☞ 20,000 boxes sold in this State the past year, and gave universal satisfaction.

The great secret of the popularity of this ointment is in the fact that it accomplishes all it is recommended to do, and that I do not recommend it to cure any thing but what from the nature of the ingredients, it is an absolute specific for, while other preparations of the kind are recommended to cure every disease that human flesh is heir to, from Consumption down to the bite of a flea, when, in fact, all the medical properties they contain are in the handbills, and the thousands of fictitious certificates published in their praise.

I invite those troubled with the above complaints, (particularly Salt Rheum,) to take a box and try it,—if you are not fully satisfied, return it and take back your money.

N. B.—I have hundreds of testimonials I can show any one who feels disposed to call on me and satisfy himself of the virtues of the Ointment.
