MISCELLANEOUS.

THE RENTON IRON COMPANY of Western Pennsylvania, having become the proprietors of the Renton & Dickerson Patents for making wrought iron direct from the ore, for the north-ern territory of Pennsylvania, lying west of, and including the counties of Potter, Huntingdon, Centre, Clearfield, Elk and M'Kean, are now prepared to sell certificates of stock in said company, each share of stock entitling the holder to share in the profits of the company, and the right to use one furnace under said patent. The company will also sell the right to use the improvement in the above named territory, by single furnace or otherwise. The fact that by the Renton process, iron ore can be converted into blooms at about the cost required to convert ore into pig metal, is sufficient recommendation of its merits.

Mr. James H. Dunn has been appointed agent for the sale of rights to use furnaces under said patent, to whom application may be made, or to the undersigned directors of the Company.

SARSAPARILLA

SANDS' SARSAPARILLA.
PER BOTTLE, 12 QUART BOTTLES.
For Purifying the Blood for the Cure of Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Poor Sores, Erysipelas, Pimples, Pits, Mercurial Diseases, Chronic Eruptions, Chronic Complaints, Bronchitis, Consumption, Female Complaints, Leucorrhœa, General Debility, &c., &c.

IN this preparation all the restorative properties of the root are concentrated in their utmost strength and efficacy. Its wide Sarsaparilla Root forms an important part of its combination, it is at the same time combined with other vegetable remedies of great power, and it is in the peculiar combination and efficacious manner of its preparation, that its remarkable success in the cure of diseases depending on the vitiated state of the stomach, the circulation of the bowels, and the nerve system, which are ordinarily the result of the different kinds of medicine, are carried on at the same time, and in the same manner, that the blood, one remedial agent which gently stimulates while it clears the system, pushes forward the sluggish bowels all that is irritating, and at the same time invigorates the nervous system, and by other preparations imitate it in bearing the name of Sarsaparilla, and their vegetable ingredients, being often prepared from worthless and inert roots, and of course possessing none of the healing properties, and patients making choice of which they think best, will take no other, but that one entitled to their confidence, from the long list of cures it has performed, and the testimonials and residence have been published, and who are still bearing daily testimony to its worth.

ASTON HING CURE.

PATTERSON, N. Y. Sept 20th, 1851.

Messrs A. R. & D. SANDS, Gentlemen—Having will seemed, I believe, entirely from the use of your Sarsaparilla, it gives me pleasure to send you the following statement in regard to my health. For some time we took a severe cold, and after 8 weeks of severe suffering the disease settled in his left leg and foot, which swelled to the utmost. The pain was so severe, that my physician, who discharged most properly, after that no man than a month, he came to see me twice a day, at one time. We had five different Physicians, but none relieved him, until one of them tried your Sarsaparilla, and low that he was unable to leave his bed, accompanied by most excruciating pain. During this time the bone had become so much affected, that a piece came out and was taken, and he has now much than twenty-five preserved in a bottle, varying from half an inch to one and a half inches in length. We had given up all hopes of his recovery, but a friend thought we was indeed to try your Sarsaparilla, and with its use his health and appetite began to improve, and so rapid was the change that less than a dozen bottles effected a perfect cure.

With gratitude, I remain truly yours.

DANIEL HILLARD.

We the undersigned, neighbors of Mr. Ballard, cheerfully subscribe to the truth of the above statement.

THE early hour, three o'clock in the morning, at which the EXPRESS TRAIN starts for the East, from Pittsburgh, had much to do with preventing travelers going by that train, compelling them to be aroused at a time so inconsistent with the comfort of one or also to remain up all night. This inconvenience is now obviated by a Sleeping Car attached to the Express Train now breakfasts regularly at BATHGATE'S, located in Middlesex, so that travelers East can leave Pittsburgh at 5 o'clock P. M. and breakfast at Bathgate's, arrives at Latrobe at 7¼ o'clock P. M., have pleasant quarters there over night, and be at the large and elegant Hotel of Mr. Blair, breakfast comfortably with the other passengers from the morning train, and proceed East by the Express, having DAY TRAVEL ALL THE WAY from Pittsburgh to Philadelphia or Baltimore. Every provision is made at the Hotel, for the accommodation of guests and visitors by those trains. fe17tf
