LANCASTER MAN BROWN'S FIRST AID

William H. Keller Will Become First Deputy Attorney General of Administration

William H. Keller, of Lancaster, personal friend of Congressman W. W. Griest and member of the well-known law firm of Coyle & Keller, was last night announced as the next First Deputy Attorney General. He succeeds Jesse E. B. Cunningham, who resigned some time ago. William M. Hargest continues as second deputy and Walter Kun is third deputy.

Mr. Keller, who will assume his duties to-day, is a Republican and was delegate to the last national convention. He is one of the leaders of the Lancaster bar and has been active in civic movements in Lancaster, being president of the Law and Order Society.

Cunningham Leaves. — Highway Commissioner Cunningham left for Pittsburgh early to-day by way of the southern pike, planning to spend the next two days on inspection work. Mr. Cunningham will return Monday. He told delegations which visited him yesterday that it was the Governor's policy to maintain the roads in first-class shape and then to use the money left for new construction. This is taken to mean that there will be nothing doing in road construction until the routes are all in apple pie order.

Exclude Sundays. — Attorney General Brown to-day gave an official opinion to Governor Brumbaugh in which he informed him that he could exclude Sunday in calculating the ten days in which he could act upon a bill. The opinion was in response to a request from the Governor and Mr. Brown says: "The rule, without exception, is to exclude either the day on which it was received or the last day in the computation. The uniform rule is also to exclude Sunday. If the tenth day falls on Sunday, it would be excluded and you would have Monday within which to act. In other States having constitutional provisions similar to Pennsylvania it has been so ruled." Mr. Brown cites seven cases in support of his decision.

Later Hearing.—The Public Service Commission will fix a day in May on which the argument in the telephone rate schedule cases will be concluded. The regular session of the commission will be held next Tuesday.

Over 100 Laws.—Governor Brumbaugh's approval of bills to-day sent the number of new laws over the 100 mark.

New Justice.—C. W. Bittinger was yesterday appointed a justice for Lykens.

Judge Johnson Here.—Judge Isaac Johnson, of Media, was among the Governor's callers to-day.

Nothing Doing.—Governor Brumbaugh said to-day that there was nothing doing yet on the public service commissioners.

Fixing Up Bill.—Philadelphia city authorities and councilmen are working to fix up the bill regulating housing in Philadelphia. It is expected to reach an agreement next week.

Want a Station.—The Public Service Commission has been asked to provide a station at Mt. Tabor on the Gettysburg and Harrisburg Division.

EXTRA SESSION CALLED

Trenton, N. J., April 29. — Governor Fielder to-day issued a proclamation for a special session of the Legislature to convene next Monday to correct a defect in the bill providing for a special election on October 19 when the woman suffrage and two other proposed amendments to the State Constitution are to be submitted to the people.

DOES RHEUMATISM BOTHER YOU?

The Doctors Say "Use Musterole"

So many sufferers have found relief in MUSTEROLE that you ought to buy a small jar and try it.

Just spread it on with the fingers. Rub it in. First you feel a gentle glow, then a delicious, cooling comfort. MUSTEROLE routs the twinges, loosens up stiffened joints and muscles.

MUSTEROLE is a clean, white ointment, made with oil of mustard. It penetrates to the seat of pain and drives it away, but does not blister the tenderest skin.

It takes the place of the mussy, old-fashioned mustard plaster.

MUSTEROLE is recommended for Bronchitis, Croup, Asthma, Pleurisy, Lumbago, Neuralgia, Sprains, Bruises, Stiff Neck, Headache and Colds of the Chest (it often prevents Pneumonia).

At your druggist's, in 25c and 50c jars, and a special large hospital size for $2.50.

Be sure you get the genuine MUSTEROLE. Refuse imitations—get what you ask for. The Musterole Company, Cleveland, Ohio.

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is mussy and out-of-date. Nowadays, by asking at any drug store ror a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two it becomes beautifully dark, glossy, and abundant. —Advertisement.

ACID IN STOMACH SOURS THE FOOD

Says Excess of Hydrochloric Acid Is Cause of Indigestion

A well-known authority states that stomach trouble and indigestion is nearly always due to acidity—acid stomach—and not, as most folks believe, from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation, then our meals sour like garbage in a can, forming acrid fluids and gases which inflate the stomach like a toy balloon. We then get that heavy, lumpy feeling in the chest, we eructate sour food, belch gas, or have heartburn, flatulence, water-brash, or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast while it is effervescing, and furthermore, to continue this for one week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.—Advertisement.
