THE ONLY RELIABLE CURE FOR DYSPEPSIA IN THE KNOWN WORLD.

DR. WISHART'S GREAT AMERICAN DYSPEPSIA PILLS and PINE TREE TAR CORDIAL are a positive and infallible cure for dyspepsia in its most aggravated form, and no matter of how long standing.

They penetrate the secret abode of this terrible disease, and exterminate it, root and branch, forever.

They alleviate more agony and silent suffering than a tongue can tell.

They are noted for curing the most desperate and hopeless cases, when every known means fail to afford relief.

No form of dyspepsia or indigestion can resist their penetrating power.

**DR. WISHART'S
PINE TREE TAR CORDIAL.**

It is the vital principle of the Pine Tree, obtained by a peculiar process in the distillation of the tar, by which its highest medicinal properties are retained. It invigorates the digestive organs and restores the appetite. It strengthens the debilitated system. It purifies and enriches the blood, and expels from the system the corruption which scrofula breeds on the lungs. It dissolves the mucus or phlegm which stops the air passage of the lungs. Its healing principle acts upon the irritated surface of the lungs and throat, penetrating to each diseased part, relieving pain and subduing inflammation. It is the result of years of study and experiment, and it is offered to the afflicted with positive assurance of its power to cure the following diseases, if the patient is not too long delayed a resort to the means of cure.

Consumption of the Lungs, Coughs, Sore Throat and Breast, Bronchitis, Liver Complaint, Blind and Bleeding Eyes, Asthma, Whooping Cough, Diptheria, &c.

A medical expert, holding honor-able certificates and diplomas, devotes his entire time to the examination of patients at the office, and is associated with him are three consulting physicians of acknowledged eminence, whose services are given to the public free or on pay.

This opportunity is offered by no other institution in the country.

Letters from any part of the country, asking advice, will be promptly and gratuitously responded to. Where convenient, remittances should take the shape of

LORILLARD'S EUREKA

Smoking Tobacco an excellent article of granulated Virginia.

—Wherever introduced it is universally admired.

—It is put up in handsome, muslin bags, in which orders for Meerschaum Pipes are daily packed.

LORILLARD'S "YACHT-CLUB"

Smoking Tobacco has no superior. Being delectable, it cannot injure nervous constitutions or people of ordinary habits.

—It is produced from a selection of the finest stock, and prepared by a paternal and original manner.

—It is very aromatic, mild, and light weight—hence it will last much longer than others; nor does it burn or sting the tongue, or leave a disagreeable after taste.

—Orders for cigars, elegantly carried Meerschaum Pipes, silver mounted, and packed in neat leather pocket cases, are placed in the Yacht Club brand daily.

**LORILLARD'S CENTURY
Chewing Tobacco.**

—This brand of Fine Cut Chewing Tobacco has no superior anywhere.

—It is, without doubt, the best chewing tobacco in the country.

LORILLARD'S SNUFFER

has been in general use in the United States over 110 years, and still acknowledged "the best" wherever used.

—If your storekeeper does not have these articles for sale, ask him to get them.

—They are sold by respectable jobbers almost everywhere.

—Circulars mailed on application.

**BEST CABINET ORGANS
AT LOWEST PRICES.**

That the MASON & HAMLIN CABINET and METROPOLITAN ORGANS are the best in the world is proved by the almost unanimous opinion of professional musicians, by the award to them of SEVENTY FIVE GOLD and SILVER MEDALS or other highest premiums, at principal industrial competitions within a few years, including the Medal at the Paris exposition, and by a sale very much greater than that of any similar instruments. This Company manufacture *only first class instruments*, and will not make "cheap organs" fit any price, or suffer an inferior instrument to bear their name. Having greatly increased their facilities for manufacture, by the introduction of new machinery and otherwise, they are now making better Organs than ever before, at increased economy in cost, while, in accordance with their fixed policy of selling always at least remunerative profit, they are now offering at prices of inferior work, **FOUR OCTAVE ORGAN CASE, \$50. FIVE OCTAVE ORGAN CASE, \$50. PIANO WALTER CASE, \$125. Double Reed, stops (Flute, Clarinet, Melodion, Flute, Tremulant) \$125.** Other styles in proportion.

Circulars, with full particulars, including accurate drawings of different styles of organs, and much information which will be of service to every purchaser of an organ, will be sent free, and postage paid, to any one desiring them.

J. R. FAIRD.

A SPLENDID PRIZE FOR THE LADIES!

The finest, most pleasing, and costly engraving ever published in America, to be presented as a premium to each subscriber to

DEMAREST'S MONTHLY,

a magazine of practical utility in the house, a mirror of the fashions, and a literary conservator of surpassing interest and artistic excellence, acknowledged to be the modern prior magazine of America.

The engraving, 28x32 inches, is from the original painting, entitled, "The Pic-Nic on the Fourth of July."

The painting took a whole year, and is considered the finest of the entire list of numerous popular productions by Miss M. Spencer. The engraving was the labor of four years, by three eminent artists—John Rodgers, Samuel Halpin, and Samuel Holyer. The last named having been induced to come from Europe to finish it. The engraving has not only secured the successful labors of the painter. None but artists can fully appreciate the skill and labor involved in this engraving. The general effect is very fine and impressive, and the delicate finish to the heads will bear the most minute inspection. The union of line and stipple is executed with unusual ability, and their skillful combination has greatly contributed to the success of the engraving in this unparalleled proof of their genius.

They work on the engraving alone cost over seven thousand dollars, besides the cost of the copy right, and is acknowledged by competent judges the most elaborately finished large work of art ever engraved in America.

Fine copies of this magnificent picture, on heavy plate paper, worth \$10 each, are to be given as a premium to each subscriber to

DEMAREST'S MONTHLY MAGAZINE.

Yearly subscriptions only Three Dollars, and ten cents (with lists) to send with the subscription) for the postage on the engraving (which will be mailed securely done upon a roller.

This is certainly the largest, most liberal and splendid premium ever offered to single subscribers by any publisher, and affords an easy and economical way for any one to secure an elegant work of art, a Picture, Picture that is only next to a painting in the way of ornamentation and a perpetual reminder of a day which ought to be cherished and held in remembrance by every true American.

The reception of this magnificent picture will take every one by surprise, and we do not venture anything saying that \$10 will not procure another that combines so much of interest and beauty.

Specimens of the Magazine, with checkbooks giving full particulars, will be sent to any person, on receipt of 10 cents.
