DECLINE SHOWN BY ALL LEADERS

Heaviness Affects General List; Business Diminishes at Noon

By Associated Press

New York, March 20. — Offerings became more extensive during the forenoon, the heaviness of steel, Reading and a few other leaders having its effect on the general list. Not only were most early gains effaced, but prices of the more active specialties were a point or more under last week's final quotations.

Bethlehem Steel fell fourteen to 520. The decline seemed to be based in part on intangible rumors dealing with the foreign situation, but Mexican affairs, so far as they were reflected in those issues, were not a pronounced factor. Business diminished at midday and some stocks scored substantial recoveries. Bonds were heavy.
