DR. SAGE'S CATARRH REMEDY.

THIS Infallible Remedy does not, like the poisonous irritating snuffs and strong caustic solutions with which the people have long been humbugged, simply palliate for a short time, or drive the disease to the lungs as there is danger of doing in the use of such nostrums, but it produces perfect and permanent cures of the worst cases of Chronic Catarrh, as thousands can testify. Cold in the head is cured with a few applications. Catarrhal Headache is relieved and cured as if by magic. It removes offensive breath, loss or impairment of the sense of taste, smelling or hearing, watering or weak eyes, and impaired memory, when caused by the violence of Catarrh, as they frequently are. I offer in good faith a standing reward of \$500 for a case of Catarrh that I cannot cure.

For sale by most druggists everywhere. Price only 50 cents.

Ask your druggist for the remedy; but if he has not yet got it on sale, don't put it off by accepting any miserable worse than worthless substitute, but enclose sixty cents to me, and the remedy will be sent you postpaid. Four packages \$2, or one dozen for \$2. Send a two cent stamp for Dr. Sage's pamphlet on Catarrh. Address the proprietor, R. V. PIERCE, M. D. Buffalo, N. Y. nov27, 69y

DEMAREST'S MONTHLY,

a magazine of practical utility in the home,

a mirror of the fashions, and a literary con-

servator of surpassing interest and artistic ex-

cellence, acknowledged to be the modern par-

magazine of America.

The engraving, 25x32 inches, is from the or-

iginal painting, entitled, 'The Pic-Nic on the

Fourth of July.'

The painting took a whole year, and is con-

sidered the finest of the entire list of numerous

popular productions by Lillie M. Spencer. The

engraving was the labor of four years, by

three eminent artists—John Rodgers, Samuel

Holpin, and Samuel Hillyer; The last named

having been induced to come from Europe to

finish it. The engravers have ably seconded

the successful labors of the painter. None but

artists can fully appreciate the skill and labor

lavished on this engraving. The general ef-

fect is very fine and impressive, and the deli-

cate finish to the heads will bear the most mi-

minute inspection. The union of line and stipple

is executed with unusual ability, and their

skillful combination has greatly contributed to

the success of the engravers in this unsur-

passed proof of their genius.

The work on the engraving alone cost over

seven thousand dollars, besides the cost of the

copyright, and is acknowledged by competent

judges the most elaborately finished large work

of art ever engraved in America.

Five copies of this magnificent picture, on

heavy plate paper, worth \$10 each, are to be

given as a premium to each subscriber to

DEMAREST'S MONTHLY MAGAZINE.

Yearly subscriptions only Three Dollars, and

ten cents (which is to be sent with the sub-

scription) for the postage, and the engraving

(which will be mailed securely done up on a

roller.

This is certainly the largest, most liberal

and splendid premium ever offered to single

subscribers by any publisher, and affords an

easy and economical way for any one to secure

an elegant work of art, a Picture that is

only next to a piano in the way of ornamenta-

tion, and a perpetual reminder of a day

which ought to be cherished and held in re-

membrance by every true American.

The reception of this magnificent picture

will take every one by surprise and we do not

venture anything in saying that \$10 will not

procure another that combines so much of in-

terest and beauty.

Specimens of the Magazine, with circulars,

giving full particulars, will be sent to any

address, post free on receipt of 15 cents.
