HOME MATTERS.

A large meeting of the citizens of the 4th Ward, Pittsburgh, was held in the Public School House, on Friday Feb. 10, 1854, to take into consideration the bill recently introduced into the Legislature altering the present school law.

On motion of Mr. Yeager, a committee of three were appointed to draft resolutions expressive of the sense of the meeting. The committee consisted of Messrs. C. Yeager, G. A. Martin and Wm. Digby, who reported the following Preamble and Resolutions which were unanimously adopted:

WHEREAS, There is a bill now pending before the General Assembly of this State, which will make very important changes in the existing laws in relation to the Common School system, and,

WHEREAS, We believe that frequent changes in the Common School laws tend to render them less efficient and useful to the public, and,

WHEREAS, By the act of the 9th of April, 1849, the voters of the city were called to determine whether the public schools should be supported by a common school fund, to be raised by uniform taxes, in all the Wards, or by a separate ward fund, as heretofore. The practical operation of the common fund system, had it been adopted, would have been to consolidate the whole nine school districts of the city, and make them but one district—accomplishing thereby the same thing that is to be brought about by the proposition now before the Legislature. The matter was so understood by the people when the vote was taken on the first Tuesday in June, 1849; and the result of that vote is a most emphatic condemnation of any change. The vote in the city stood:

For Ward Fund	1073
For common Fund	328

Majority against common Fund... 745

AND WHEREAS, We believe that the proposed change in the Common School law of this Commonwealth are not demanded by the people, or called for by any deficiency in the existing laws, and,

WHEREAS, We believe, that the proposed changes will prove injurious to the public welfare; Therefore,

Resolved, That this meeting respectfully but most earnestly protest against the passing of the bill now pending before the Legislature, and against the passage of any bill or act, working any material change in the existing school laws.

Resolved, That in view of the injurious effects which the proposed change would produce upon the public schools of this city, and in view of the emphatic vote (1073 to 328) by which the people of this city have heretofore decided against the proposed consolidation of the several school districts of this city into one district. This meeting most earnestly and particularly protest against the passage of this new bill, or any other bill or act which will consolidate the districts of this city.

Resolved, That we are opposed to the division of our school fund for any purpose whatever.

Resolved, That our Senators and Representatives be requested to use their influence to have the obnoxious sections XX and XXI expunged from our statute books.

Resolved, On motion of Alderman Wiggins, that the proceedings of this meeting be published.

Resolved, That a committee of three be appointed to memorialise the the Legislature in regard to the law. The committee appointed were C. Yeager, G. A. Martin and Alderman Wiggans, Esq.

Adjourned.

A. G. RINEHART, Chairman.

JOHN LAVELY, JR. Secretary.

COURT OF COMMON PLEAS.—Before the Hon. William B. McClure, President Judge.

Among other business an appeal for a fine imposed by Mayor Riddle, for violation of a city ordinance in selling marketables at the Canal in market hours, was made by Toby Seiple and John Boyd, farmers. Col. Black and Hon. C. Darragh appeared for the appelants, J. I. Kuhn, Esq., City Solicitor, for the city.

Colonel Black made the opening address, denying the right of the city to pass such an ordinance, as the persons affected by it, would be then obliged to pay a double tax to the city, besides State Canal tax.

He was replied to by Mr. Kuhn, who was succeeded by Mr. Darragh, who re-affirmed the points taken by Col. Black.

The Sheriff brought a charge against Mayor Riddle of compounding a felony. It appears that during last winter a negro was arrested for stealing clothing, and that by the exertions of the District Attorney, the matter was compromised while under the Mayor's control, and that the latter consented to the arrangement.

T. J. Fox Alden, Esq., appeared for the Mayor, and Mr. Mellon for the Sheriff.

In both of the above cases the Court has reserved its decision.

The motion for a new trial and an arrest of judgment, in the case of Hays and Smith, found guilty of conspiracy, was argued by Col. Black for and Messrs. Flanigin and Kirkpatrick against.

The defendants were indicted, with four others, who were acquitted. Several interesting points of law were raised by Col. Black, the principal one of which was a question of jurisdiction, as the conspiracy was formed in Armstrong county, and an overt act committed in this county. Several minor points were also raised. We will give the arguments to-morrow.

A General Meeting of the friends of Washington College, will be held in the Second Presbyterian Church, Pittsburgh, on Tuesday evening, the 14th inst., at 7 o'clock, to devise suitable plans for promoting the best interests of that Institution, and securing the success of the Endowment. Several addresses may be expected.

All persons interested in the cause of Education are invited to attend.

A Convention of the Alumni and friends of Washington College, will be held at 2 o'clock in the afternoon of the same day to make arrangements for the evening meeting.
