases peculiar to females, &c.
