The following is an account of the cure of THE REV. J. W. PARKER, a celebrated Methodist Minister:

"MORRISON, Bureauland co., Ill., Feb. 7th, 1852.

Dr. C. M. Jackson, Sir—I believe your German Bitters are what they are represented to be. For more than one half of a year I have been troubled with Dyspepsia, perhaps seven-eighths of the time, until about the middle of last September, when I became enfeebled, and finally prostrated by it. My stomach and the mucous membranes of my bowels became dreadfully diseased and inactive. In fact constipation, I called upon a physician, who undertook my case and checked the disease, and in appearance, natural action to my bowels. But still my stomach and bowels were not right, my tongue continued to be much coated, and I relax frequently checked my powders, the digestive organs but partially performing their regular functions, together with extreme nervous debility. Being an agent for the Christian Chronicle, I notice d Dr. Hoofland's German Bitters' advertised, and several certificates annexed, recommending your Bitters in cases similar to mine. I sent to your agent, Mr. A. Torrel, at Montrose, and procured a bottle, and commenced according to directions, strictly. Before I had used up the first bottle I found that the coating was fast being removed from my tongue, and the bowels and stomach becoming natural and regular. I have used 5 bottles, my nerves have been materially helped, and I have reason to hope that I am being perfectly restored; whereas the disease had been working so long, and I was brought so low, that in November last my recovery was despaired of, as was stated in a letter of Elder G. M. Spratt, and published in the Christian Chronicle of Dec. 26.

Now, sir, I am aware that but few, at least in this section, know anything about your Bitters. I will, they did, for I believe there are hundreds in this region who might be cured by the use of those Bitters. Yours respectfully,

J. W. PARKER.

ASTON'S HING CURE

PATTERSON, N. Y. Sept 20th, 1851.

Messrs. A. B. & D. Sands, Druggists, Gentlemen—Having witnessed the most beneficial effects from the use of your Sarsaparilla, it gives me pleasure to send you the following statement in regard to my health. A few years ago I took a severe cold, and after 8 weeks of severe suffering the disease left me in a state of debility, which soon swelled to the utmost. The swelling was lanced by his physician, and discharged a quart of pus, and for more than seven ulcers formed on other parts of the body, which would not heal for a long time. We had five different Physicians, but none relieved him until we found his case was treated with the Sarsaparilla and low that he was unable to leave his bed, suffering the most excruciating pain. During the long period, he became so much affected that piece after piece came out, of which he has now some more than twenty-five preserved in a bottle, varying from one half to one inch and a half inches in length. We had given up all hopes of his recovery, but at this time we were induced to try your Sarsaparilla, and with its use his health and appetite began immediately to improve, and so rapid was the change that less than a dozen bottles effected a perfect cure.

With gratitude, I remain, Yours &c.
