LITTLE CHANGE IN NEW YORK MARKETS

New York, March 17. — Indecision was the keynote of to-day's early stock market, the principal issues showing little change from yesterday's reactionary tendency. Reading, whose directors meet to-day for dividend action, recorded an initial decline of three-eighths from yesterday's close, but soon recovered. United States Steel and some of the motor trucks were lower, while Bethlehem Steel rose to 51½. Trading was small with a narrow range.
